

THE DAILY EVENING BULLETIN--PHILADELPHIA, MONDAY, OCTOBER 26, 1868.

THE DAILY EVENING BULLETIN. PUBLISHED EVERY EVENING. PRICE TWO CENTS. VOL. 11, NO. 11,111.

EVENING BULLETIN.

Respectable Democrats. Will you vote for the Democratic party after the facts which have now become known to every intelligent citizen of Philadelphia...

You have seen the conduct of the High Sheriff of this city. You have seen the conduct of the majority of those who were men of the most reputable character...

It is nearly time that we should put an end to this kind of talk. It is falsehood, and it is libel upon the American people. Whatever relationship may exist between the two countries...

You have seen the Democratic National Convention absolutely ruled by a large body of men who were openly committed to the rebellion...

You have seen the Democratic ticket at the Presidential election, you identify yourself with all the bloody deeds of the Southern rebel Democracy...

You have seen the whole public career of Dymally Grant. You have never known him to shrink from any responsibility...

You have seen the Democratic ticket at the Presidential election, you declare your preference for a man who, to say the very least, occupied the most equivocal position throughout the most perilous periods of the country's history...

There are yet, before there, respectable, honest men within the ranks of the Democratic party, who are only there because they have not given due thought to these considerations...

One week more. Let us have a week of ceaseless activity on the part of the friends of the Democratic party...
