> BY TELEGRAPH. The Greek Troubles Sublime Porte Request Not Acceded To THE CONTINENTAL CONFERENCE

> It Will Open in Paris To-morrow

Hathe Atlantic Cable, 10 London, Jan. 8.—The request of the Sublime Porte for a postponement of the Conference on the Eastern question for a few days, in order that time might be gained for instructing the Turkish representative, has not been acceded to. and the sessions of the Conference will certainly open in Paris to-morrow. The Sultan has conequently been compelled to telegraph at length from Constantinople his instructions to Djmil Mohammed Pacha, the Turkish Ambassador at Paris. There is no ques tion that a part of these instructions are, if the discussions in the conference extend beyond the Sublime Porte's ultimatum to the Grecian Sovernment, that the Turkish representative shall immediately withdraw. The Turque, official paper at Constantinople in its issue of vesterday, says if the Turkish rer resentative withdraws from the conference, wa with Greece will be inevitable.
