the "coming of the butter" without

battle. All the present chariot wants is the knifeblade on the shaft for hewing down the enemies
of the queen. To see Hyde Park we are told we
must send for a brougham and liveried driver.
We send. Waiting to see our grand turnout with
eager impatience, we hear it coming, and
reshing to the door, what do we behold? An
old barouche, one horse, and an individual on a
high box-seat, in a dirty old light coat, such as
any car-driver at home would discard, a dirty
band on his beaver hat, reminding one of the
rows of hats in St. Glies, and light-top boots.
There is not a voiture at a stand in Paris that is
not respectable enough to drive through the Bois
de Boologne, and I have driven in them amongst

TELEGRAPHIC SUMMARY.

A SPECIAL despatch to the St. Louis Democrat, about the Colorado election for delegate to Congress, announces that Bradford, Republican, is still ahead, with three counties to bear from. Join H. Surrary's second trial Jacqueted to be the constitution of the control of the con was densely—crowded.—Sir John A. McDonald occupied a seat on the bench. Hon. John Hilliard Cameron, counsel for the defence, began by alluding to a strong prejudice existing against the prisoner. He said the evidence in the case and admissions of the prisoner. He pointed out the danger of reliance on the first, and quoted numerous examples. He considered the circumstantal evidence brought forward in the present case as wholly unreliable, and showed the improbability of the direct evidence given by Turver and Wade. He examined the evidence of Lacroix, and showed how improbable it was, and how unlikely he should not have seen any one or been seen, when numbers of people were abroad at every turn, and had considered the distance to I can truly say I mourn him. At the motion of the District Attorney, let the court be adjourned, and a minute of these proceedings be entered by the Clerk.
Pursuant to order, the court was adjourned. eived with great cantion; such words were easily Tim Boot and Shoe Exchange.—A meeting of

been seen, when numbers of people were abroad at every turn, and had considered the distance to go after leaving the scene of murder. He spoke of the admissions sworn to by Cullen, and cited misrepresented from imperfect hearing, from for-getfulness, or from malice. He strongly de-nounced the system of spying kept up on prisoners, and expressed confidence in the fairness of at No. 1911 Chestnut street. the jury. At the close he stated that Whalen had avowed his innocence to him, and matters lay between him and his Maker. The speech was very able, and lasted about two hours, and produced a great impression. Mr. O'Reilly, Crown counsel, expressed satisfaction at the remarks which fell from Mr. Cameron regarding the fair. which fell from Mr. Cameron regarding the fair-ness of the trial. The prisoner had been defended by the best talent in the province; the speech for the defence was the ablest ever delivered. He

facturing interest in this city as well as to the va-riety manufactured.

2. To post ourselves in regard to the standing cautioned the jury not to be carried away by elocannoned the jury not to be carried away by elo-quence, but judge from facts. The learned counsel sketched the career of Whalen, beginning at Quebec under the name Sullivan, tracing him to Montreal, and showing bow he dogged the steps of Mr. McGee. He reviewed the evidence steps of Mr. Meese. He reviewed the evidence of the various witnesses; referred to the pistol found on the prisoner, and threats he had made against Mr. McGee's life. He showed the consistency of Turner's evidence. It contained the story of the same threats testified to by other witnesses. He also referred to the evidence of Wade, that these men the working of the association. The report was accepted and the committee discharged.

The following gentlemen were appointed a committee to report a committee to a committee the committee of the second that the committee the co met night after night to plot the death of Mr. McGee. The evidence and actions showed conspiracy. The conspirators had not yet been reached, but evidence before the Crown would track them to their dens. Mr. O'Reilly traced the prisoner's whole conduct on the night of the murder; his restlessness while Mr. McGee eloquently pleaded the cause of his country. When on the different manufacturers, consisting of the country. When on the different manufacturers, consisting of the country. the words 'struck below the belt' were used the

Messrs. O. B. Claffin, J. F. Oram and C. Swanprisoner shook his hand, passed it over his breast where the pistol was, and nodded to his confederate. Lacrolx, an unlettered Frenchman, had seen the deed committed. He must be the stated meeting yesterday afternoon. The house seen the deed committed. He must be the greatest genius that ever lived to invent such a seent reported the population of the house on story. After a recess, the Judge charged the Saturday at 2,960, being an increase of 110 over jury, and the Court adjourned until to-morrow last year. The out-door agent reported the amount collected for support cases at \$929 50. The steward reported the house receipts at \$29 29. The Board of Visitors reported an expenditure to hear the verdict. The London Times on American London, Sept. 14.—The Times has a lengthy cliterial article on American affairs this morning.

The writer believes that Mr. Johnson, American American Control of the Royal Contr

five years, a sailor employed in the family of the he civil war, and her willingness tolsee the Union Of this Americans were conscious at the time, and remember keenly now. They think we should have an active sympathy with the North; that a Confederacy, based upon human slavery.

Should have been at once condemned; that the that a Confederacy, based upon human slavery, should have been at once condemned; that the Republican party was a true friend of England: that it was wrong to doubt the success of the Federal arms. After all, the anger of Americans was due to their consciousness of England's want of sympathy with them in their hour of peril; but a sympathy with them in their hour of peril; but a sympathy with that been enough indulged. anger, if right, has been enough indulged.

Mr. Seward had refused a handsome offer of indemnity which should be credited to England. as settled. Legal points will not stand in the way, and the only thing to ascertain is the responsibility of England, and to fix the proper indemnity. le now cuts part adrift, and the thing is as good

MAULE, BROTHER & CO. Destructive Fire at Gloncoster, N. J.

LARGE STOCK.
LARGE STOCK.
MAULE, BROTHER & CO.,
2500 SOUTH STREET. A fire broke out yesterday afternoon, about one clock, in the extensive print works at Gloucester, N. J., belonging to the Gloucester Manufac-turing Company, of which Mr. David S. Brown, of this city is President, and before the flames could be extinguished the main building, 60 by 250 feet, and three stories high, together with valuable machinery, finished and unfinished goods, and some smaller buildings, were almost totally desome smaller buildings, were almost totally destroyed. The flames were first discovered issuing 1868. WALNUT BOARDS AND PLANK. 1868. WALNUT BOARDS AND PLANK. WALNUT PLANK. stroyed. The names were first discovered issuing from a building containing log-wood, near or above the boiler house, and from this the fire spread rapidly through the main building, notwithstanding the active efforts of the men employed in the works. withstanding the active efforts of the men employed in the works. Information was immediately sent to the fire departments in Camden and this city, and, during the afternoon, companies from Camden, and the Hope Hose Company, the Weccacoe Steam Fire Engine Company, and the Southwark Hose Company, of Philadelphia, arrived on the ground with their apparatus, and through their energetic efforts the cylinder-house, containing valuable machinery, shedding and several detached buildings was saved. The shedding near the river and a large quantity of coal were kept from burning by streams from three steam 1868. SEASONED POPLAR. SEASONED CHERRY. WHITE OAK PLANK AND BOARDS. CIGAR BOX MAKERS. Sell-3m:

London, Sept. 14.—The Times has a dengthy diltorial article on American affairs this morning. The writer believes that Mr. Johnson, American Minister, has carte blanche from his Government to settle the Alabama case. The case of itself presents little trouble. The only difficulty is the roluctance of the American Government to settle the difficulty, growing out of war resentments. No American stateman over believed that the had paid into the city treasury, \$3.820 20.

FATAL RAILHOAD ACCIDENT.—Joseph Nixon, aged 35 years, was run over and killed by a train of the Reading Railroad cars at Twenty-first and Willow streets yesterday evening. The body was taken to his residence, Twenty-first and Callowhill streets.
