There was quite a large attendance of members and much interest manifested in the proceedings. POINT BREEZE RACES .- The races announced

Homeopathy in Russia. Editor of Bulletin-DEAR SIR: The Russian gation at Washington authorize the statement that there is not a word of truth in the assertion that the Czar of Russia has issued a ukase pro that the Czar of Russia has lasted a ukase pro-hibiting the practice of Lommopathy in Russia. This story arose from a joke perpetrated by the editor of an Allopathic journal, to the effect that the Czar had prohibited the practice of Ho-mopathy in Russian America. The joke was that Russian America was at the time a part of the United States. It required no great stretch of imagination to suppose that he had also pro-hibited it in Russia. bibited it in Russia.
