Abandorment	of the Propose	d Yacht Race
A Successfi	ıl German	Expedition

Times on Indian Affairs In United States

By Atlantic Cable. London, September 8th .-- The proposed race between the American yacht Sappho and the English yacht Aline will not occur. Captain Baldwin, of the Sappho, challenged the Aline to a race across the Channel, from Cowes to Cherbourg, France, and return, for a purse of £50. The Aline is to be laid up for the season, and her owner, therefore, declined to enter her in t

Telegrams have been received here, announcin the complete success of the expedition of Ge man gentlemen who went to Asia to make observations on the recent total eclipse of the sun. They chose the best possible place for the observation, namely, Aden, in Arabia, and were supplied with photographic instruments and other scientific apparatus. The despatches star that six photographic views of the eclipse were obtained, four of which are perfect. The Times of this morning has an editorial or Indian Affairs in the United States, and speaks

of the policy towards the red men as one of consideration and forbearance between contending races, but it is so costly as not much longer to b pursned. Specie Shipment.
