EVENING BULLETIN.

Tuesday, January 12, 1869.

the public and the press are generally harmo- with the administrator. Notwithstanding this alous in approving of the ordinance for the distinct direction, the Coroner, on the rection of new city buildings on the South | following morning, delivered the property | side of Independence Square. For a wonder, over to the administrator or to Twitchell's partisan politics has not been suffered to in- counsel, and then the Commonwealth had to erfere with a candid and liberal considera go to them for permission to visit the tion of the question. This is partly because premises. These we believe to be the precise there is an absolute and undenlable necessity facts of the case. They relieve the counsel for the buildings, and partly because the gen | for Twitchell of the Commonwealth's charge | demen composing the Commission are not of "hot haste," while the responsibility of coliticians or jobbers. There is a general ad- preventing a fall search by the Commonmission, also, that Independence Square is wealth rests the more heavily upon the Corothe best site that is available, without heavy ner, since he appears to have acted with a cost to the city; the only other site talked of- | full knowledge of the condition of affairs, and that of the Penn Squares-being away from without any pressure of official responsithe business centre, and consisting also of bility,-that responsibility having been asfour small squares, neither one of which sumed by the District-Attorney. would accommodate such a spacious edifice | We still hold that the District-Attorney as the city requires.

templates, of course, the removal of the ugly committed. If his other duties prevented his sourt houses, the Mayor's office, the hall of personal attention to it, nothing was easier the American Philosophical Society and the than for him to have procured the services of row offices, leaving Independence Hall alone an expert detective, and to have made a comon the north side of the square. This sacred plete search of the house, before sundown on and venerable edifice will thus stand alone, as Monday. This duty ought to belong to the it did originally, and with a suitable enclosure police department, without any interposition and other surroundings, it may be preserved of the Commonwealth; but, with our clumsy and kept in order better than it can be now, arrangement of authorities, it does not seem now occupying parts of it will be accommo-ever succeed in getting, what we greatly need, dated in the new buildings. The removal of a first-rate murder-detective, we shall not the shabby structures that flank it on either | have the ends of justice jeoparded, as they side will make open and unobstructed ap- bave been in this case. And with the great proaches to the new edifice from Chestnut street, and as there will be no necessity for be, in these days, the sooner such an officer trees and grass plots, there may be a fine open space on the north front, affording opportunity for embellishments like those that adorn the "Places" that are found in front of all the great public edifices of Continental Europe.

will, doubtless, consider the propriety of vestigations of the frauds of the Democracy making the northern part at least as orna- at the late General Election. The respondmental as the southern one facing Walnut | ents certainly cannot complain that they have street, and there are a good many reasons for | been hurried in this matter, and now that the regarding the northern as the principal front. | hearing of the testimony has commenced. we The vast open space will be, for all the pur- | trust that none of those frivolous motions for poses of public demonstrations, finer than | further delay, so common in these cases, will anything of the kind to be found in any city be permitted. It will be greatly to the credit of America, if we except the City Hall Park of the Philadelphia bar if the counsel on both of New York, which is susceptible of great sides of this case, while vigilant in protecting Oity Hall in Boston, which is the noblest approach to those pettifogging devices which Inished municipal building in the country, are such certain signs of a bad case, and conhas but a small open space on its front, and duct this contest upon the fair and honorable this cannot be enlarged without extensive basis of a desire to arrive at a true, just and costly demolition in the streets adjoin- and legal conclusion. If the Demoing. But the Bostonians have made the most crats recently inducted into office of the small space they possess, adorning it | were fairly elected by the people, let them | K with statues and substantial ornamental enjoy the fruit of their victory. We have no Fateways.

phia are not for the public of this year or the | that the worst Republican government is betnext. Indeed, their benefits will be chiefly ter than the best Democratic one would befelt by future generations; for while there is and the present is very far from the best. ne desire for delay in their construction, it is But if, as we firmly believe, these offices are exnected that the work will go on with such | held by virtue of the most outrageous frauds, | deliberation as will insure solidity, and at the scame time distribute the cost to the tax-payers through a long series of years. Nor is there ary desire that any great expenditure should be made upon external sculptural ornamen-tation. Of course a great and growing city, bnilding an edifice for its government that is expected to endure for centuries, ought not to have it shabby or mean in appearance, any deliberation as will insure solidity, and at the scame time distribute the cost to the tax-payers through a long series of years. Nor is there be placed in their seats. Enough has already been developed in the case of the Mayoralty to show that a tew weeks will work a wide-spread demoralization of the police force. The guillotine is not yet have it shabby or mean in appearance, any be made upon external in appearance, any brilding an edifice for its government that is case of the Mayoralty to show that a tew weeks officers have already been displaced to make be placed to make the police force. The guillotine is not yet have it shabby or mean in appearance, any be made upon external in appearance, any case of the mayoralty to show that a tew weeks the police force. The guillotine is not yet have it shabby or mean in appearance, any be made upon external in appearance, any the police force to the tax of tax o deliberation as will insure solidity, and at the let the fact be legally established as rapidly have it shabby or mean in appearance, any officers have already been displaced to make have it shabby or mean in appearance, any officers have already been displaced to make N. B.-We have now on hand a large to Gentionen' to dentionen' to dention the very least that ean trades' and Misses' Gum Boots. Also, every variety an explanation of Gum Overcoats. or inconvenient in the interior. But a well- be said is that they are without experience, arce, is certainly expected from the labors of whom they have displaced; while, in some the Commission. To secure this, there ought cases, the new appointments have been insue proceedings of a superior quality, at the Old Fetal to be no undue haste, and especially should in deference to the wishes of Alderman is a superior quality, at the Old Fetal No. 5 North Front E. P. No. 5 North Front Brock Port has been have been insue of the superior quality at the Old Fetal No. 5 North Front Brock Port has been have been insue of the superior quality at the Old Fetal No. 5 North Front Brock Port has been have been insue of the superior quality at the Old Fetal Defendence in the superior quality at the Old Fetal time be given to allow architects to mature | McMullin, and, in others, Mayor Fox has and prepare good designs. A great public bailding is monumental in its character; and is ought to illustrate, in some way, the art of the age in which it is built. The abomina-most eminent administrative ability and of for city buildings in Philadelphia for genera. Roman power of resistance of the party presfor city buildings in Fhiladelphia for genera-tions, were got sp on the cheap and hurried system. They are not architectural and they are not monu-mental; they are happily soon to disappear, and the memory of them will only live in the rude wood-cut drawings that local annalists may preserve in scrap-books. But the new City Hall of Philadelphia, which is to be a the contestants of their offices, but entails a monument of the taste and liberality of greatly increased expense, and as dilatory the city in the latter half of the nice- action carnot change the final results, we teenth century, must be a work of de trust that is will be avoided and resisted to Eberate study in its planning, as it must ne- the attermost.

THE TWITCHELL CASE,

In discussing some of the features of the Twitchell case, we have commented upon pation of the premises by the accused and his the world. 'ver five million bottles were sol, in the live nonline, and phe demand is delity increasing. Rich and pays and oid, lades, physicians a nuclear first were find that it revives drooping spirits, leade strength to the system, view of the bolicest roots and herbs, mere rise compounded of the choicest roots and herbs, the cilebrated Calisara or Peruvian Batk, etc., all pre-able deakrs in every town, parish, village and hamlet brears North and South America, Europe and all the bands of the Ocean. Commonwealth's counsel was very explicit in WANTED TO RENT. monwealth was compelled to go to them for Adoress W., Post office Bex 1669, Philada., permission to search the house.

This was not precisely in accordance with This was not precisely in secondance what the facts of the case, which we have since as-certained were as follows: The murder oc-curred on Sunday night. During the three following days the premises were in charge BTECK & CO.'S AND HAINES BR.S'. Curred on Sunday night. During the three following days the premises were in charge following days the premises were in charge the the time in a construct and detree. of the Coroner. The District-Attorney was trying another homicide case and could not examine the house until Thursday, when a partial examination was made, resulting in the discovery of the bloody cuffs. Meantime, letters of administrator had applied to the Coroner for prosersion of the property. That of the Coroner. The District-Attorney was Coroner for possession of the property. That officer, however, was instructed by the District-Attorney not to surrender the premises, as he had not yet completed his examination. This was strongly urged by the District-HE PROPOSED CITY BUILDINGS. Attorney, who requested the Coroner to bring It is a fortunate thing for Philadelphia that the keys to him, in case of any difficulty

	mency market are very satisfactory. The banks continues proort heavy receipts of currency from the West, and this daily increase in the volume of money is	в
	producing an easier feeling in financial circles and a re- laxation in the arking rates of interest for all kinds of leans. The banks are now abandantly supplied with capital, which, they freely lean out on good	_
	capital, which they freely loan out on good ecentrity at legal rates of interest, but the domand has fallen off cumeld-rably to-day, and the indications of an approaching plethora towards the end of the week may, if verified, necessitate a still further decline in the rates of discount. But though legal tender is abundant	. Р
	may, if verme, necessitate a still furned decline in the rates of discount. But though legal tender is abundant, there is a manifest deficiency in the supply of fractional currency, which is creating considerable inconvenence among the retail dealers. This scarcity of small notes is due mainly to the expansion of butiness all over the country, and especially in the South, which has diffused this currency wary widely and	TE
	which has diffused this curreness your widely and

which shall be issued, when they are returned to the Treasury.

> Pennsylvania Legislature HARRISBURG, Jan. 12.

SENATE.-The Senate was called to order at 1 o'clock A. M., and after prayer, the Speaker an-nounced the Standing Committees. Mr. Connell presented a memorial from the Philadelphia Medical Society, asking permission to appoint an inspector of drugs; also, one from Et K. Price and others for a supplement to the acts re-lating to building and loan associations; also, one for the appointment of a translator of languages The following, bills in place were read: Mr. Fisher, one declaring that all spirits, dis tilled or rectified within the United States, all de n estic distilled spirits, are subject to all the in spection laws of this State. Also, one changing the time of holding elec-tions in this State from the spring to the second fueeday in October.

Also, one allowing any person in Lancaster City except Congressmen or Members of the Legis-lature to be Members of Council or School Direc

Also one incorporating the Lancaster County Iburshee, Trust and Safe Company. Mr. Errett, one providing that insurance com-panies created by the Courts of Common Pleas under the act of March 26, 1867, shall be char tered as first-class. They shall have such capital as may be determined by the court, not less than one hundred thousand dollars, and at least fit per cent. must be paid in before the certificate of incorporation shall be issued. Also, a joint resolution requesting Congress to pass an act amending the naturalization laws

so as to secure the purity of the ballot-box. Mr. McCandless, one supplementary to the militia law of 1864. This bill provides for a board of officers in the first division, to consist of the of officers in the first division, to consist of the commanding officers of the division, of the com-manders of brigades, regiments, battailons and unattached companies, who shall have entire con-trol of the military fund. It also provides for in-spections in May and November of each year,

and increases the number of staff officers. Mr. Connell, one incorporating the Supreme Council of the Sons and Daughters of America;

Agreed to. Mr. Duncan, a resolution declaring the membe Mr. Duncan, a resolution declaring the member from Lawrence county, Mr. Edwards, to be Cloplain of the House Agreed to. Mr. Kleckner, of Phila., offered the following : Whereas, Philadelphia has seven hundred and fifty thousand dollars worth of stock in the North Pennsylvania Railroad; and whereas, the low price of at which the stock of said road is selling and its heavy incomparates

road is selling and its heavy incumbrance exact and ought to receive from its officer The Eleventh Appnel Exhibition by Papile of La LEWIE'S G) MNANIUM, **Juesday, January 19.** Creating and Directors, whith a large party com-posed of their families and friends, male and posed of their families and friends.
