The Subsidence of Hawaii-Accom-Honolulu, Aug. 29 .- The uncomfortable phe-Honolulu, Aug. 29.—The uncomfortable phenomena were noticed soon after the great earthquakes of last April; but the derangement of level was at first supposed to be temporary, and due to a tidal wave which would recede in due course of time. Letters from Hawaii to the writer, dated as far back as last June, speak of the unusually high tides that had prevailed along the southern and eastern shores of the Island. It might well be doubted whether any volcanic agencies, however powerful, could thus permanently affect the ocean level.

WASHINGTON. Revolution in Spain. AN OFFICIAL NOTIFICATION. 

The Spanish Revolution.
[Special Despatch to the Phila. Evening Bulletia.]
WASHINGTON, Oct. 2.—The official notification received at the State Department yesterday, from Minister Hale, that the Spanish monarchy has ceased to exist and that a Provisional government has been organized, is occasioning some talk in diplomatic circles.
It is deemed certain that the United States will take an early occasion to recognize the provisional junta as the de facto government of Spain. A prominent diplomat of Liberal tendencies is aid to have remarked that there would be poetical justice in such recognition, since the Spanish Bourbons were the readlest of European sovereigns to show their sympathy with the defanct rebel confederacy.

dampened by any signs of rain, and before the time appointed for assembling at their respective rendezvous, they began to congregate in large numbers. Nine o'clock was fixed for meeting for formation on Broad street, and by that time that splendid thoroughfare was well lined on both aides with people. On every street leading to Broad street were hundreds of persons hurrying towards the centre of attraction. Between nine and ten o'clock the various delegations arrived on the ground quite rapidly.
