9 .

everywhere else, he naterally gravitates to Noo York, ez there is more to steel, and more Noo York, ez there is more to steen and more facilities for steelin it there than in any other place in the world. Sam. Cox is in Noo York. Elsewhere to live onto the public requires some acootnis—some finanskiel shill here it is simply holdin persoosers

But ez I hed determined to go to Noo York and ez I must hev capital to go os, I hed conclooded to go to Washinton for a breef season, and embark into the pardon brokerin biznis. Jest ez I hed fully deter-mined conto this, in comes this Annesty Proc-lamsshen, and that idee wuz dished. In my wrath I cussed A. Johnson for knockin the last prop out from under me, and in my rage st prop out from under me, and in my rage wrote a most scathin letter, denouncia it, to not be suffered to exist. In reply to the frend uv mine who hez the ear uv His Eggalency. His answer in some measure cooled My anger, viz: WHITE HOUSE, (Wich is the Executive

my anger, viz: Whith House, (Wich is the Executive Manshub), WASHINGTON, Dec. 27.—My Ven-erable Friend:—Never wuz stricters more nnjust than them wich yoo hev. piled onto our mutual friend, A. Johnson. Ef you don't beleave it ask Mrs. Cobb. The fact is the pardon biznis, ez a biznis, was played out a yeer ago. Every Constooshnel Somhern man wich hed the cash about his person to procoor a pardon with, and wuz ambishus uv hevin that document about his, prokoored it long ago. Ef you don't believe it ask Mrs. Cobb. The biznis wuz a good one while it lasted, and then wuz when yoo shood hev struck in. It required \$300 to sekoor the services uv them wich hed the ear of His Eggslency, and ez ther wuz thouseands uv Constooshnel Union men which served under Lee and Boregard who wanted pardons that they mite run for Con-gris, hev Post Offics and sich, money come in wanted pardons that they mite run for Con-gris, hey Post Offics and sich money come in lively. Ef yoo don't beleeve it ask Mrs. Cobb., But this class wuz eggsausted long since, There wuz no more uv em over wich to eggetend Execootive mercy, the quality uv wich is not strained. Jeff Davis coodent be with the general decay so great, that the very wells on which the and the strained are srume wich is not strained. Jeff Davis coodent be askt for money for a pardon, nor cood auy uv them wich distinguished themselves in the late onpleasantnis. In sooth *they* woodent ask for a pardon. They felt that they had done no wrong—but on the contrary, that great wrong had bin done them. They were write to measure for the Enderpla imously forgive the Federals. but shood they ask to be forgiven ? . Uv ity." In freecose in Campo Santo are by Benozzo Gon-but shood they ask to be forgiven ? . Uv

course not. runnin uv the pardon biznis, hed every facil-ity given us. Ef yoo don't beleeve it ask Mrs. Cobb. So long ez there wuz a dollar to be squeezed all the joose there wuz in that parti-ardo's Gioconda, which contests the palm squeezed all the joose there wuz in that parti-keler lemon wat less cood His Eggslency do than to give away the dry peel? How gen-rous to extend mercy free gratis to them wich hedn't stamps to buy it with! Wat wuz the hedn't stamps to buy it with Wat wuz the yoose uv holdin the terrors uv the law over men uv whom nothin can be made? Ef there wuz apoth er man in the Confedracy who hed a dollar and who cared a soo markee about a pardon, that Proclamashen wood never hey bin ishood, pervidin A. Johnson ud different with a solution of the later and the later sitere of Shan who diver the later and the later between of the later are very curjous. Goya was one of the later hed a frend wich needed that dollar. Ef yoo painters of Spain, who flourished there before

despite his goin back onto the Dimoc- Italy, or as that of any hero of romance. We risy, by takin, first, a posishen in the Fedral have no objection to advertising the storearmy, and second, by takin the nominashen heeper who exposes these rarities.—Mason, uv President at the hands up the Republikia | 94 President street, Brooklyn. average of the door, with the onfeelin re-mark that when the Government wantid me

live in Washington, and Mrs. Perry likewise. \$1,200. Several others by minor artists re Mrs. Perry is penitent. From the fact that she wuz arrestid in the streets uv Neo York, I in comparison to those obtained during last concloud that she is tryin to reform and hez | year.

made progress. I can't say whether Randall and Welles The sculptures from Halicarnassus, which will go to Greenville, Tennessee, with His on their arrival in London, were deposited in Eggslency, or not. It wood be well ef they did. A. J. cood doubtlis git to be Mayor uv that village, and ez the Common Council wood immejetly be Republikin he cood amoose hisself vetoin their ordinances and hevin them passed over his head. It wood be sich a deliteful reminder uv his Presidenshel experience.

But don't come to Washington. All uv ther fare to Noo York. In consekence the Hotels are makin money, for while the paternage aint so large, wat does come is payin the bassi relievi and detached friezes, to ernage aint so large, wat does come is payin paternage. The guardian angel which stands at the door uv the dinin room at Willards' is now serene.: He hez lost that watchful, worried look wich characterized him uv old. His life glides smoothly along—it is not now a perpendent with hotel bummers Whose sumicks must be filled whether they shore stumicks must be filled, whether they have dollars or not, wich they never hev. There is less uv fire in the noses uv them wich yoo see at the holels, and the bars uv bedive me ask Mrs. Cobb. Farewell, Don't

Washington sooner! Behington sooner: PETROLEUM V. NABBY, P. M.,

And they did take it back, dividin it be tween theirselves. But ez T hed determined to go to Noo question as to the permanency of water color paining, we unhesitatingly answer: It is permanent, and that in the strictest sense of the term. I believe it to be pre-eminent in

TError on the part of the "other distinguished auth

We, and by we I mean them wich hed the The museum at Madrid, though isolated don't beleeve it ask Mrs. Cobb. I woulden't come to Washington—it ain't no yoose. My eggsperience hez bin the eggs-perience uv thousands. I went up to the headquarters uv General Grant, and intima-ted that I wood accept a posishen under him, te

mark that weet the Government watch me the Government wood go to any amount uv pains to find me. And I saw thousands uv Ablishnists treeted the same way. Mrs. Cobb hez made up her mind not to

temporary sheds erected for their reception outside the British Museum, are now in process of removal to the interior, and will be disposed of in the Egyptian, Elgin and Roman galleries. In the Roman gallery an addi-tional shelf has been provided for a number of ancient busts, and the walls are colored to a higher shade of red, adapted to give effect to the marbles. A statue of Hadrian, from But don't come to Washington. All uv the retainers uv His Eggslency are leavin the city, ez fast as they kin borrer money to pay ther fard to Noo Yerk. In consekence the ther fard to Noo Yerk. In consekence the have been arranged in the Egyptian Saloon

But there are some boys whose career I could almost prophesy from the time of my first making their acquaitance. Robert Goodboy, for instance. Master Bobby was one of those wonders seldom intrusted to the care of sceptical and inconsiderate dominies, The list of his perfections summed up to me by his mamma when she first brought him to I felt after readin this that I had done A. J. injustis. I must look elsewhere for means to get away from here. O why didn't I go to Washington sooner! time, and duly informed me of on vienting days. Nor, when I came to know the prodigy, did I find these perfections so imaginary as they are in the minds of most fond mammas. He was a painfully good boy. He never was idle or naughty; at least he never was found out. He always learned his lessons well, and got all the prizes. He never wasted his time in shonling, or sorambling, or wrestling. The the Columbus, Ga., Bun of December 31.] Wr. Davis made no disposition of some o the most valuable and important documents placed under his control. The writer of this with the other boys. He never wasted his time in shouling, or scrambling, or wrestling, with the other boys. He never wasted his time in shouling, or scrambling, or wrestling, with the other boys. He never wasted his the most valuable and important documents

prior to Christmas ez to how I wuz to raise capital anuff to go into the grosery biznis in Noo York, knowin, ez I did, that that alone wood save me from desitioshen and distress, nay more—from positive starvashen. When a Dimocratic politishin is played out (ez the vulgar term is in this part uv the heritage) everywhere else, he naterally gravitates to ART ITEMS. WATER COLOR.—The Albion notices the weak and knowing that their hearts are weak and heir passions strong. But I had no fear for his welfare. From his infancy, advance of water color art in favor among success in life had been the object held up by the knights of the brush in New York. It is his judicious father for him to aspire to, and other place in the world. Sam. Cox is in Noo York. Elsewhere to live onto the public requires some accornis—some financied skill—here it is simply holdin personsers wich make money into a vice, and squeezin uv em, for the benefit uv men wich don't per-ment were present. Now however, this new. wich make money mode, and therein and equation in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society has issued its circular annual exhibition in the society for cleanin strets, or inthe society of the society of suthin to that effeck, wat I don't know nor did he. All I hed to do wuz to git a sollis-sitor to make out a bill; my intossicated frend made his mark and swore to it; the treasurer paid it; all three uv us winkin at 'each other the while vociferously, and the amount wuz divided atween us. I lookt at my share, and thinkin a minnit, bust into tears. "Take it back!" sed I, "take it back Money earned so easy brings no good with it. I hey s pride in borrerin—show me a man who hez swore not to lend me and there's credit in gettin it out uv him, but this—it's Money learned so easy brings no good with it. I hey s pride in borrerin—show me a man who hez swore not to lend me and there's credit in gettin it out uv him, but this—it's Money learned so easy brings no good with it. I hey s pride in borrerin—show me a man who hez swore not to lend me and there's credit in gettin it out uv him, but this—it's too much like stealin. Take it back, dividin it be

A resolute straggle in favor of Helena will be made in the House. or neighbor will be made in the nonset. Sevenat: of the Michigan legislators have ar-rived at Lansing. The United States Senatorial question is the absorbing topic, and Mr. Chand-ler's chances for re-election are good. His rivals are Blair and Ferry. The cancus will probably be held to morrow night.

(From "A Book About Dominies," published by Boberts

Browner:Young Genetiemen.It is a fact that, about the age of fourteen,
sooner or later, many of my boys undergo a
fatal transformation. The external symptoms
are unmistakable, and the disease, when it
has once got a firm hold, is almost incurable.
First, they begin to neglect their boyish
sports, and lounge about the playground,
talking nonsense, or worse. No hockey, nor
"tig," alias "dabb," for our young gentlemen,
to crush their collars or dirty their boots.
They often, however, show great zeal for
cricket, fencing, or any other kind of smuse-
ment which gives them an excuse for invest-
ment which giv Young Schliemen. ment which gives them an excuse for invest-ing themselves in gorgeous flannel raiment. But more likely they devote themselves to playing on the piano. Then they take to waiking about the streets, got up waking shout the streets, got up in what they fondly conceive to be the first style of the fashion. They were gloves and carry canes. When appeared with a ring on his fuger with inscriptions, with magnificent hat the start about half a metre high, and we know that the great Mr. Toots only vontured to put his on the holiday for the case of the same start about half a metre high. The start at the great Mr. Toots only vontured to put his on the holiday are unblashingly thus adorned. I saw a boy of fourteen, to day, who were an enormous battered old ring, which had, apparently, being to his greater about of the boy for the same starts for the same starts of the same starts at the groups and the author of "Tom Brown" would the author of "Tom Brown" would the author of "Tom Brown" would say, we used to have a pair of cloth trousers for Sun days, our modern young gentlemen go to a spair of cloth trousers for Sun days, our modern young gentlemen go to a spair of cloth trousers for Sun days, our modern young gentlemen go to a spair of cloth trousers for Sun days, be whore a pair of cloth trousers for Sun days, the brows and the author of "Tom Brown" would says, our modern young gentlemen go to a spair of cloth trousers for Sun days, and the start and handles, on gold ground, with garands, &c., 49.54. Six feet ef vessels with inscriptions such as the summary would starter left in all enter, there are the and handles, on gold ground, with garands, &c., 49.54. Six feet ef vessels with inscriptions and conter of the bard at a far above the 3,000 thalers which a section of the starts the area at the reverse of minors, and the contained by and the section apper collars, with broad colored stripes. They begin to look with an envirous or the bard that area at the area of discover the starts area and handles, on gold ground, with days our modern would be the farmada to correct the start area the start at the proceed of disk with an envirous or the start at the proceed for the start at the stare the start at the star in what they fondly conceive to be ures of the small-bearded Bacchus. 2. A the first style of the fashion. They bill-shaped crater about half a metre high, eye upon their papa's jewelry, and regard a gold watch-chain as the sumnum bonum of They manifest great eagerness to go out life. They manifest great eagerness to go out to dancing parties, and profess to like the so-ciety of young ladies, before whom, how-ever, they are generally dumb. They make up for this silence, though, by talking about them behind their backs in a way that is very, ridicu-lous, and certainly not edifying. God forgive them! they often pretend to take a pride in foul thoughts and words, which it is to be hoped they scarcely understand. They make furtive attempts to smoke cirgars, whence arise unut-

running and climbing, and jumping, and who always looked happy and untidy. I rememalways looked happy and untidy. I remem-ber how certain circumstances led him to say to me, with boyish sincerity, "I hope I

INTER DATE AND MANDALESS DE PRESSAN AND A FILL PARTY OF THE PROPERTY AND A DEPARTY AND A DEPARTY AND A DEPARTY

the fashionable world. It was a hard strag. | gle between the belt and the ball, between the old boy and the new man, but I griave to say that Mrs. Grundy conquered: He gave up the belt and went to the ball; and I don't minent citizen to see the lions and lione Mayor by a majority of 780 in 1,416 votes. Four of the insurgents at Malage who fired upon a boat under the protection of the Ameri-can flag have been arrested and punished by the Spanish authorities. This Mexican Congress has ratified the treaties with the United States relating to the rights of claims of citizens of both countries. A YOUNG man named Chapman was, stabbed

sure troves, consisting of a large number of aliver vessels of splendid workmanship (three barrows full), has come to light near Hilde-SEVERAL: Of the Michigan lerihibits lave all rived at Lansing. The United States Senatorial question is the absorbing tople, and Mr. Chand-ler's chances for re-election are good. His rival are Blair and Ferry. The cancus will probably be held to-morrow night. Generate State States Prison and order dis-banding the "Public Guard," a company of about one hundred State Olders, which has been doing guard duty at the State Prison and public build-ings in Richmond. The commanding general is ellenity clearing the courts of officers disgualified under the fourteenth amendment, the removals not being furnished to the press. THE Presidents and Superintendents of all the roads in the existing trunk line between New not being furnished to the press. The Presidents and Superintendents of all the roads in the existing trank line between New York and Washington met in Baltimoro yester-day, the attendance being full and harmonions. A further agreement in consoliditing interests connected with through passenger operations was adopted, and new measures approved for further extending the accommodations of the route and completing new equipments. A plan of avoiding the use of horses for the through trains in Balti-more and other arrangements were agreed upon, by which the time of through trains is expected to be further reduced in the coming season. (From "A Book Abeut Dominite," published by Boberts Brows and Bok abeut Dominite," published by Boberts (From "A Book Abeut Dominite," published by Boberts Brows and between the inquirers on Brows and other arrangements were agreed upon, by which the time of through trains is expected to be further reduced in the coming season. (From "A Book Abeut Dominite," published by Boberts Brows and other arrangements of the provent further inquirers on Brows and other arrangements were agreed upon, by which the time of through trains is expected to be further reduced in the coming season. (From "A Book Abeut Dominite," published by Boberts Brows and the agreed upon, Brows and other arrangements area agreed upon, by which the time of through trains is expected and the bottom of a vase, reading to MALL BOOCL PHIL, HI, put the inquirers on Brows and the agreed upon, by and the bottom of a vase, reading to MALL BOOCL PHIL, HI, put the inquirers on Brows and the agreed upon, Brows and the part of the published by Boberts Brows and the published by Boberts estimated at far above the 3,000 thalers which had been the first guess. Everything points to a concealment of this table service in the Augustan age, but the details have yet to be ascertained. Meanwhile the excavations are carefully carried on.—Pall Mall Gazette.

Madame Bistori's "Sorie Antoinette" A correspondent of the London Telegraph writes from Florence: "I was present the other night at a most effective and sensational drama, entitled Marie Antoinette, in which the part of the proformate apong of Louis XVI was acted

they scarcely understand. They make furtive attempts to smoke cigars, whence arise unut-terable woes. They take wine now, when it is offered to them, and try hard to like it. They turn up their nose at bread and butter, and early dinners. They are made miserable by thinking that their jackets are too short, or by not being allowed to have stand-up col-lars. Poor creatures! Well were it for them if the author of Sartor Resartus could be brought to bear upon their benighted under-standing. This is the terrible disease which corrupts the healthy happiness of boyhood. It steals on silently and insidiously, often breaking out in boys whom you would never suspect of being affected. I remember a bright merry boy of thirteen, who gloried in noise and mud, running and climbing, and jumping, and who always looked happy and untidy. I remem-ber how certain circumstances led him to ted by Marat and Robespierre against the Sparse and Robespierre against the the sparse of the circumstances led hin to be our conserved from destruc-tion. Alast within a year the infection seized him enced as eight o'clock, ending at que in the moning, and a demonstration took place, but in a widely different form from the one ex-tice deven more dangerous symptoms. The malady has sometimes a sharp tuske, too post the first of same by the state of the torible tragedy, that it was a con-tions of boyhood. Long after the main body of the fortness is taken, some out-of-the-way corner of the boyish heart will continue to hold out against firse. Jung by this is no sign and tokens thered, delighted to wear a belt around his boild volaties of 'Mra. Grundy. I heard later to persuade him out of his habits, and pro-pounded unto him this dileman, that if the did not give up his belt he should not go to a hall, at which he hoped to make his debut in a wirdley diduce was use pais and the principal laily intends acting the tory because the original personages torise. I hear a state of baraces. His parent, and the actors per-timal state and state the main brite toring the sparse of and 'Evryit' when so powerlui in her parts of 'Santer's and 'Evryit' when so that horible 'tragedy, that it was a con-tinual weeping from - beginning to end, only the would stand by his sovereign, or of 'down the hear of the shoulds on the pate and delicate persuade him out of his habits, and pro-pounded unto him this dileman, that if the did not give up his belt he should not go to a hall, at which he hoped to make his debut in

naturalized cifizens, and for the settlement of claims of citizens of both countries. A rouno man named Chapman was stabbed and robbed of \$100 at the railway depot, in Fond du Lac. Wis., on Monday. The robber escaped on the train. This adjourned extra session of the Florida Legislature began on Monday. Yesterday the House organized, but the Senate is without a quorum. This minority report has been adopted in council in the Montans Legislature to remove the Territorial capital from Virginia City to Deer Lodge City. A resolute straggle in favor of Helena will be made in the House. Assets on January 1, 1868, \$2,603,740 09. .8400,000 0 .1,108,193 3 .1,184,546 9 INCOME FOR 1868, \$250,000 UNBETTLED CLAIMS.
