THE DAILY EVENING BULLETIN-PHILADELPHIA, MONDAY, FEBRUARY 15 1869.

Forticth Congress-Third Session. I GLOSE OF SATURDAY'S PROCEEDINGS.

solation proposing the following constitutional amendment—Article 17. The Congress shall have power to establish a tribunal for the purpose of considering and determining all questions which may arise as to the validity of the electoral vote f any Sinte for President and Vice President of 16 United States, which said tribunal shall ex-

of the president or cashier, and attested by the signatures of at least three of the directors, cer tifying that they have personally examined the resources and liabilities of the association as set forth in the said report, and have found the

same to be correct, and such reports for January and July shall contain a statement of the gross and shall be published in a newspaper where such

section shall be paid into the free same committee, re-ported a bill prohibiting the national banks from loaning of the parties covering the amount certified so assessed. Mr. Barnes, from the same committee, reported bill to prevent national banks from loaning

after the passage of this act, all sales of gold on account of the United States shall be made at public auction by a proper officer of the Treasury Department, after giving the public notice of the time and place such sales shall be made, by adver-

Banking and Currency, reported a bill regu-lating the reports of the National Banking Asso-ciation. After discussion and amendment the bill was passed. The following are its provisions: That every national banking association shall make to the Comptroller of the Currency, on the for the second discussion and amendment the currency on the currency of the laterior, whose term of office is for four years, rather than to be subject to the control of bodies whose ten-ure of office depends merely upon political con-siderations, and which may be annually affected by the elections which take place in the two bill was passed. The following are its provisions: That every national banking association aball make to the Comptroller of the Currency, on the first Monday of every month, a report exhibit-ing in detail, and under appropriate heads, the resources and liabilities of the association before the comptroller soft the sociation before of Trastees of Public Schools appointed by the ing in detail, and under appropriate heads, the resources and liabilities of the association before the commencement of business, on the morning of the day sloresaid, and shall transmit the same to the Comptroller of the Garrency within five days thereafter, and such report shall be in the manner and form prescribed by the Comptroller of the Currency, certified by the coath or affirma-tion of the president and cashier of such associa-tion, or by either one of them and two of the directors, and shall be in lien of the quarterly re-ports and monthly statements required by the bill, approved June 3, 1864. The return of each July shall be verified by the oath or affirmation of the president or cashier, and attested by the

ble and resolutions. |Signed | "ANDREW JOHNSON. "Washington, D. C., February 13, 1869." Rebel Funds,

The Secretary of the Treasury on Saturday sent as to the amount of money recovered in foreign ings and profits for the preceding sits months, shall be published in a newspaper where such ciation is established, at the expense of the sciation making the same, and if there be no recovered published at such place then in some 21,728 have been recovered. The balance re-station is established at such place then in some
