evidence of previous loyalty. He read some of the testimony given before the committee on the subject, and a letter from General Grant to Miss Murphy, saying that her loyalty had been clearly proved; that her claim seemed to him just, and that if any claims were to be allowed for damages done, or property taken by the army in the South, he would recommend that hers should be allowed, but adding that the whole question was to be determined by Congress.

Mr. Doolittle said that at the beginning of the debate upon this claim he was inclined to oppose all such claims in view of the great amount of money which their payment would involve, but the discussion had forced him to the conclusion. money which their payment would involve, but the discussion had forced him to the conclusion that Miss Murphy's claims, and all other similar ones, ought to be paid under well established principles of national law. He cited a passage from Vattel to the effect that a nation is bound to pay for property of its clitzens taken or destroyed by it deliberately in time of war, though not from loss resulting from inevitable necessity.

Beatty, Benjamin, Benton, Boles, Broomall, Buckland, Churchill, Delano, Ela, Farnaworth, Ferris, Fre.ch, Garfield, Harding, Higby, Jenckes, Keleey, Ketcham, Laflin, Maynard, McCarthy, McKie, Mercur, Moore, Moorhead, Morrell, Mullins, Newsham, Perham, Pike, Poland, Polsley, Pomeroy, Schenck, Shanks, Shellabarger, Stokes, Taffe, Trimble (Penn.) Upson, Ward, Welker. Whittemore—47.

On motion of Mr. Washburne (Ill.), the rules At 3.30 the Senate went into executive session, and soon afterward adjourned.

House.—By Mr. Heaton (N. C.), to repeal the act of July 4, 1864, affecting the Court of Claims, so as to give that court jurisdiction of claims for army supplies furnished by loval persons in the late rebel States, except in Virginia, Mississippi and Texas. To the Judiciary Committee d Texas. To the Judiciary Committee.
Similar bills were introduced by other members and was thereupon passed.

Mr. Ela moved to suspend the rules that he

from the reconstructed States.

Several bills were also introduced for the removal of civil and pointieal disabilities, and were referred to the Committee on Reconstruction.

By Mr. Corley (S. C.), in relation to the introduction of disloyal text-books into the public schools of the United Blates. To the Committee on Education.

By Mr. Whittemore (8. C.), for the use of common school purposes of the land scrip issued to the State of South Carolina. To the Committee on Public Lands.

Mr. Pomercy objected to the last part of the resolution, remarking that Wells, Fargo & Co. were actually losing money by their contract. Mr. Washburne (III.) hoped the House would adopt the resolution, and stop the payment of money to Wells, Fargo & Co.

The rules were not suspended—yeas 85, nays on Public Lands.

For the repeal of the act to protect the rights 54—not two-thirds.

Mr. Farnsworth asked consent to offer a resoof actual settlers on the public lands. To the Intion for a select committee to investigate the same Committee.

Relative to persons holding civil offices in the

Mr. Washburne (Ill.)—What is the use in inves registred to persons nothing even orders in the provisional governments of Virginia and Texas. It gating when the money is taken?

To the Committee on Reconstruction.

The the Committee on Reconstruction. o the Committee on Reconstruction. By Mr. Norris (Ala.), granting lands to the Eureka Mining and Transportation Company of labama. To the Committee on Public Lands. By Mr. Butler (Mass.), to aid in the adminisinvestigation my colleague wants.

Mr. Farnsworth—I want facts, not hearsay tration of justice in Virginia. To the Committee on Reconstruction.

The bill recites that a large majority of the judges of the State courts in Virginia are disquali
Mr. Boutwell, from the Judiciary Committee, med under the fourteenth article of the amendment to the Constitution: that the United States and courts in Virginia are discharged from the pun-ishment of criminals convicted of murder be-cause of the disqualification of such judges, and tives to Congress, which were ordered to be that great confusion is being caused thereby in the administration of justice, and in titles to real up for discussion and action in the course of a estate. It therefore provides for the suspension of judgment, and decrees until the question of the cases arising from such disqualification be determined in the Supreme Court of the United States, all causes before such Courts to be continued, and not further proceeded with until such decision is made.

up for discussion and action in the course of a week or ten days.

Section one of the proposed amendment to the Constitution provides that "the right of any citizen of the United States shall not be denied or abridged by the United States or any State, by reason of the race, color, or previous condition of slavery of any citizen or class of citizens of

which the gentleman wants.

Mr. Washburne—I understand what kind of

mittee Representatives in Congress, and Members of the State Legislature, by reason of race, color, dec. The second and third sections provide punishment for persons who interfere with the exercise of that privilege. The fourth section provides imprisonment at hard labor for two years for my person who holds office in violation of the finite section of the fourteenth article of the mendment to the Constitution, and subjects in im to indictment at any time within ten years. The fifth amendment gives to the Courts of the United States exclusive jurisdiction of all offences against the act.

The House, at half-past two, went into Committee of the Whole on the state of the Union bill.

The committee rose and reported the bill to the House.

Mr. Washburne moved to answard the rule so Mr. Washburne moved to suspend the rule so Mr. Washb House.

Mr. Washburne moved to suspend the rule, so that he might offer, as amendments to the bill, the sections struck out on points of order.

Mr. Banks moved to adjourn. Agreed to, and the House, at half-past four, adjourned.

\$41,721,959 97 \$3,755,830 66

Mr. Anthony said he could not recollect exactly the evidence upon which the committee had come to the conclusion that she had been loyal goring the war, but he had a very distinct recollection that her loyalty had been clearly shown.

Mr. Pomeroy read from the report of the committee had agreed to report a bill repealing the nurse of chice law.

Mr. Fowler nsked him whether there was a particle of evidence of her disloyalty except the statement of Humphrey, who, he had no doubt, could be shown to be a miserable scamp.

Splendid New Skating Rink,

NOTICE OFFICE BUCK MOUNTAIN COAL COMPANY, Splendid New Skating Rink,

Corner of Chestrut and Twenty-third Sts.,

have instructed us to offer a limited amount of the stock for sale in shares of One Hundred Dollars each. A large amount of money has been expended in the crecition of the building, which is 220 by 110 feet. The main hall is 65 feet high. It is confidently expected that the Rink will be ready for use on Christmas Day.

Each share of stock will be entitled to an advance dividend, payable yearly, of twenty per cent. (\$20) in tickets. Such dividends may be taken in single, season, or coupon tickets, which are transferable.

Regarding the success of the project there can be no doobt, as the building is intended for a public hall, to be used for concerts, church fairs, festivals, conventions, agricultural exhibitions, etc.

It is understood that numerous institutions of a similar character in various parts of the country have been quite remunerative, and it is confidently believed that this will not prove an exception.

Further particulars can be obtained at our office.

OIL BUN PETROLEUM COMPANY.—An adjourned meeting of the Stockholders of the Company will be held at the PHILADELPHIA EX. HANGE, on THURBDA. January 21st, 1889, at 12 o'clock, to vote on the question of the return to the Blockholders of the balance of the Working Fund (now about 230,000), in the hands of the Tressurer. All parties in favor of distributing the fund are invited to call, without delay, at No. 232 Chestnut street, to comfor with ja9 12 14 16 18 20 6th MANY STOCKHOLDERS.

February and present that a saiding may be addressed as some process. He was a street of the first and under the best masters, was subjected to the severest discipline, and pursued his studies | fills the sky, and there is much open space diligently—for he loved his art, and had a all around the barge-load of orient beauties.

Duke of Brunswick having made Blauken-burg am Harz his Residenz, the father, from bowered home; for kind friends had anticipated their return, and the villagers stood in crowds around the public fountain, on the the return of the trumpeter's family, and to wait for the Musik corps attached to the ca serne, for they, too, were coming to welcome home this wandering ministrel from the far with a fine brush, with the usual precautions.

country.

The shades of night gradually settled on old

Wax layer is melted off, and the electrotype Rath haus and church, by degrees shutting out of view the Brocken which reared its tall

Karl.

Karl Hohnstock, since his return to Germany, has not been idle with his pen; but he has not satisfied the expectations of his friends in this country, for they know him to possess a genius for composition, and, besides, he is trammeted by no narrow views of art, for he has a progressive and comprehensive mind. Should these remarks perchance ever meet his eve. may they stimulate him to meet his eye, may they stimulate him to by no means indifferent to American talent. Those who are familiar with Miss Anna and Mr. Edwin Forrest are the only two of Brewster's charming art-story, "Compensa- our successful actors who evince much ap-

tion," will recognize Karl as the original of preciation of the works of their sister proone of the interesting characters portrayed fession.—Herald. ART ITEMS. GEROME'S LAST PICTURE. An artist friend,

just from Paris, describes with enthusiasm a painting which Gérôme, author of the "Death | SECOND-STORY FRONT ROOM a few years younger than her brother. When Karl Hohnstock left Europe, the highest expectations were formed of his future—botta as violinist and composer. He had been trained an airing on the Board and the Sultan,—taking an airing on the Board at the botta and composer. an airing on the Bosphorus. A brilliant sunset

returns again in a fortissimo which calls out the whole resources of the orchestra. The national hymn is introduced, pure and simple, but with a novel and surprising effect; for it is boldly proclaimed, in the spirit of the heralds of the olden time, by a quartet of horns, which send it forth from their brazen throats in broad, bold, deflant tones that pierce the ear and assert their right to be heard. This was a most happy thought for the young maestro. A sonorous tittle, adand exprising effective and other productions of the production of

Philharmonic Society, by whom it has frequently been performed. When in Sharleston, Adele revealed symptoms of pulmonary disease, which greatly alarmed her friends, and Dr. Albert Fricke, of Philadelphia, wrote for her to be sent immediately to his house, where the valiable assistance of Dr. Samuel Jackson was procured. A mother's kind care and the physician's kill freshord her to comparative health, and she survived several years. She died in the land on the strain of the properties marble monument to admire its grace; and, should he stoop to turn aside the tail grass, he will find the properties and will be broken lying to the fatherland was and well polished plate of coping ing to the fatherland was that they must leave Adele in the land of the stranger.

In July, 1860, the mother and drother returned, much to the joy of the old father, who had not seen them for twelve years.

The Duke of Brunswick having made Blanken-burg am Harz his Residenz, the father, from his official position, was required to live.

To Philadelphia and will be sent the properties of the properties and the properties of the properties and the properties required in the properties required

when dry, is carefully levelled and smoothed off. The surface is then sensitized, and a photograph made of the figure to be reproduced. The dark lines or points are then to be taken out with an etching tool down to the plackened copper, until the entire pattern is seen in black on a white ground. The surface is then coated with finely-pulverized plumbago; and the excess brushed off, after which the plate is suspen did in an acidulated solution of sulphate of the pattern of the pattern is supposed by the pattern is seen in black on a white ground. The surface is then coated with finely-pulverized plumbago; and the excess brushed off, after which the plate is suspen the pattern of sulphate of the pattern his official position, was required to live there. Well does the writer remember the happy scene and the warm welcome as the party first reached the flower-bedecked and f ded in an acidulated solution of sulphate o copper, connected with a battery, and metal-lic copper of suitable thickness is deposited lic copper of suitable thickness is deposited on the engraved pattern. Should the engraving be very open anywhere, the resinous coating is thickened by applying melted wax with a fine brush, with the usual precautions.
