FRANKFURT, Sept. 24.—U. S. 5-20s, 75 1/2.

LYNN, Sept. 24, Evening.—Cotton dull; the sales to-day were 10,000 bales. Breadstuffs dull. Spirits of Petroleum irregular.

LONDON, Sept. 24, Evening.—Sugar quiet. Whale Oil, £87 10s.

PARIS, Sept. 24.—The French Government will immediately strengthen the posts on the Spanish frontier. It is reported that Queen Isabella has entered France. There is an unauthenticated rumor that Frim has been arrested.

The Pops says the Spanish army is loyal, and that the insurrection is confined to the provinces of Andalusia and a few seaports.

The following is an official announcement from Madrid: "Catalonia, Aragon and Valencia are quiet."

The Monitor has the following:

The revolution in Spain makes no headway, and the people are indifferent or repulsive to the project. Active measures are being taken by the government for the suppression of the rebellion.

The insurgents in Andalusia are retiring before the advance of the Royal troops.

PARIS, Sept. 24.—The reported rising in Calabria and Sicily is denied.

LONDON, Sept. 24.—Advices from Buenos Ayres announce that Sarmiento, the newly elected President, has been duly installed.

The Appointment of Storekeepers.

Special Dispatch to the Philadelphia Evening Bulletin.

WASHINGTON, Sept. 24.—Collector Chas. Abel came down this morning and objected to the appointment of storekeepers without his recommendation. The result was that Secretary McCulloch cancelled the appointment of Wm. O. Kline on account of his being one of Abel's clerks. Chamber's appointment will be similarly treated for the same reason. This move of Abel's checksman Sam. Randall.

The Discharge of Surratt.

Special Dispatch to the Philadelphia Evening Bulletin.

WASHINGTON, Sept. 24.—John H. Surratt was discharged from custody this afternoon. Judge Wiley having sustained the plea of his counsel that judgment in his case was barred by the Statute of Limitations. As this result is owing to a flaw in the indictment, which failed to charge that he had fled from justice after the commission of the crime, it is intimated by District Attorney Carrington that a new indictment will be found at the next term of the Court.

CITY BULLETIN.

A GREAT CHANGE.—The mercury in the thermometer must have a lively time now. Such changeable weather as we have experienced within the past few days is rarely met with. One day we swelter and the next day we shake. On Monday there was a heavy rain and at night overcoats and blankets were needed. Yesterday the sun came out bright and warm, and the thermometer ran up as high as 83 degrees. Linen clothes and straw hats were again in vogue on the streets. The night blankets were discarded, but before morning the wind shifted and the atmosphere became raw and chilly. Up to noon to-day the mercury has not got above 68 degrees. Thick clothing is in demand and light overcoats are being bought up at a lively rate.

THE HORTICULTURAL EXHIBITION.—The autumnal exhibition of the Pennsylvania Horticultural Society, at the Hall, on Broad street, below Locust, is now in the full tide of success. The display of everything in the horticultural line is very fine, and the exhibition has never been surpassed by any ever given before by the Society. The music of the Germania Orchestra adds much to the attraction of the exhibition. Thousands of persons have already visited the Hall, and to-day and to-morrow yet remain for those who have not yet had a look at the rare plants and flowers, luscious fruit and splendid specimens of vegetables.

A LOCK THIEF.—Charles Hunckley and three locks were overhauled yesterday at Seventh and Race streets by Day Sergeant Smith. Hunckley couldn't or didn't want to tell how he got in company with the locks. He was locked up, and it was afterwards found that the locks had been stolen from the house of Mr. Erwin, at Eighth and Spruce streets. Hunckley was then taken before Ald. Bellier, charged with larceny, and was committed to answer at court.

TILL TAPPING.—Yesterday afternoon a man and a boy, neatly dressed, entered the store of Mrs. Hamilton, No. 184 Chestnut street. The man engaged the attention of the clerk by examining various articles. The youth stroled about the store. After the couple had departed it was found that the money-drawer had been robbed of \$26. The robbery is supposed to have been committed by the juvenile.

STEALING PRODUCE.—Day Sergeant Woodhouse arrested, yesterday, John Connor, at Thirteenth and Market streets, upon the charge of the larceny of two bags of beans, valued at \$16, the property of a man named Gillman, belonging to Jersey City. Connor had a hearing before Ald. Goddard and was committed to answer.

FIRE.—The alarm of fire about 4 o'clock yesterday afternoon was caused by the burning of a small frame stable on Marshall street, above Sinecumbria avenue. The building belonged to John Lismore, and was used by John Evans and others. A horse was secured by some one who was working on the street. The total loss was about \$150.

MARKET THIEF.—William Flowers was arrested this morning upon the charge of the larceny of sixteen baskets of sweet potatoes from Dock Street Market. Six baskets of the stolen potatoes were recovered. Flowers was committed by Ald. Carpenter.

FLAC BARRING.—Lieut. Franks, Sergeants Murray and Dietz, and the members of the police force of the Seventh District raised a large flag, with the name of General Tyndale inscribed upon it, this morning, upon the station-house on St. John street, above Buttonwood.

LARCENY OF A WATCH.—Benjamin Redfern was arrested and taken before Ald. Bonnell upon the charge of the larceny of a watch belonging to his brother-in-law, who resides at No. 1124 Milton street. He was committed for a further hearing.

PARADE OF THE REPUBLICAN INVINCIBLES.—This fine organization, whose membership is increasing rapidly, is doing a great deal in the party line. Their well filled ranks and splendid drill and bearing are admired by all. This evening they turn out, to attend the meeting at Twelfth and Jefferson streets. The following route will be gone over: Down Seventh to Chestnut street; up Chestnut to Eighth; up Eighth to Thompson; up Thompson to Tenth; up Tenth to Columbia avenue; up Columbia avenue to Thirteenth; up Thirteenth to Jefferson, to the meeting.

MASS-MEETING IN THE FIFTEENTH WARD.

There will be a grand rally in the Fifteenth Ward this evening at Sixteenth and Parrish streets, of all in favor of the election of Grant, Colfax, Kelley and Tyndale, and of protection to American industry. Several well known speakers will be present to address the meeting.

The Fifteenth Ward Grant and Colfax Club will assemble on Friday evening, Sept. 25, at 7 1/2 o'clock, on Coates street, right next to Ridge avenue, for parade, and to attend the Tenth Ward meeting.

800 MILES

UNION PACIFIC RAILROAD

Are now finished and in operation. Although this road is built with great rapidity, the work is thoroughly done, and is pronounced by the United States Commissioners to be first-class in every respect before it is accepted, and before any bonds can be issued upon it.

Rapidly and excellence of construction have been secured by a complete division of labor, and by distributing the twenty thousand men employed along the line for long distances at once. It is now probable that the

Whole Line to the Pacific will be Completed in 1869.

The Company have ample means of which the Government grants the right of way, and all necessary timber and other materials found along the line of its operations; also 15,000 acres of land to the mile, taken in alternate sections on each side of the road; also United States Thirty-year Bonds, amounting to from \$16,000 to \$20,000 per mile, according to the difficulties to be surmounted on the various sections to be built, for which it makes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c.

THE EARNINGS OF THE UNION PACIFIC RAILROAD, from its Way or Local Business only, during the year ending June 30th, 1868, amounted to over

Four Million Dollars,

which, after paying all expenses, was much more than sufficient to pay the interest upon its Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTGAGE BONDS

upon such a property, costing nearly three times their amount.

Are Entirely Secure.

The Union Pacific Bonds
