CITY BULLETIN.

YOUTHFUL ROBBERY.—Jorry McNamee and Andrew Mullen were arrested yesterday morning, between 12 and 1 o'clock, on Market street, near Decatur. They had entered a liquor store through the front grating. The drawers in the fire-proof safe and the desks were broken open and a small amount of cash obtained. One of the boys had on his person a rope with which the boys had lowered themselves into the basement. The accused were committed.

ATTEMPTED ROBBERY.—Last evening an attempt was made to rob the house of Mr. Wright, No. 1628 Spruce street. A servant girl observed two men entering the premises through the trap-door. She raised the alarm, and the thieves got out upon the roof again. They had reached the place by passing through an unoccupied house, No. 1616 Spruce street, and escaped in the same manner.

ABOUT FOUR COWS.—Jacob Luder, a drover, residing in Lancaster county, came to the city in July last with four cows, which had been entrusted to him to sell. He put the cows in charge of Samuel Robinson, who, it is alleged, sold them, and has never made any return of the money. On Saturday Hugh was arrested on the charge of larceny, and was committed for a further hearing by Ald. Swift.

ROBBING HIS EMPLOYER.—William C. Butler is a carpenter and has been in the employ of Samuel Gerber, of 25th street, for some time. He was before Alderman Hood, on complaint of Mr. Gerber, who charged him with the larceny of a horse-blanket, bridge, &c., from his stable, on Warwick street, above Girard avenue. Butler was committed for a further hearing.

CHARGED WITH ROBBERY.—Sarah Johnson and Ann Halnes, colored, were before Alderman Hartman this morning upon the charge of assault and battery, with intent to kill. It is alleged that they attempted to cut Philip Bell, a colored man, at a house at Thirtieth and Wood streets. He was held in \$600 bail for trial.

LOST HIS WATCH.—A man was enticed into a house at Seventh and Culbert streets, last night, and while there was relieved of his watch and chain. Harriet Denby was arrested on suspicion of having committed the robbery, and was committed by Ald. Swift.

THE RAZOR.—John Ayers was before Alderman Massey yesterday upon the charge of assault and battery, with intent to kill. It is alleged that he attempted to cut Philip Bell, a colored man, at a house at Thirtieth and Wood streets. He was held in \$600 bail for trial.

FALSE ALARM.—The alarm of fire about six o'clock this morning was caused by smoke issuing from the store of H. Durning & Co., at Fourth and Commerce streets. A policeman struck the box without ascertaining whether there was any reason to give an alarm.

RUNAWAY HORSE DROWNED.—A horse, attached to a light wagon, took fright at Tenth and Thompson streets, last evening about six o'clock, and ran into the Delaware at Shackamaxon street ferry-ship. The horse was drowned.

NEWSPAPER THIEVES.—Three boys, named James Shearing, Richard Conway and William Jones, were arrested yesterday for stealing newspapers out of a wagon at Third and Dock streets. They were committed by Alderman Kerr.

STEALING BUCKETS.—John Thomas has been held in \$1,000 bail by Alderman Nell to answer the charge of stealing a dozen buckets from the front of a grocery store on Frankford road.

CORNER LOUNGEES.—The police made quite a raid upon the corner-loungees during yesterday. About fifty were captured in different sections of the city, and were held to bail to keep the peace.

FAST DRIVING.—Thomas Glenning was arrested on Broad street twice, yesterday, for fast driving. He was taken before Alderman Hood, was fined, and was placed under bonds to keep the peace.

SUSPICIOUS.—Last night Wilson Wells, colored, was arrested while trying the doors of stores on South street. He was sent to prison by Alderman Carpenter.

REMOVAL.—Messrs. Howell, Finn & Co., late of Howell & Brothers, Ninth and Chestnut streets, have opened a store at No. 1117 Chestnut street, with a large and complete stock of paper hangings of every description. This removal is but temporary, and only until the former premises occupied by them can be put in a tenable condition. They have removed their former accommodations to paper hangings and others as before the firm. The old firm of Howell & Brothers have purchased a property on Sixth street, confining themselves to the wholesale trade.

VALENTINES.—The better class of sentimental valentines—little bowers in boxes, wherein plink Cupid lies asleep in gardens of white lace and pavilions of silver paper—the more luxurious affairs are found in all honest professions. Turner's, 808 Chestnut street. A word to the silly is sufficient.
