Mr. Shellabarger, from the Committee on Elections, made a report in the case of Thomas A. Hamilton, claiming a seat as representative from the State of Tennessee at large, with a resolution that he is not entitled to it.

Weakness of the Government what has been but tolerance. The public opinion of the rest of the nation shows itself unanimously, regarding integrity of tertiony at whatever cost, and public tranquilitity as the beet basis for political liberty. The Provisional best basis for political liberty. The Provisional Government undertook the solemn duty of preserving that liberty and of saving the sacred deposit intrusted to it by the Spanish revolution. That obligation the Spanish Government will discharge. It deplotes, nevertheless, to rec itself compelled by the evilust and adopt measures which, although anthorized by the legality of the revolution, do not cease to be contrary to the spirit of progress and the essence of modern institutions. Therefore, and in use of the extraordinary powers vested in me by the Provisional Government of the nation, I do decree the following:

ARTICLE II. The effects of my decree of 9th January, regarding the liberty of the Press, cease for the pressure of the found on the motion of new and the sacred deposit in the top to the fourth section; which was agreed to without a division.

Mr. Ingersoil desired to get in his amendment, but as a parliamentary question the motion of the bill, and Mr. Cobnru's amendment, but as a parliamentary question the motion of the bill, and Mr. Cobnru's amendment, found not be entertained, as there were two according to the instructions of the bill, and Mr. Pomeroy thereupon reported back the bill according to the instructions of the bill, and Mr. Pomeroy the reupon reported back the bill according to the instructions to report back forthwith the first three sections of the bill, and Mr. Cobnru's amendment, found not be entertained, as there were two are two division.

Mr. Poland gave notice that if the amendment previous question was seconded, and the method on Banking and Currency, with the first three sections of the bill, and Mr. Cobnru's amendment, found not be entertained, as there were two division.

Mr. Poland gave notice that if the amendment previous question on Banking and Currency, with the first three sections of the bill, and Mr. Cobnru's and Currency, with the first three sections of the bill, and Mr. Cobnru's antertained, as there were two division.

Mr. Poland gave notice that if the amendment Committee on Banking and Currency. Mr. Wood gave notice that if the amendments the amendments on the table. The question was then taken by yeas and nays Mr. Hooper's motion, to instruct the comnittee to strike out the second section, and it resulted, yeas, 14; nays, 146. So the House re-used to have the seco nd section stricken out.

George Fowler and others for leave to make application for the extension of a papent for an doubt the stability of the political conjunction for the extension of the presented a resolution of the Philadelphia Board of Trade recommending the phaseage of Senator Conkling's bill prohibiting and all who were found with arms in their hands on the passage of Senator Conkling's bill prohibiting and all who were found with arms in their hands on the secret sales or purchases of gold or bonds, on account of the United States.

Also, a petition of the Pennsylvania Academy of Fine Arts, at Philadelphia, asking for a copyright law for the protection of articles in painting and extension of the United States.

On motion of Mr. President, misunderstanding Mr. Anthony's statement—The question is on reconsidering a total for the printing of a document which will cost for the printing of a document which will cost for the printing of a document which will cost for the printing of a document which will cost for the printing of a document which will cost for the resolution of the United States.

Also, a petition of the Pennsylvania Academy of Fine Arts, at Philadelphia, asking for a copyright law for the protection of articles in painting at the cry of independence, burning property and destroying the support of an infinite number of families. Neither they for those who avail them the course of the Provisional Government.

The President, misunderstanding Mr. Anthony's statement—The question is on reconsidering a the moved to lay the whole subject on the table, which was carried.

On motion of Mr. President, misunderstanding Mr. Anthony's statement—The question is on reconsidering a the moved to lay the whole subject on the table, which was carried.

On motion of Mr. Courne for the printing of a document which will cost for the revolution, and the noble desires and recentating impulses of the Provisional Government.

Mr. Cournes—I suppose, Mr. President, me the right to debate that question.

Mr. Cournes—I suppose, Mr. President, ion of his substitute. 4r. Hooper also moved to amend by instruct-

very much whether any provision of the bill regarding the liberty of the Press, cease for the press. Mr. Pomeroy then moved that the bill be reconsmitted to the Committee on Banking and
Currency, with instructions to report back forthwith the first three sections of the bill, and moved
the previous question.
