## EVENING BULLETIN.

Thursday, September 17, 1868.

Looking over the clearances of the port of Philadelphia, as reported each day in the and disaster. BULLETIN, one gains fresh ideas concerning the extent of our foreign commerce. In the almost every department of human affairs; in re-last two weeks we have noticed especially a digion, as in the Crusades, and in many modern mit to the lechery of little M. Offenbach? The arge number of ships and brigs departing hence for European ports, viz: To Liverpool, 3; London, 1; Dunkirk, 1; Cork, 2; Bremen, ; Hamburg, 1; Konigsburg, 1; Stettin, 1; Gibraltar, 2; Naples, 2; Genos, 2; Leghorn, 1; Ancona 1, and Venice, 2-in all twenty-one lepartures for European ports alone. A few bubble, the Mississippi scheme, the recent petro\_ the operas of the concert saloon, and the years ago such a thing was not dreamed of as the departure of ten vessels in two weeks tor Mediterranean ports. Direct commerce tor Mediterranean ports. Direct commerce with Venice was also an unimagined thing. 30, too, of Stettin and Konigsberg, which, ke Venice, have increased in commercial has few years. Most of the vessels for Eu-rope, included in the list we have given, were laden with petroleum, the great Pean-the first decade of the eighteenth century, Italian the first decade of the eighteenth century, Italian sylvania production, which is needed all over opera had been successfully introduced upon the it a second time. Neither the license of the stage But some folks thought they disthe world, and which can be procured and English stage, and with great singers to interpret nor common poetic license excuses this. We shipped at Philadelphia to more advantage the inspirations of great masters, it seemed to have as good a right to publish the indecent text of these operas in this journal, as a company of ban at any other port. This article is rewith European ports, even without any These were not his noblest productions, but they great exertions on the part of were specimens of high art, and were as much presents impersonations that make the offence of our business men. If they were to go to work energetically and harmoniously to them, as Meyerbeer's operas to-day are superior. work energetically and harmoniously to them, as Meyerbeer's operas to-day are superior. To the police station. And one man after an other declares thusisstic of Offenbach's critical supporters dare to the most police station. To the police station. And one man after an other declares That he considers them dangerous establish one or two lines of good passenger to the medleys of Offenbach. In 1725, Gay wrote to print his librettos ?- and would not all his adestablish one or two lines of good passenger to the medleys of Offenbach. In 1725, Gay wrote to print his *librettos*?—and would not all his ad-steamships to Europe, we should soon have The Beggar's Opera. This was a musical farce, mirers condemn them if they did? Let us have a For bears will bite, if they get Even now, with the trade to the West Indies, South America, and the British Provinces It was made up of song and once more to legitimateart, we shall see whether South America and the British Provinces

gold, but how comes it that we find Mr. aided only by a minority of the Republicans, decided that the payment should be in gold, the Biddles and Pendletons ought not to abuse and disown their own offspring.

carry the election in Pennsylvania. They hope that by transferring returned rebels from Maryland across the border into York, Adams, Franklin, Fulton, Bedford and Somerset counties, they may be able to defeat the Republican State ticket in October, and that done, insanity that Gay originated. In this country, they may the more easily carry the State for Seymour and Blair. The State authorities, and the Republican leaders in the border four or five burlesque opera companies, and not counties, ought to keep a close watch for all one Italian or German troupe. The flimsy attempted importations of illegal voters, There is not the slightest doubt that the little victory of the Democrats last year was won decent people are found who access, by the side of by fraudulent voting. The same game will which Gay's pastoral is the perfection of purity be tried on a grander scale this year. But it and a very model of virtue. And the greater discan be frustrated by energetic work and credit is with the people of this generation. Gay close vigilance.

One of the columns of the old Pennsylvania Bank building in this city has been time when there was greater license in the use of given to the Wilmington and Brandywine language than there can be now, and when mo-Cemetery Company, of Wilmington, to be and "donation," instead of a gift. "Donate"
and "donation" are bastard Latin words, and hot half as good as "give" and "gift," which are good Anglo-Saxon. But Secretary Mc Culloch writes to the Mayor of Wilmington that he has decided to "donate" the columa, and the architect Mr. Mullett, writes to Mr. Noneg, enclosing the papers "donating" it, &c. We protect against the use of the word,
balf-bestial Pan of pruriency. The merit of his music has already been sufi-ci ntly discussed. Its utter emptiness and worth-lestress is assured now to every true musician. Time will convince the people of it. The repeat-ed assertion that, simply because it is music, it musi therefore contribute to popular culture, is a pretense. A flash novel does not assist the cause of popular education because it is literature. The effect of false art and shallow, mureal, untrue art. &c. We protect against the use of the word, effect of false art, and shallow, unreal, untrue art, on general principles; but it ought to be espe- is retrogressive. It is as impossible to transfer bin general principles; but it ought to be espe-cially reputiated by good Americans, be-cause since the "dongh-faces" of the North have shrunk into a small, minority, there cought to be up such the standard biological principles and the standard biological principles and the standard biological principles in the standard biological ought to be no such word recognized ag fought sation excent in Her Meinstein donch do not, of course, believe that musical cursult in this country has arrived at a final period. It

In a single club that paraded on Tuesday night, at the Union League meeting, there maxched, twenty-five men' who voted the Demo static ticket last Fall. Big straw, Offenbach might be forgiven his want of genine,

The sensation of "heavy gains in Vermont | mits percons to be born incapable, but men a and Maine" does not seem to spread with any | the authors of their own knavery. This man very great rapidity among the Democracy. might give roles, as he has done, to barking dogs, One of the most distinguished pillars of that interesting party in Philadelphia remarked, day before yesterday, that he had entertained strong hopes of carrying Philadelphia this Fall, but that recently there had been a great when he prostitutes it to giving a glamour to change of public sentiment, which he could lechery, he deserves the severest densure that can not at all account for, and the Republicans | be uttered against him. It will not do to quote seemed to be carrying all before them. Sa- mythology in favor of bawdry, or to instance gacious old pillar !

and the second second

great speech, delivered at the Union League is full of sound argument, brilliant rhetorie thorough perusal.

THE OFFENBACH MADNESS. The single argument upon which M. Offen-

We are carnest believers in the sound republican theory that majorities should rule. But majorities are not necessarily always right; and the aniversal history of mankind proves that popuarity, so far from being a true guaranty of excelence, is oftener the certain assurance of charlatanry and worthlessness. Communities, like individuals, are subject to occasional fits of madness, during which the wildest theories, the most chimerical schemes, the insanest projects, engage the attention of vast masses of people, who forget FOREIGN TRADE OF PHILADEL for the time the teachings of their experience

This wholesale lunacy has expended itself in

Philadelphia has a very respectable foreign rate, which is growing at quite a rapid to a base use. It lent attractiveness to a per-rate. ies payable in gold was passed, in the House, based and vicions. The whole country wont a majority of the Republican members voted | mad over this production, and the natural result against it. Every Democrat, (two only excepted) voted for it. They were quite is the state of the general demoralization that and the haddrain feasit evinced in the general demoralization that and the state of the state of the state of the state of the state and state of the st right in so doing. It ought to be paid in ensued. Highway robbery, murder and debauchery became more common. Footpads took the sentimental view of their profession, and as-Charles J. Biddle, of the Age, Mr. George H. Pendleton, Mr. Clement L. Vallandigham, and other gentlemen who are now howing such anathemas against the "bloated bondholders," voting in Congress to pay them their interest in gold? Congress could have passed a bill, had it chosen to do so, paying their interest in greenbacks, and then Charles J. Biddle, of the Age, Mr. George easins slit weasands to the tune of one of "Mac-Duke of Bolten, although all the world knew her to be a woman of the most depraved and cor-rupt character. The top to be a set to be a woman of the most depraved and cor-rupt character. as they thought proper. But these Democrate, her to be a woman of the most depraved and cor-

The success of this piece sealed the fate of legiand so stands the bond. It is a Democratic timate opera for many years. It was followed measure, of which we entirely approve; but by other burlesque operas, some of them possessing musical merit, but nearly all of them as vilely immoral as The Beygar's Opera. Handel was neglected and forgotten. Assisted first by Colonizing from Maryland is one of the the nobility, and relying afterwards upon his permethods to be resorted to by Copperheads to sonal exertions, he strove to breast the tide that threatened to overwhelm art. Opera after opera came from his prolific pen, but all were unsuccessful; and in atter despair, shattered in health, ruined in fortune and half broken-hearted, he abandoned opera forever.

In some measure, Offenbach has duplicated the where it is professed that we can appreciate and encourage high art, there are to-day no less than music of Offenbach is sung, played, whistled, hummed, ground and drummed; and crowds of decent people are found who flock to witness inhad much talent, and the songs of his operasome of them written by abler poets-were sung to infinitely sweeter music. He lived, too, in a rality was not so exacting. Offenbach has nei-

effect of which he is capable, and the greatest fault that could be found with him would be that he knew of no better use for his art than to make it the vehicle of fantastic trickery. But Shakespeare's freedom of speech as an excuse for We refer our readers to the phonographic lit. Shakespeare lived in an age when, as we have said of the last century, language had it. Shakespeare lived in an age when, as we report in to-day's paper of General Sickles's greater license than it has now, and his occasional offences are morely incidental. There is not, as Mass Meeting, on last Tuesday evening. It in Offenbach's operas, a deliberate selection of a plot, filthy in its designs and in its and telling humor, and will richly repay a the greatness. The moral grandeur and subexecution. We can pardon the looseness for limity of the whole work atones for the episodal freedom of expression. Those who read Shakespeare need only survey the majestic combach's apologists rely in attempting to defend pleteness of the whole design, while they revel him and his productions is the undeniable fact in his imagination. The disciple of Offenbach that he is popular. An individual or a cause of has a groundwork and a superstructure of inwhich nothing better can be said than this, badly | decency. The fables of mythology, also, have needs wiser and more valiant champions than ony that have arisen to do battle for opera bouje. We look behind the details, and perceive the sublime allegories of a beautitul and poctic pa ganism. We can see in the actions of the heathen delties a figurative description of the operations of Nature, and we reverence in the vstem the evidences of the first groping of a pure art-nature toward religious culture and nowledge of immortality and Omnipotence. The defenders of Offenbach can encer at "pro rient prudery" to their heart's content, but they cannot deny that he is the purveyor of bold bald indecency, which needs no careful scrutiny to discover it. There is such a thing as decency. and the promptings of their common sense, and and there is an innate popular regard for it. We and the promptings of their common sense, and and there is an innate popular regard for it. We EDWARD . P. KELLY rigid adherence to it on the stage and elsewhere.
