THE CHICKERING PIANOS RECEIVED the highest award at the Paris Exposition, Trinon's Warerooms, 914 Chestnut street. se21,tf EVENING BULLETIN.

Friday, January 15, 1869. It is by no means certain, as yet, how the THE MEIROPOLITAN POLICE BILL fire at Ninth and Chestnut streets originated. There is a general demand for a reform of The theory of burgiars appears to be disposed our police system, and well there may be. of, by the condition of the safes, and the ab- property. The best police organizations of America are sence of all indications of the presence of vastly inferior to those of Europe, while that thieves about the premises. The theory of of Philadelphia, the second city of the Union, a boiler explosion remains to be tested by an is much behind that of Boston or New York. The people, irrespective of party differences. be independent of politics, permanent in its never been known to explode destructively organization, drilled, trained and instructed m its special business, and not, as it is now, the mere ephemeral adjunct of each new administration, without stability or efficiency, simply because it is without that experience run. While investigation may prove that TIENRY PHILLIPPI. which comes from permanence of employthis terrible disaster was caused by one of those mysterious eccentricities of

The business of a police officer is as much The business of a police officer is as much a business as that of a blacksmith or a carpenter. It is to be learned, to be acquired by time and practice, and it will never time and practice. be good for much until it is so regarded. The police of Philadelphia is about as good as it can be under the existing system. It will be made no better under Mr.

Total that the stand, not to steam, but to gas. The first effect of a steam explosion is to extinguish, rather than to create flame; and where a system. It will be made no better under Mr. be good for much until it is system. It will be made no better under Mr. Fox, nor would it be essentially improved even under the rigorous rule of General Tyndale. Hence the demand for a total change of the system itself. And that total change

The proposed bill, however excellent in its design, is extremely faulty in its fundamental principle and in its details. We want a Metropolitan Police, but we want it established upon such principles as will make the retorm radical, and its practical working a success. We cannot see how these eads are to be secured by the bill now before the Legislature.

Escaping clerks, and from these two facts there is certainly good reason to believe that the destructive agent was gas, and not steam at all. Fire-Marshal Blackburn will undoubtedly be able to solve the mystery in due time. We refer to it now because the community has adopted the boiler theory without ascertaining the facts of the case. It will be time enough to determine that the Harrison are significantly of sizes, for sizes, for sizes, for of TRUENIN AND TAILORS'GEESE OF BOTH H. ATTERS'IRONS AND TAILORS'GEESE OF BOTH H. become a member of this Looge at their next meeting.

First came two bands of musicians, their instruments draped in mourning, and playing a funeral march; next four staff officers in uniform and mounted; then a regiment of infantry with arms reversed; then artifiery, with cannons and caissons draped; then the cavalry, then the Masons, then carriages, in one of which was General Buchanan and officers; ministers and Masonic officers. Next came the hearse in which the deceased was borne in an elegant coffin, the top of

officers. Next came the hearse in which the deceased was borne in an elegant coffin, the top of the hearse being overlaid with a United States flag, and behind was led a favorite black horse of the deceased, the vacant saddle painfully suggesting the absence of the noble rider. Then followed carriages, containing some of the family, relatives and special friends of the deceased, some of his staff and other officers of the Department, and other various United States, State and city officials, including the Governor of the State, United States Collector Fuller, exCollector Steedman, the Mayor and members of of the State, United States Collector Fuller, ex-Collector Steedman, the Mayor and members of the City Council, and numerous ladies. Then followed on foot a large representation of the Hancock Club, joined with delegations of the Rousseau Guards and Constitution Club. And lastly, a large number of private carriages, filled principally with civillans and ladies. The New Orleans Picayans of January 8 gives be following particulars of the death of General 2018 at two O'clock yesterday his physicians have expressed the opinion that he could need to be a feature in transactions of the manual transac

"Between two and three o'clock in the afternous Ben. Roussean lay in a stupor, from which
he revived a little, and exhibited symptoms which
were construed favorably. During the evening,
however, it was the opinion of the physicians
that he could not survive the right. The members of his family and numerous friends and acquoin lances were assiduous in their strentions to
the suffering gentleman. At ten o'clock last night
Grn. Roussean's condition had not improved, and
all hope had fied.

Gen. Royssean's condition had not improved, and all hope had fied.

"At eleven o'clock, last night, while the physicisms were holding a consultation at the residence of Dr. Stone, near by. General Roussean passed quietly away. The slight hope which his condition at five o'clock had excited, was distipated by the relapse, which took place at eight o'clock. There were present in the room at the time of the General's demise his wife and children and immediate relatives, besides Colonel Keeler and Captain Stirling, of his personal etail—Major Russell, who had also been present, having left to summon a relative of the family.

"General Steedman, who had been sent for, arrived at six o'clock, but being met by a cheerful message from General Rousseau," I sent for you, believing I was dying, but I believe I am going to live." he left, and was not present at the death-bed. The last word which General Roussean to live. he left, and was not present at the death-bed. The last word which General Rousseau uttered was to ask for his son George, who was present in the room. He retained his conscious-ness until he expired.

"He was perfectly well on Monday morning, and remained at headquarters until late in the afternoon, when he took his usual ride on horse-back. Late Monday night he was taken so sud-dentwill that a physician living near by was sent

back.: Late Monday night he was taken so sud-denly ill that a physician light near by was sent tor. On Tucsday, Dr. Stone was called in, together with the General's nephew, Dr. Brod-dus—all three of the physicians remaining almost The sales to-day will reach 20,000 bales. The sales for the week have been 156,000 bales. 20. OUTRAGE IN LOUISIANA.

FEIDAY, January 15.—There is no new feature in the is a moderate demand for money, but the banks are so well supplied with loanable funds that no difficult

well supplied with losmable funds that no difficulty exists in effectinglioans on fair security. Though there is evidently a withdrawal of large amounts of currency from circulation, it is abundant for all business purposes, and in consequence of a less active demand to-day, is obtainable as a slight decline on yesterday's quotationa. Had it not been for the comparative stringency caused by the Wall street oper-tors in fancy stocks, in the early part of this week money would have been unusually plentiful and cheap, but the recent movements of the "riag" have put a check upon the steady progress of the money market towards a condition of perfect ease, and the superabundance of currency which was a failed to experimentally the rates of discount. There is a considerable amount of currency finding its way bouth for purposes of permanent investment is cotton, lands and plantation's e.c., but the market is amply supplied and the prospects for good mercantile paper on the street, at rates ranging from 7612 per cut, for best names. Call loans on Government collaterals are negotiated at 6627 per cent, with a fair demand, and at 768 per cent on this cellaneous security. Marais street, to Christ (Episcopal) Church, on Canal street, where the imposing funeral tites of the Church were pronounced in the most touching manner by the Rt. Rev. Bishop Wilmer, 'the following gentlemen constituting the pall-bearers:

Generals of the Regular Army: Hatch, Mower, Beck with, Babcock and Porter, (of Gen. Grant's staff) Tompkins and McClure.

G. neral officers of Volunteers: Herron, Steedman, Lee, McMillau, Bussy and Garney.

Philadelphia Produce Market.

Philadelphia Frounce Males of Clover at 86; Timethy at \$3.25; and Flaxaced at \$3.62. There is no improvement to record in the Breadstuff market, and the transactions of all descriptions are of an extrinely limited character. There is no shipping de-mand for Flour; no disposit ion on the part of the home trade exizemely limited character. Incre is no suppose mand for flour no disposition on the part of the home trade to pirchase beyond present exigencies. Small sales of appearent at 856,85 25 per barrel; extra at 856,85 50; 400 barrels Iowa and Wisconsin extra family at \$7 35,887 75; small Jois of Minnesota do. do. at \$7.508,35; for small Jois of Minnesota do. do. at \$7.508,35; for manylvania do. do. at \$8.508,35 50; Ohio do. do. at \$8.631,50—10; for figure for choice, and funcy lot at \$110,13. Hye Fiour ranges from \$7.50 to \$8. In Corn Meal nothing doing. Wheat is dull and drooping; sales of fair and good Red at \$1 80 per hushel; Amber at \$2 33@\$2 38; and White at \$2 20@\$2 40. Rye is in small supply and commands \$1 50@\$1 22. Corn is not so abundant and is quiet at yesterday's quotations. Sales of 5,000 bushels new vollow at \$7(\$90. Oats were unchanged and ranged from 72@76 for .western, and 50@70 for Pennsylvania Whisky is dull, and may be quoted at \$1 01@1 03, tay paid.

"At two o'clock yesterday his physicians having expressed the opinion that he could not survive, General Rousescau took formal leave of his family, and the members of his personal staff were sent for to receive his farewell. General Rousescau's request, to his bedside.

Interest is ceasing to he be feature in transactions a states concerding to the payment of the legal rate. THIRD EDITION. FIFTH BY TELEGRAPH. The New York Election Frauds.

Chicago has been the largest serfer, but, Cincinnati, now appears on the list, the offic of exchange having turned in favor of New York as against the central region of the Chick of which Cincinnati is the meticopolia. While the direct to the fouth is on a much diminished seale, the nerobants and business wen, exercitly have made few ingagements and are, therefore, not saking for funds. The only demand of any importance is from the steek house, who are "corrying", extensively for their custoomers. Commerci, looping of apper is more active. Four and five months' acceptances are the favorite! for the reason that house, who are "corrying" extensively for their custoomers. Commerci, looping of a deciline in the ine restrate! A continued, each ne in the money mask of would probably seek this rate down to five or four per cent, as it did list fall. Prime down to five or four per cent as it did list fall. Prime down to five or four per cent, discount. A concession from these ugure in make the fall for mentits to run is quoted at from pince per cent, per annum to two and a half per cent, per cent, per annum to two and a half per cent, per months. The gold make the waste of the fall when the work of the sake when however, so every ease, bringle name, paper, is, irregular saft whence there was a relapse to 1824. From this point the figure west up to 1824; Various has an assaying of or the guestion before the far four fall primers, prominent among the Conference. There is also said to be a gold clique with hull' special the priminers of exchanges and Gen. Hulter's bill were also clied as causes of the figure when the more critical aspect of the question before the far fall, and the work of the great of the figure west up to 1824; I have been shipped to Europe—a step conducing to lower exchange and consequence that the development were steady for the general list, with a strong market. The "hears" have been worsted in their attack after assailing the market. Have no exclusion the correspondent were steady for the general l Congress assembled to-day. Washington, Jan. 15.

House,—Mr. Dawes (Mass.), from the Committee on Elections, reported in the case of the representation from the Sixth Congressional District of Georgia, that John H. Christie, having voluntarily given aid to the rebellion, is not entitled to a seat as a Representative; that the contestant, John A. Winship, is not entitled to it, because he did not receive a majority of votes cast, and that the Committee on Elections be discharged from the further consideration of the question of removing political disabilities from John H. Christie, and that it be referred to the Committee on Reconstruction.
