Since. The first thing required to be done by a plant to the proper condition of the proper condition

portant for them to have the result of our application of the crop, have been compelled to leave their homes for their personal safety, and fly for their lives, leaving their employers or their crops; and badly, and some until they have died from its effects, and many of them have been murdered for no other reason or offence than their political opinions and sentiments. Many persons who had hired for the year, or engaged to work for a portion of the crop, have been compelled to leave their homes for their personal safety, and fly for their lives, leaving their employers or their crops; and lives, leaving their employers or their crops; and unless something is done for their relief they can-

By order of the Board.

Select CHAS. WESTON, Jr., Secretary.

DEPARTMENT OF SURVEYS, OFFICE OF THE CITY ENGINEER AND SURVEYOR.

NOTICE—Duplicate Plans of the Revision of Grades on so much of the Twenty-fifth Ward as lies bet ween Lehigh avenue and Cloarfield street, and Kensington avenue and Fillmore street are now prepared and deposited for public inspection at the office of the Surveyor and Revulator of the Tent Survey District, LYCE'S MULLDING, FRANKFORD, and the Board of Surveyors have appointed MONDAY, September 21st, at 10½ o'clock A. M., to consider any objections that may be urged thereto by any citizens interested therein.

STRI'KLAND KNEASS, sell 13 19 32 Chief Engineer and Surveyor PHILADELPHIA AND READING RAULROAD unless something is done for their relief they cannot go home, and will, of courses, leave their carnings, with starvation in the gloomy future for themselves and families. In the class of cases shown their is no events of walls for events of course of the should be considered to the holder of bonds of the part of the fine fluid for the should be considered to the holder of bonds of the part of the fine fluid for the first of the holder of bonds of the part of the first of the holder of bonds of the part of the first of the holder of bonds of the part of the first of the holder of bonds of the part of the first of the holder of bonds of the part of the first of the holder of bonds of the part of the first of the holder of bonds of the part These are when a murder has been committed under circumstances of alleged palliation.

These are when a murder has been committed under circumstances of aggravation, as in case of young Bickwell in the county of Maury. He was foully murdered. The guilty agent was arrested by civil authorities. lodged in jail, and afterwards by the Klan taken out and hung. There seems to have been no doubt as to his guilt, but there was no instituction for those who hung him without trial.

These are some other cases where they have hung men for an alleged crime. These cases where they have the manufacture of the property of the whole transparence of the property of the property. The property of the property. The class of the Philadelphia and Reading Railroad Company of these bonds of the Philadelphia and Reading Railroad Company of the exchange any of these bonds of the Philadelphia and Reading Railroad Company of the exchange any of these bonds of the Philadelphia and Reading Railroad Company of these bonds of the Philadelphia and Reading Railroad Company of the exchange any of The Directors have this day declared a dividend of Soven Dollars and Fifty Cents per Share on the Stock of the Company for the last 6 months, which will be paid to the Stock holders or their legal representatives, after the 17th instant.

WM. G. CROWELLS, 867.945

HARDWARE. There are some other cases where they have hung men for an alleged crime. These cases were mentioned for the reason that we were sent condition of affairs in our state. These parties should be tried and punished according to law. It is true, in some of these cases, it is said and the fact may be that the guilt of the party is beyond question or doubt. Assume this to be so, as we concede it to be in some of the cases where they have hung the offenders, it is the more certain they will be convicted and punished. These cases of punishment for crime are referred to by

The same of the control of the contr

Woman's Intellectual Capacity

posturing and feats of manual dexterity, and

birds and flying away. A wizard fishes with rod and line in a small cup set, upon an open stand, and catches therefrom a fish many times larger than the cup. Another clenches his hands together, and, shaking them, great volumes of water are showered in spray frem between his fingers. Another magician verifies the Afrite of the Arabian Nights, and comes rushing out of a little flask or bottle, taking solid form as he ascends. And the supernatural power of the monkey flend who breathes ont hosts of pigmies, is rivalled by a magician who spurts out of his mouth a value of the form of a horse and gallops furiously off.—Nation.

The North of Earthenware and by its weight. With the view of ascertaining the height of the individual when alive several portions of the body were measured. It was found that the tibias (leg bones) were sixteen and a quarter inches long, which would give, including the cartilages, at least seventeen inches in the livit body; the femurs (thigh bones) measured in inches of the body would lead to the conclusion that the general appearance of the monkey flend who breathes out of his mouth a value of the body would lead to the conclusion that the skeleton was that of a man five feet eight inches or five feet inches inches inches i

studies and presented them to the boy as a chests are ranged three on either side of the birthday gift. At the age of eight years Bull partition walls which stand on either side of the partition walls which stand on either side of played his first solo in public, at a concert in Bergen, and created much surprise, even among the old musicians; for he played a concert, by Rode, most admirably. This was played his first solo in public, at a concert in Bergen, and created much surprise, even among the old musicians; for he played a concert to, by Rode, most admirably. This was a sort of turning point in the life of Ole Bull, and he immediately became the pet of the musical public of Bergen. At the age of twenty, he visited Paris, where he passed through many of the "ups and downs" of life, but finally his name became known throughout the whole civilized world as the greatest violinist since Paganini, and for many years Ole Bull and his 'Mother's Prayer' have been household words in Europe and America."

The mean deposited in them were supposed to be those of William Rufus, as set forth by the following inscriptions, now nearly illegible: "In hac et altera a regione cista reliquice sunt cauti et Ruft Regum, Emmæ Reginæ, Winæ et Alwett Episcoporum," and on the opposite side, "Hac in cista, A. D. 1661, promiseue recondita sunt ossa Principum et Prælatorum sacritega barbarie dispersa, A. D. 1642."

On authority of Milner, the historian, who quotes "Gale's Antiquities," it is stated that when the rebels broke open the sarcophagus "there was found in it the dust of a king, with Violation of regainint, and for many years of the survey of the first operation of the dust of a king, with some pieces of clothe embroidered with gold, a large gold ring and a small silver chalice. The line. Can it be believed that the Japanese are so generally informed in the physical sciences that all these marvels pass for mere dexertly and skilfful application of natural sciences? The Japanese jugglers in Europe and here have shown us no wizardry beyond a few in the first of their practice was tumbling and feats of manual dexterity, and posturing and feats of manual dexterity, and posturing and feats of manual dexterity, and sold a few in the following in the surcephagus was opened and his 'Mother's Prayer's lawy been doubtedly already occurred.

Accordingly the sarcophagus was opened and his 'Mother's Prayer's lawy been doubtedly already occurred.

Accordingly the sarcophagus was opened and his 'Mother's Prayer's lawy been the sarcophagus was opened and his 'Mother's Prayer's lawy been the sarcophagus was opened at the dust of a king, with when the rebels broke open the sarcophagus was opened and law of a king, with the dust of a king, with gold, a large gold ring and a small silver chalice.

It is difficult, however, in view of the facts liver the late.

Aleo, Offices and large Rooma, single Rooma, and a large Rooma, single Accordingly the sarcophagus was opened on Thursday last to ascertain whether it con-

what real jugglery there was made us all on Thursday last to ascertain whether it conlaugh, it was so slight and transparent. But here, in one of the Oksai books, and alternatis of Bath stone, one block hollowed out, ing with pictures which are of unmistakably about two feet deep from the raised lid, which my thological subjects, we have the Japanese thaumaturgist, in picture after picture, performing unexampled feats. In one he site quietly holding a wand, or perhaps only his closed fan, and with no visible apparatus or accessories; but he is suddenly multiplied by five, the simulacrum of his head and shoulders, four times repeated. Comes into sight from empty space. successories but he is suddenly multiplied by free, the simulactum of his head and shoulders, four times repeated; comes into sight from empty special to the standard of the figures are undistinguistable. There were fragments of the skull, the vertex and the five figures are undistinguistable. There were fragments of the skull, the vertex and the five figures are undistinguistable. There were fragments of the skull, the vertex and the five figures are undistinguistable. There were fragments of the skull, the vertex and the five figures are undistinguistable. The first of the figure is a second one a chain of the figure and the first of the figure and fir

found in the centre of the sarcophagus, thus showing a positive, displacement at some former period. The examination conclusively established the fact that the remains were those of one individual only—the bones.
