THE LATEST, MOST BEAUTIFUL AND PERMA nent method of coloring Photographs, termed nent method of coloring Photographs, termod IVURTYPES. The grastest advantage of the Ivorytype over every other method is the durability, being inpervious to water or air. The paper being propared and compated on plate glass, the colors cannot possibly fade, and have all the besuity and appearance of the functivory painting. They can be either taken from Life. Dagaerrotypes of Ambro-types. When not taken from life, it is necessary to give the color of the cyc, hair, and general complexion. Exe-cuted in the very best stiple of arc. JAMES W.
