THE GREAT PACIFIC RAILROAD -receiving the aid and supervision of the Government, and carried forward by the extraordinary resources and energy of the powerful Corporations to whom It was intrusted—is repidly approaching completion, and it is asset to say that FillLaDLPHIA AND BAN FIRANCISCO WILL BE GONNEUTED BY HAIL BY THE

FOURTH OF JULY NEXT. More than two thirds of the Through Line and Branches etween the Missouri River and the Pacific Ocean are onstructed, at a cost of nearly ONE HUNDRED MILLIONS, And the remainder is being pushed forward with unparalleled visor.

The tusiness of the Central Pacific Railroad for the month of July last was as fellows, in sold:

Gross Farmings. Operating Expenses. Net Earnings.
\$259,200 59
\$30,822 72

This result was upon less than 200 miles opened for buriness, with insufficient rolling stock, and was derived from legitimate commercial buriness only-being altogether independent of the transportation of the immense amounts of men, subsistence and materials required for grading and extending the track nearly one hundred miles eastward during the same period.
