The health of Gov. Geary is improving but he is not yet able to attend to business.

Havana, Van. 25.—A meeting of the commanders of the volunteer forces in this cly was held to-day, Gep. Dulco was present, and deplored the recent occurrences. It was resolved that all volunteers, excepting those on guard, shall here after remain at their homes, and only come out when a signal of twelve guns is fired, or at the command of their chief officers, until the arrival of additional troops from Spain. Sallors from the Spanish men-of-war in the harbor are to perform patrol duty, and they are now patrolling the streets outside the walls.

Business has been suspended since the comment of the disturbances with the volunteers, but the people are now greatly relieved, and the feeling of security is growing stronger, as the sallors are well disciplined, sober, and faithful, and perform their dutes to the satisfaction of all. The city is not perfectly quiet.

The Judiciary Committee of the Sometors.

The Judiciary Committee of the Sometors.

The Joshus Hill be not admitted as a Sometor tor from Georgia. Accompanying the resolution is a lengthy written report reviewing the events in Georgia, political and otherwise, from the date of Gen. Meade's proclamation declaring the adoption of the Constitution by to the present time. In considering the matter the committee says:

The case of Mr. Hill depeads upon three considerations:

First—Did the Legislature of Georgia, regularly organized in accordance with the Constitution. C. F. BETTS, Secretary. R. M. GIRVIN, M. D.,

JOSEPH F. KOERPER, M. D., C. STUART PATTLESON.) Counsel. tion of the Constitution with the Constitution of the Duted States and the Constitution of the United States and the Constitution of the United States and the Constitution of the United States and the Constitution of Georgia, expression to the Circuit of Michigan.

No. 37. The St. Paul and Pacific Railroad Company, plantiff in error, viz. R. Scatteracior, in the Circuit Court in this example.

No. 37. The St. Paul and Pacific Railroad Company, plantiff in error, viz. R. Scatteracior, in the Circuit Court of the United States of Court of the United States of State in a condition until to be represented in Courters?

The case of surpration and outrage as to place the State in a condition of the fourteenth amendment of a civil government has been established in that State which Congress ought to recognize?

These questions must be answered by the law and the facts.

The questions must be answered by the law and the facts.

The committee then proceeds to quote the protection of the Court, affirming the decree of the said of Court, affirming the decree of the said of Court of the United States for the Easter of the States of the Court of the Court of the United States for the Easter of the States of the Court of the United States for the Easter of the State of the Court of the Court of the Court of the United States for the Easter of the State of the Court of Court of the Court of the Court of the Court of the Court of RICHARD LUDLOW. This Company issues Policies of Life Insurance upon all the various plans that have been proved by the experience of European and American Companies to be safe, sound and reliable, at rates as LOW and UPON TERMS AS FAVORABLE as those of any Company of equal and UPON TERMS AS FAVORABLE as those of any Company of equal Philadelphia Bank State The following is the weekly statement of the Philadelphia Banka, made up on Manday afternoon, which presents the following aggregates:

Capital Stock. \$16,017 150

Loans and Discounts. \$2,317,018 207.900 00 murder, from January 15, 1868, to November 1, 1868, and for all those outrages there had been no legal redress, and the civil government has Real Estate
Bills Receivable for Insurances
made.

Stock and Scrip of sundry Corporations, \$3,165 00. Estimated

value.

Cash in Bank. \$116,150 08

Cash in Drawer. 413 65 38,000 evinced its total inadequacy or its total unwillingness to protect impartially the rights of all the cluzens; and under all the cluzenstances the committee have come to the conclusion that Georgia is not entitled to representation in Con-Georgia is not entitled to representation in Congress.

Mr. Hendricks, the Democratic member of the committee, stated that he would give his views in opposition when the subject came before the Senate, having been provented by illness from preparing a minority report.

The Chairman of the committee, Mr. Trumbull, submitted a minority report, which is also very voluminous. He quotes from the official proceedings in Georgia, the letters of, General Meade and the orders of General Grant on the question of the eligibility of members of the Legislature, maintaining that Georgia was reconstructed according to the prescribed forms. He also quotes the act of January 26, 1868, declaring Georgia and asserts that it is not competent for the Senate now to exclude the representatives of Georgia. The Congress was concerted on this very point, the President holding that each House must decide for itself as to the admittance of its own 1,818 00 116,563 78 81,647,367,80 J. Hand.

" 25...52,837,015 411,887 10,593,914 83,617,729 Congress was concerted on this very point, the President holding that each House must decide for itself as to the admittance of its own members, and Congress holding that the two Houses conjointly must pass upon the question of representation, and Congress had reiterated this position. Congress having declared that Georgia is entitled to admission, it is not competent for either House to refuse admission to the regularly accredited Representatives of that State. The Senate has no right to revise the action of Congress. As to the charge that the Fourteenth Amendment was not ratified in good faith, it is not sustained by a particle of evidence. The following are appended to the majority report:

I concur in the conclusion of the report that Mr. Hill ought not to be admitted, and agree that Mr. Hill ought not to be admitted, and agree that Mr. Hill ought not to be admitted, and agree that HENRY BALL, Ass't Secretary.

PIRES INSURANCE EXCLUSIVELY.—THE PENNInsurance insurance Company—Incorporated 1826

Charter Perpetual—No. 510 Walnut street, opposite independence Square.

This company, favorably known to the community for
over forty years continues to insure against loss or damage by fire on Public or Private Buildings, either permanently or for a limited time.—Also, on Rurniture, Stocks
of Goede and Merchandise generally, on liberal terms.

COTTON BATTING
OTTON was one of those from which the volunteers were fired at.
At 9 o'clock on the same night, in the vicinity At 9 o'clock on the same night, in the vicinity of the Louvre Coffee house, and Tacon Theatre opposite, shots were fired at some volunteers who were passing through the street. The lower hall of the Louvre was crowded with people, who were utterly ignorant of what was going on outside or on the upper floors of the building. The detachment of volunteers halted, faced the Louvre, and fired upon the guests indiscriminately, with fatal results.

Several Spanish gentlemen, government omployes and officers of the army were killed. Two German merchants, Messrs. Rochling and Lappenberg, and many other persons were dauger. FIRE ASSOCIATION OF PHILADEL FIRE ASSOCIATION OF PHILADEL

DIBEASES OF THE CHEST.

BYRUP OF HYPOPHOSPHITE OF LIME.

GERMAULT &CO., CHEMESTS, PARES.

A syrup componeded with this new: sait has been in the form of the control of the OPAL DENTALLINA.—A SUPERIOR ARTICLE FOR The cleaning the Teeth, destroying animalcula, which interest them, giving tone to the gume, and leaving a feeling feet them, giving tone to the gume, and leaving a feeling of fragrance and perfect cleanliness in the mouth. It may be used daily, and will be found to strengthen weak and bleeding gume, while the aroma and deteriveness will recommend it to every one. Being composed with the assistance of the Dentist, Physicians and Micracopist, its is confidently offered as a reliable substitute for the uncertain washes formerly in vogue.

Eminent Dentists, acquainted with the constituents of the Dentalling, advocate its use; it contains nothing to prevent its directarianed employment. Made only by
