PARIS. CHILDREN'S DISEASES. IODIZED SYNCUP OF HORSERADISH. PREPAKED BY GRIMAULT & CO., PARIS. This syrup contains Iodine combined whith the juice of water cress, Wrsc-radish, and scury-grass, in which iodine and sulphur exist naturally, and for this reason is an excellent enbeditute for cod liver oil, which is geno-rally supposed to own its efficacy to the presence of iodine. The lodized Syrup of Horse-radish invarantly pro-duces most satisfactory results administered to children suffering from lymphalism, rachtilsm, congestion of the sinds of the neck, or the various eruptions on the face so frequent during infancy. It is also the best remedy for the first stage of communities, promotes digge-tion, and restores to the tissues their natural firmness and vieor.
