Such dividends may be taken in single, seasen, or coupon tickets, which are transferable. Regarding the success of the project there can be no doubt, as the building is intended for a public hall, to be pased for concerts, church fairs, feetivals, conventions, ag-ricultural exhibitions, etc. It is understood that numerous institutions of a similar character in various parts of the country have been quite remunerative, and it is contidently believed that this will not prove an exception.
