SHOOTING ON ELECTION DAY-CORONER'S IN-QUEST .- This morning Coroner Daniels held an inquest on the body of William Morton, aged 19

inquest on the body of William Morton, aged 19 years, who died from the effects of a shot received at the election polls, at Sixth and Tasker streets, on the night of the October election.

James Smith, residing at No. 640 Sylvester street, testified—On the night of the 18th of October, about half-past six o'clock, I was in Pierce's bar-room, at Sixth and Tasker streets; as I came out of the Sixth street door, a man standing in the railway track fired a shot-gan and shot me in the right hand; don't know the man; another man shot me in the left arm; can't say who that man was; I went to the Tasker street door; I was shot in the right hip, and the ball is in there yot; I fell, and was carried into the back room; Morton was shot after I was; the parties who were shooting fired into the house; everything was

I fell, and was carried into the back room; Morton was shot after I was; the parties who were shooting fired into the house; everything was quiet there all day; there was no disturbance until this party came up after the polls closed.

Dr. E. B. Shapleigh, the Coroner's surgeon, testified—I made a post-mortem examination of the body of William Morton; I found two wounds in the left thigh directly opposite to each other, about 6 inches above the knee joint; seemed to have been caused by a gunshot. The anterior wound was nearly healed; the posterior was a sloughing wound two inches in diameter; about the latter were spots as if made by small shot; some shot of this character were found in the tissues. The ball had passed directly through the thigh, extensively comminuting the bone and lacerating the parts adjacent. There was a large bed sore upon the back. The deceased came to his death from exhaustion resulting from the wound I have described.

There being no other vitnesses present the case was adjourned until Monday morning.

The man died in a few mint'es after being removed into the store. The deceased is supposed to be Joseph Fisher, aged 25 years, residing on Dagan street, below Spruce. The Coroner took charge of the body.

"It affords me great pleasure to bear witness to the excellence of the Grover & Baker Family Sewing Machine. I have had one in my family for some two years, and from what I know of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction. The machine I have is one of the most elegant I have ever seen."—

TEN CENTS EXPENSES IN NINE YEARS.

"I have long thought that, in justice to the excellence of your Sewing Machine, it was my duty to inform you that, nine years since, I purchased one from your agent in this city, and that I have had it in constant use since that time, and, during the entire period, the expense, aside from a few needles, has been train orants to keep it in perfect repair. I give the above as evidence of the superiority of your machine over others, b cause I have used those made by other parties, but with little satisfaction,"—Letter from Mrs. M. B.
