ning that he studies. Messre, G. P. Putnam & Co., of New York, are the publishers of a hardsome volume en-titled "The Shakspeare Treasury of Wisdom and Knowledge," by Charles W. Stearns, M. D. It contains a series of a dozen or more essays, the result of earnest, conscientious, loving study of the great poet. Each essay presents a theme suggested by a consideration of Shakspeare, the illustrations of which are extracts from his writings, with only occa-sional and modest presentations of the essay extracts from his writings, with only occa-sional and modest presentations of the essay ist's own ideas. Under the title "Shak speare's Practical Wisdom" there are many pages showing his universal knowledge, which seemed to be ages ahead of his own time. The fourth chapter, on his "specia-knowledge," illustrates by quotations hi. Course, "The Weeping Woman." —The painter Gérôme has just received an additional decoration, that of the Red Eigle of the third class. —Writing a sensation-article every day for your ha'penny paper is sure to befog the in-telect soon or late. Timothée Trimm, speak-ing in the Petit Journal of the hand of John the Baptist, deposited in the library at for do str

The paradiv Protectial Window Winters as the work with the end of basic with the end with the end of basic with the end with the end of basic with the character, is an example of the style such as the average writers for the magazines of the day do not aim at, because it is the reverse of the sensa-tional trickiness that seems to be the style now-a days. An extract from this essary will serve as an example of the style of Dr. Stearns, and it is well worth detaching and preserving by those who may not possess his book and may yet need some spur to make

Subscrete plays pretty thoroughly—if such an one should then chance to be pushed sud dealy forth from his retirement into that world which he bad never yet beheld, he would be in little danger of being surprised or deceived by his after experiences. It may be said that no one who has not had some previous personal experience of human life and the ways of the world can appreciate and the days on the little danger to forman life and the ways of the world can appreciate and the ways of the world can appreciate and the ways of the world can appreciate and the ways of the world while any considerable part of what shakspeare teaches. This is true; yet the human mind is so constituted, that it can world will with a little side antibate him on the young.—Boston, II. B. human mind is so constituted, that it can tributions for the young.-Boston, H. B. and will, with a little aid, anticipate its own tributions for experiences; so that, when these experiences Fuller. come, they do not seem so strange and novel, The Little Corporal for March is filled nor find us wholly unprepared. Indeed, what with vivacious sketches poems, puzzles, &c.,

knowledge. The man of business, living in and the definitions are full and complete. The saloon their sacks of flour. Some of the shoulders of men, the fez of the deceased Rnowledge. The man of business, living to a great metropolis, but absorbed in one pur-spit, and seeing only the same set of people with great indgment and skill.-17 and 19 - Ridiculous! they are full; said one, per-vice, I believe, is held at the grave-the grief from one year's end to another, may be al most as unsophisticated as the Green mountain boy; and he would often appear so, were it not for his tailor, and one or two other persons whom he employs. Even Othenio, at sixty, after all his campaigns, was a novice in Bentley, of London, has ventured to pubthe world, compared to the least of all the lish the book of Semmes the pirate. Britain, other personages in the play. Had he been a however, does not bite. Where the law simply prescribes imprisonment for offences against the United States this bill approximate the joint resolution was passed.
Mr. Trumbull also called up the bill relative to the right of property of married women in the District of Columbia, which was passed.
On motion of Mr. Spragne, the bill for the re- life of certain companize of scouts and guides.
Mr. Sherman, from the Committee on Finance, reported the House bill to authorize the coining of nickel-copper 5 cent pieces, and stated that the Committee being equally divided on the report of the laterior not tedeliver the House bill to authorize the coining the subject, would not make any recommendation in regard to it.

and between the restoration of the second of poly of the second of the second

pose the motion to strike ont.

Mr. Regers, and be would neither favor hor op-pose the motion to strike out. Mr. Trimbul opposed the motion, and asked Mr. Conness the reason for it. Mr. Conness the reason for it. Mr. Conness the reason for it. Mr. Howard said the man had been elected Second Auditor of Virginia. and merely sought relief so as to be enabled to hold the office with-cut claiming to be a Union man. Mr. Trimbul said that each of the persons named in the bill had each made a written appli-cation for relief, in which he had expressed his intention to obey the laws and sustain the gov-ernment. Mr. Rogers's action during the war, Mr. Willey was unable to give any informa-tion about Mr. Rogers's action during the war, Mr. Willey was unable to give any informa-tion about Mr. Rogers's action during the war, Mr. Willey was unable to give any informa-tion about Mr. Rogers's action during the war, ton about Mr. Rogers's action during the war, Mr. Willey was unable to give any informa-tion about Mr. Rogers's action during the war, ton about M standing in the community. Mr. Howard read a letter enclosing resolutions of the Grant and Colfax Club of Richmond. carnestly protesting against the removal of the disabilities of several office-holders in Virginia,

not be stricken out. He had observed that when-ever any man holding office at the Soath applied Bronson against Bodes. for relief from his political disabilities, there were always a sufficient number of his neighbors, who anted the office for themselves, to get up a remonstrance. Mr. Trumbull commented upon the fact that the Grant and Coltax Club of Richmond gave no reason against relieving Mr. Rogers, except that they, the club, "earnestly protested" against it. If the Senate of the United States was to be

merely a body to register the decrees of the Gran and Colfax clubs of Richmond and elsewhere in the South, it was time that fact should be known. This Grant and Colfax club protested against the Inis Grant and Condit the probably because relief of certain office-holders probably because they wanted the offices themselves. Mr. Tiplon-They have the right to them. Mr. Trumbull-Suppose the people don't want to elect them-have they a right, to the offices?

Mr. Howard-They have if the people are re-Mr. Trumbull asked Mr. Tipton whether he would like to have the majority of the people of Nebraska treated in that way. Mr. Tipton said that nothing would please him if the majority of the people of Nebraska etter if tuo instant, were rebels. Mr. Conkling was not in favor of an indiscrimi-nate removal of disabilities, but thought Mr. Rogers, in consideration of his personal character and personal position, better entitled to the re-moval of his disabilities than many others who had theirs removed. Mr. Construction of his personal character and personal position, better entitled to the re-moval of his disabilities than many others who had theirs removed.
