 Wile effected by the Florida while they were on the way from New York to New Orleans. They subsequently fell into the hands of a man named Taylor, of Virginia, who sold them to parties in Liverpool. The Liverpool firm sent them to rornto after the close of the war, to be sold, when our Government obtained an injunction grainet their sale, resulting in the suit which has just been decided. The defence argued that the capture was legal, and that the last transfer of tille was effected by open sale, in open marks, to innocent parties. Mr. Chaing, for our Govern-ment, argued that the captors of the stamps, being rebels or pirates, could not roam the high seas, and having captured the property of the Gaussian during the formation of the stamps, being rebels or pirates, could not roam the high seas, and having captured the property of the stamps, being rebels or pirates, could not roam the high seas, and having captured the property of the formation of the stamps, being revenue in India is opium.
