Messrs. T. B. Peterson & Brothers have provided most abundantly this season for Holiday purchasers. Their stock of books seems to cover the whole range of holiday literature, from the handsemest standard works down to a fine assortment of the prettiest novelties in the juvenile department. An accident, resulting in the smash-up of a freight train, and the death of one man, occurred on Saturday evening at the "Gap" on the Pennsylvania Railroad, in Miffilm County. The freight train was running rapidly down a steep grade, when either a wheel or an axle of the car second in the rear of the locomotive, broke, and all the cars behind were thrown up and together, making a pyramidal shaped pile of nearly forty feet in height.—Strange to say all the employes on board escaped with but a few brulses, save one man named Carter, from Marietta, Pa., who received injuries about the back and head which resulted in his almost immediate decease. Carter leaves a wife and two children in Marietta.

The "fast line," which left Philadelphia at midnight on Saturday, was detained eight hours by the wreck, and did not reach this city until last night at half-past ten o'clock, having been some night at half-past ten o'clock, having been some twenty-two and a half hours on the way.
