John Beam and — Conner, alias Penny, the alleged proprietors of the house at the S. E. corner of Eleventh and Sansom streets, from which the assailants came at the time of the affair, have been arrested on the charge of keeping a disorderly house. They have been held to bail for a further hearing.

THE RED, MEN'S HALL .- A large meeting of Red Men was held yesterday for the purpose of making arrangements to pay off a balance of \$40,000 due for the erection of the new hall at Third and Brown streets. It was agreed to raise the amount by subscriptions among the members of the Order, to be made in the shape of a loan payable in three years.

RAID ON DISORDERLY BOYS,-The Seventeenth District Police made a raid yesterday upon several gangs of boys who were engaged in stone fighting, playing "shinny," &c. Twenty-six juvenites were captured. They were reprimanded by Ald. Bonsali and were discharged on ball to be the beauty of the process. to keep the peace.

STORE ROBBERY.-The dry goods store of Horn, King & Co , No. 421 Market street, was entered this morning through the grating in the front pavement. A door leading from the basement to the first floor was forced open with a limmy. Two packages of gloves, three please of cassimere and a gold ring were stolen.

FATAL RAILROAD ACCIDENT .- Mary Barnes, a resident of Tacony, was run over by a train of cars at White Hall, in the Twenty-third Ward, yesterday afternoon, about four o'clock. She was instantly killed.

SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC AND MANDRAKE PILLS WILL CUTE CONSUMPTION, LIVER COMPLAINT and DYSPEPSTA, if taken according to the directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver and put it to work; then the appetite becomes good; the sood digests and makes good blood; the patient begins

sood digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to care consumption. To these three medicines Dr. J. H. Schenck.of Philadelphia, owes his unrivaled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the innes, nature throws it off by an easy expectoration, for when the philegm or matter is ripe a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleans the stomach and liver; so that the Pulmonic Syrup and the food will make good blood.

good blood.

Schenck's Mandrake Pills act upon the liver, removing all obstractions, relax the ducts of the gall-bladder, the bile starts freely and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder, and start the secretion of the liver like Schenck's Mandrake Pills.

nothing has ever been invented except calomel (a deadly poison which is vory dangerous to use unless with great care), that will unlock the gall-bladder, and start the secretion of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seawed Tonic is a gentle stimulant and alterative, and the alkali in the seawed, which this preparation is made of, assists the stomach to throw out ine gastric juice to dissolve the food with the Palmonic Syrup, and it is made into good blood without termentation or couring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicines to stop the cough, to stop chills, to stop night-sweats, heckle fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck in his treatment does not try to stop a cough, night-sweate, chills or fever. Remove the cause and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Canker, Ulcerated Throat, unless the iver and stomach are made healthy.

If a person has consumption, of course the lungs in some way are diseased, either tubercles, abcesses, bronchal irritation, pleura adhesion, or the lungs are a mass of infammation and fast decaying. In such cases, what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and milver have lost their power to make blood out of food. Now, the only chance is to take Dr. Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood; then the patient begins to grow, the lungs commence to head up, and the patient gets is a sufficient, without the Pulmonic Syrup. Take the Mancrake Pills freely in all bilious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrapted health, was wasted away to
