I want to warn the living ones Who blindly grope along. Ye inthers, daughters, nothers, sons. What perilaround you throng! Lock cut, my reader, are you free, Or do you wear the mark? Most all are blind and caunot see, Yea, groping in the dark. Catarrh, a demon in the head, Consumption is its son; Kitle hosts, yea, countless millions, dead, Perhaps you may be one.

That hacking, hawking, spitting, shows, Catarrh affects your head, Matice and alime in throat or nose, Runs down your throat instead. Your langs and liver soon will show, Consumption has its birth; Catarrh, its sire, will feed it too, 'Till you return to earth. If colds affect your head and throat, Annihilator buy: Now don't forget what I have wrote, Or think this subject dry.

WOLOOTT'S ANNIHILATOR CUTES Cutaryh—the demon files; It eaves the tungs, good health incures, And Ostarrh quickly dies. I want to gratify my friends, Who wish to understand About Pain Paint, its use, its ends, And why its great demand.

I want to show yen, plain as day, Why Pain Faint stops all pain, That you may never have to say, "I'll got try paint again." Pain Paint will cool but never stain;
Pumps inflammation out;
Tis harmless on the breast or brain.
A trial stops all doubt.

When inflammation leaves the frame, All Pain will cease at one; Remove the cause, 'tis all the same; None doubts unless a duncs. The pores will ope and drink PAIN PAINT; Absorbents fill with cave; Restores the weak, the sick, the faint, The greatest akeptic please. Exaporation cools the place
As inflammation files:
Hot blood at the absorbent's base
Makes PAINT in vapor rise.

Tis thus PAIN PAINT removes all doubt. Removes the very cause By pumping isflammation out; On this we rest our cause. Welcott's Pain Paint is sold at all Drug Stores; also velcott's Annibilator, for the cure of Catarrh and Cold the head. Sent by Express on receipt of the money, a 1 Chatham Square, New York. R. L. Wolcott, 10

Mr. Connell, one empowering the various Hebrew benevolent and charitable societies and associations in Philadelphia to consolidate into associations in Philadelphia to consolidate into one organization.

House —Mr. Rogers, of Philadelphia, read in place an act to incorporate the Subterranean Railroad Company. It is ment as a substitute for the Elevated Railway, and provides for a tunnel along the middle of Market street, the roof of which will be on a level with the surface of the street, and of sufficient strength to allow of any weight to be carried over it. The company to be required to file with the Board of Surveyors plans, specifications, etc., before beginning the work; and it is made the

the Board of Surveyors plans, specifications, etc., before beginning the work; and it is made the duty of the Board to see that the provisions of the act are complied with. Not more than five hundred feet in length of the work will be carried on at one time. The company can lay single or double track from the tunnel and connect with the railway crossing Market street bridgo, and if the proposed bridge be built over the Delaware, it is intended to connect with the railroad that may be built thereon. It is desirned principally for through business. be built ever the Delaware, it is intended to connect with the railroad that may be built thereon. It is designed principally for through business, passenger and freight business, and is to be run by steam.

The act contains the usual railroad clauses, but makes the Company pay to the city a license tax for each car run, and also a tax on the profits. Mr. Rogers stated he wanted the business of the the usual course so that the people of Philadelphis could have an opportunity to express their views upon it. He claimed that it would do away with the freight cars on Market street, and would allow the shippers to load in bulk at the Delaware whereas, and convey the freight without transhipment to the west, while at the same time it will not interfere with the business on and ine it will not interfere with the business on and long the surface of the street.
