hams J.:

This is a rule for judgment for want of a sufficient affidavit of defence. The suit is on a fortested recognizance of ball in error in the sum of \$500. The plaintiff has filed a statement of the items of his claim, amounting to \$760 87, and he sake that judgment be entered against the defendant for the amount of the penalty of the recognizance. The affidavit for defence raises two creations. Jean Marie Farina. No. 4 PLACE JULIERS.

name as in the present action?

ent recognizance, different in date, amount and tone of its condition. Though the plaintiff seeks tone of its condition. Laurent are plantal to recover in his action on that recognizance a part on all the items of claim sought to be recovered in the sait upon the recognizance in this case, it does not follow that the cause of this case, it does not follow that the cause of action is the same. A party holding two or more securities for the same debt may sue upon all of them at the same time, though he will not be permitted to have but one satisfaction. The plaintiff, then, is entitled to maintain this action, not withstanding the pendency of the suit in the Common Pieas. But there is more of substance in the objection that the plaining is only entitled to recover the amount of the judgment affirmed by the Supreme Court, with interest and costs. the condition of the recognizance is these words: That the plaintiff in

error prosecute his writ of error with effect, and if indement be affirmed or the writ of error be discontinued or nonprosed, that he pay the debt, damages and costs adjudged or accruing upon such judgment, and all other damages and costs that may be awarded upon such writ of and costs that may be awarded upon such writ of error, or else we (the sureties) will do it for him. This is the whole engagement and stipulation of the recognizors. If, therefore, the plaintiff in error fall to prosecute his writ of error with effect, and to pay the debt, damages and costs adjudged or accruing upon the judgment, and all other damages and costs that may be awarded again and work writ of error, the apparies are bound. apon such writ of error, the sureties are bound

FROM WASHINGTON

in the caucus last night.

The Senatorial Caucus.

[Special Despatch to the Phila Evening Bulletin.]

Washington, Jan. 27.—In the caucus of Republican Senators yesterday, the only Republican present who refused to be bound by its action was Fowler, of Tennessee, who left the cancus, manifesting considerable disgust. Several other Senators were called away from the caucus, but did not leave voluntarily, and hence will stand by its action. It is accertained that had all the Senators been present, the vote against confirming any more appointments would have stood about 30 fo 12. The twilve who voted nay were these who were anxious to have Cummings and Smythe confirmed.

The latinois Legislature,

The Rogers' Murder Case.

Fortieth Congress... Third Session.

Pomeroy and Edmunda presented memorials for woman suffrage, which were referred to the Committee on the Judiciary.

Mr. Howe—to the great amusement of the Senatore—presented a memorial, praying for the appointment of one sble phrenologist to examine all candidates for internal revenue appointments, to see whether benevolence, conscientionsness, the see whether benevolence, conscientionsness, the seed of the

Choctaw and Chickasaw Indians to become citizens of the United States. Referred to the Committee on the Judiciary.

Mr. Potter introduced a bill to renew the grant of land for the construction of a railroad from the sense. The wife deserted the husband after fifteen years of married life. of land for the construction of a railroad from Selma to Gadeden, Alabama. Referred.

Mr. Henderson moved to take up the bill for the relief of Commander John L. Davis of the widow with five children, and ived with her widow with five children, and ived with her self-construction.

navy, and it was taken up and passed.

The Senate, by a vote of 32 to 26, took up Mr.
Sherman's financial bill, and he proceeded to adto her, he treated her children badly, wished them Sherman's financial bill, and he proceeded to address the Scnate in a long argument advocating it.

House, Mr. Butler (Mass.) asked leave to offer a resolution calling on the Secretary of the Treasury for information as to the effects of the Treasury for information as to the effects of the United States with Canada and the other British American provinces, and as to the present condition of such provinces, the relations between them, and the state of the American and British fisheries in the Gulf of St. Lawrence.

Mr. McCarthy objected.

The House then resumed the consideration of process of the Gulf of St. Lawrence.

Mr. Lynch's bill to provide for resumption of specie payments. pecie payments.

THE KNIGHTS TEMPLAR BALL

The St. Thomas Purchase.

Special Despatch to the Pana. Evening Statetia.

Washington, Jan. 27.—The interview of Gen.
Basslaff with the Committee on Foreign Belations, concerning the St. Thomas purchase, took partite the Republican Senators to attend the enems. Another meeting has been appointed for Thursday morning.

The publication of part of the documents relative to the St. Thomas purchase has caused considerable comment and excitement in political circles. The opposition shown by the great European powers to the St. Thomas purchase is firely commented upon: It is said also in well informed circles that the British legation here oppose bitterly the confirmation of the treaty.

the Rogers' murder case resumed its session the morning, in the Chamber of the Board of Assis ant Aldermen, which was crowded with spectators. Robert C. Hutchings, Assistant District
Attorney, represented the people. The prisoner
was also represented by counsel. After the examination of one of the Logan brothers and another witness, the inquest adjourned in order to
procure the testimony of an important witness,
at present a prisoner on Blackwell's Island.

amination of one of the logan brothers and another witness, the inquest adjourned in order to procure the testimony of an important witness, at present a prisoner on Blackwell's Island.

Pherman's Financial Hill.

(Special Derpatch to the Philadelphia Evening Bulletin.) Pacific Railway bill fared badly. A motion by Mr. Sherman to postpone it and take up his financial bill was carried by 32 to 26. Mr. Sherman then took the floor to advocate his measure.

Indians Allowed Citizenship.**

(Special Derpatch to the Philadelphia Evening Bulletia.) Washington, Jan. 27.—In the Senate little of importance occurred. Senator Hendricks introduced a bill to allow the Cherokees and other interesting in the Committee on Retrenchment and Reform to examine into the manner of conducting business in the public departments of the State, as such acts were conducted by the Committee on Retrenchment and Reform to examine into the manner of conducting business in the public departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expenses of such departments of the State, and to see if the expense of such departments of the State, and to see i

Brank C B Haws, from Leverpool I for Philadelphia. Specific psyments.

Mr. Schofield proceeded to address the Wouse on the subject.

After Mr. Schofield had closed his argument, Mr. Ingersoll (III) took the floor, but yielded to Mr. Schone (Ohio), who asked unanimous constitute of the working sessions for general debate. No objection was made, and an evening session for general debate. No objection was made, and an evening session for general debate. No objection was made, and an evening session for general debate for this evening was ordered in Committee of the Whole.

Mr. Washburne (III.) desired that the House should come to an understanding in relation to the public business, as the indications were yesterday that the House was not disposed to go to the public business at all. There were but thirty-one working days of this Congress left, and there of the Richmond Journal, testined before the Fichwood for the Richmond Journal, testined before the House on the Specific proved the plan of the Virginia committee of ine for the resonation on the Virginia committee of ine for the resonation of that State to the Union, who considered it inexpedient at present to relieve the judicial officers in Virginia committee on the Rostor on the State to Address the Wouse and considered it inexpedient to the Ohio river are obstructions to the new light the Rostor on the Rostor on the Rostor on t Augusta, Me, Jan. 27.—The Hon. Nelson Dingley, Jr., of Lewiston, was chosen permanent President of the Maine State Temperance Convention. Mr. Dingley delivered a lengthy address, advocating the views of the Radical wing of the temperance party, and urged the reënactment of the imprisonment penalty and State policy.
