EVENING BULLETIN. Friday, November 6, 1868.

PRESIDENT GRANT The Republican party marks an important

Grant. For eight years it has ruled the coun- possible, but that it is certain to be accomtry, or so much of it as has not been under plished. Useless offices will be abolished. the domination of the rebellion. During that Useless expenditures will be prohibited. name. It has added largely to our territory, by the acquisition of Aliaska, and has or- perity and peace. ganized the three new States of Nevada, Nebraska and West Virginia. It has opened the way for populating our vast West by the | Grant is to inaugurate, and we hail it with | able solution of the problem of Mormonism, itself immortal. Slavery's twin relic of barbarism. "It has advanced the United States to a position of dignity among the nations, never before oc-oupled; and has developed those grand prin-the egotism of President Johnson is ciples of human freedom and of a progressive | magnificent. The first article of his creed is civilization which are the very essence of a that his opinion is more valuable than that of true Republicanism.

est fault was the nomination of Andrew Johnson. It had a true and faithful Vice President in Hannibal Hamlin, who was sacrificed to the mistaken notion that the border States needed to be conciliated, and so Andrew Johnson, in an evil hour, became Vice Presi- administration ; he intends now to give Gendent. It is needless to expatiate on all the eral Grant the benefit of his wisdom and exlong train of evils that have followed that perience, and so has proceeded to offer a few terrible blunder. Years of distraction and friendly suggestions in regard to the formation disturbance; a long arrest of the return of of the General's Cabinet. He thinks General peace and prosperity; a blot and a stain upon Grant had better retain at least two of the the national reputation; a lowering of the dignity of high office: a fearful spread of official corruption and demoralization; these are some of the consequences of this great fault and mistake.

But there are other sins which the Repub-lican party ought to look steadily in the face at this time. The long enjoyment of power with it inevitably the gradual departure from terms of that protest. But the great army tion of Mr. Johnson's national work is to be undone and executed properly. way of American progress, during these past Coming from a less egotistical man, under diffing prompting functional work is to be that has moved forward upon the grand high-way of American progress, during these past Coming from a less egotistical man, under diffing prompting functional work is to be that has moved for house build by the transfer of the property for the second term of the property for the prope

not only no sympathy with or participation ing Cabinet ministers, and the latter's conduct in the doings of these camp followers, but they have no toleration for them. They re-gard them with the intensest disgust, and of the present favorites is sure of only desire to see the whole class swept from with Secretary Schofield, he will without the street below Ninth. gard them with the intensest disgust, and only desire to see the whole class swept from the skirts of Republicanism. There is a sub-lime foolishness in the minds and conduct of men who have looked to the Democratic party for the reform of any abuse. That party, even when it was an henorable and respectable one, grew so corrupt that the country repudiated it with an inexpressi-ble disgust. And the man who but after he rose from that sick bed would turn to it now, when it has on which Payne's dagger, gashing his throat, ceased to be commonly decent; when spilled his loyal blood, he forsook the payter and Sain Hate, Saeh Ribbons. ceased to be commonly decent; when spilled his loyal blood, he forsook the party it has stamped itself with every dishonor; of freedom, and, for the sake of office, clasped hands with the enemies of his country. and New Orleans; for sale by W M OPETIME. when it has descended to every low and de_ hands with the enemies of his country, and when it has descended to every low and degrading practice; when it has become almost grotesque in the magnitude of its openly practiced frauds; and would expect it to re-store anything that may be wanting in the group in the form of this country. Even now he does not display regret for his conduct, and when, only on asimply deficient in the ordinary powers of with the Republican party, he maligned that a CIDITY MASEA. ENDING WITH INDELINE TO A Store anything that more economy or purity, is aimply deficient in the ordinary powers of with the Republican party, he maligned that a CIDITY with East Saturday, he maligned that a circle of with the Republican party with bitterpass and untrut which when and some stores. Phila a circle with more economy or purity, is aimply deficient in the ordinary powers of with the Republican party, he maligned that the Republican party with bitterpass and untrut which when a circle with which east the store and the rest with which east the rest with the Republican party with bitterpass and untrut which when a store and the store and the store and the rest with which east the rest with the Republican party with bitterpass and untrut which when a store and the human intellect. The Democratic party is party with bitterness and untruth which sughuman intellect. The Democratic party is savage with hunger. Eight years of famine have been in its camps. In the last period of Andrew Johnson's term it has managed to snatch, here and there, a meagre supply of that public plunder which is its natural pabu-that public plunder which is its natural pabu-that public plunder which is its natural pabu-

It is sound in all its members. It is true in all its instincts. It is honest in all its pur-poses. When in 1860, in 1864, in 1868, the Republican party avowed the principle of strict coonomy in expenditure and strict in-tegrity in official administration is the principle of the method by the Pendletonians is a strict coonomy in expenditure and strict inhas arrived to make those pledges good.

THE DAILY EVENING BULLETIN---PHILADELPHIA, FRIDAY, NOVEMBER 6, 1868. vill cleanse it from its defilements, and place | Mr. Reverdy Johnson has found opportun e robbed.

corruption. It will be's grand spectacle for the sun rises. the whole world to look upon and admire, when President Grant, with his faithful Republican Congress, sets to work to remove

There is a grand future before the Republi-

any other man, and that acceptance of his In doing all this, the Republican party has advice is positively essential to success. His necessarily committed some faults. Its great attempt to enforce what he called his "policy," in direct opposition to the expressed will of the people whose servant he is, furnished disastrous evidence of his self-"conceit, for it nearly ruined the country. But he is not contented to control his own present Secretaries, and he inclines to the opinion that Mr. Seward and General Schohad not such fervent faith in his own influence and importance, we should believe that he disliked these two men, and desired to ruin their chances with the next administration. Andrew Johnson's praise is in the affairs of a great nation like this brings like Satan's blessing-it has the effect of a curse. The fact that he recommends a man the strict practices of official probity, economy and impartiality which are funda-mental principles of the Republican party. The corruptions of the Democratic party had reached a pitch in 1860 which contributed largely to the grand revolution of public senlargely to the grand revolution of public sen- compliment to him, than a stern and terrible timent which elected Abraham Lincoln. rebake to Andrew Johnson. It fixed the timent which elected Abraham Lincoln. Tebase to Lincow contents. It fixed the oc28 and p No. 239 Bourd Become street. That election was a protest against official seal of popular condemnation upon his extravagance and dishonesty, and the Presidential career, and General Grant was Republican party is solemnly bound by the chosen as the instrument by whom every por-

eight years, has gradually attracted to itself a these circumstances, this counsel could be HENRY PHILLIPPL swarm of camp-followers, who have lived regarded only as a premeditated impertinence; and are living by what they can pick up from but we believe Mr. Johnson actually conthe leakage of the public treasures, and from siders himself better capable of arranging the leakage of the public treasures, and from those arts and tricks by which clever and unscrupulous politicians of all parties are wont to fill their pockets. The masses of the Republican party have not only no sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with or participation in the doings of these are to be only a sympathy with the sympathy a sympathy with or participation in the doings of these are to be only a sympathy with or participation the sympathy are to be only a sympathy with or participation the sympathy with or participation the sympathy a sympathy with or participation the sympathy are to be only a sympathy with or participation the sympathy are to be only a sympathy and the sympathy are to be only and the sympathy are to be and the sympathy are to be only and the sympathy are to be and the sympathy are tonly and the sympathy are to be and the sympathy are to be
