From the Court Suburb Mersuine 1. "ON THE DEATH OF ROSSINL." Death, who has called thy brothers has

thee; And not alove doth sacred Haly, That gave thee birth, mourn her set star, but we, Of England's misty clime and sea-washed shore, And they of sunny France, thy loss deplore. The sorrow spreads, till mighty Germany Takes up the wall. All Europe bows the knee.

Takes up the wait in a wasta of night Not as one star that in a wasta of night Looke clear because there is no greater light To shine upon the world and daze the sight— Not so wast thou; for round thee on each hand Were men in whose great company to stand Meant life with gods; but by thy greater migh Of music wast thou Lord and King by right.

wind Which, at the July dawn, doth gently raise leaf that drops again into its place.

Softer than is the first delicious sleep Softer than is the lift under to askep the second s

The twilight, deepening in pale automn skies, And sad as thoughts of those who all night weep y dying souls, their mournful watch to keep. What fire of fury from these moods did turn

That hie of fury from these moods did turn Thy soul, and make thy kindling blood to burn And yearn for strife, as does a Chieftain yearn, So that thy music, with impulsive breath Of plowing life, when life in strife meets death, Cried with load lips, whose very joy was stern, And hade us glory seek and danger spurn-Hear the keen arrow's hissing cleave the air.

Hear the keen arrows missing cleave the air, And stormy sound of battle everywhere; But through it comes a sweet-imagined prayer, From those at home, mingled with sound of war, As sailors, where the breakers shallower are, Hear loved ones' wall on shore, and know that Warm hearts are bowed with grief they scarce

In what strange dream-upon what alien sea In what balance over that sweet melody Didst thou discover that sweet melody That is to coming worlds a joy to be? To us that hear an influence so sweet,

To us that hear an inhumber so sweet, heat It draws out love, as in the summer, heat Draws periume from a faint and flowery lea, Melting the mist that moves round memory ! Ob, sweet and purest Muse! Thou that dos plead To speak those thoughts and feelings which, if freed, Should gludden all who hear-thou hast no need Of common words, for we who have the device of the second second

I see thee stand before me as I write-1 see thee stand before me as 1 write— Thy lustrous eyes full of soft change and light, And fair, bowed face and lips that are so bright, Through which he drew the treasures of thy

heart, And to the world their secrets did impart; Wet p now, for he is shorn of all his might-Who knows no more of sorrow or delight.

By thee his thoughts and feelings found thei vent; Whether his soul in thought to battle went, Or o'er some fair imagined mistress bent, fby voice was loud, or under as a kies; By thee through him we knew a lover's bliss, 'sesion and pain and love in one were blent, lis heart o'crilowed and bowed the instrument

Sometimes he filled thy voice with tender tears. Sometimes he line involves when she nears As of a happy maiden when she nears The joy she longs for and yet something fears; And then with ringing laughter would he fill Thy strong sweet voice, and then again mak

etill The sounds of mirth, and fill our eager ears With grief that much reveals yet nothing clears His strains come to us now as blows a breeze

flown : net have been the heart whose weary moan

Did not for some small space of being cease, Drunk with the rapture of his harmonies. And who am I, who with soft words deplore And wheep his death, and know that never more Shall Italy see on her golden shore A soul like that which by Apollo blest

Has now passed into everlasting rest? When shall again such melody outpour-Shall that come last that did not come before? Now, Sister Music living yet, behold How England, with her strength and gather'd gold, And France, that in her white arms does enfold

The splendor and the pain of great delight, And lishy, once more made pure and white, Weep for his death. Did not the strains that Through Paris, and the voices manifold,

and enbtle fragrance of the funeral rose ( ome to him on the languid wind that blows From life's land to the land of death's repose, As on one wearied long by sore diseas Falling select, who for a minute sees, In Julie of conscioneness, a face he knows ind hears a well-known voice that through him

A stream of mingled rapture and of pain : Bo, if he heard, so would be hear that strain Break in upon his sleep and not in vain, And knows hew we all here deplore his end ; ittle while on earth our days we spend, Then pass with mighty loss and little gain To shores of rest across death's waveless main.

Ob. Sister, now to whom wilt thon impart The many secrets of thy burdened heart? What lover tresh for thee from Time shall sta v mighty sorrow to console, as he the is now gone was sent to solace thee,

And mourning men when fate with deadly dart Struck dead thy lord and lover, great Mozart? Two or three still are left to thee; but they-

Shall they be as the soul that's passed away Let us not weep, and for fresh glories pray: Though all thy greatest lovers are gone by. What they have told of thee can never die, and blest are we because that we can say We loved and lived in great Rossini's day PHILIP BOURKE MARSTON

THE DAILY EVENING BULLETIN--PHILADELPHIA. MOADAL, Influences, Manager and Constant of the part of the

A skating story.

The climate agrees well with delicate children, who often acquire good health, with im-proved strength and vivacity, especially if they are removed to the mountains during the summer. Persons with enfeebled ner-vous systems and who are subject to conges-tion of the lungs or brain, must not look for benefit from a stay in this town. all creation. Give bin berry a pair of states and smooth sailing, and he'd make the trip to Baffin's Bay and back again in 24 hours, only stopping long enough at Halifax to take a drink. Well, we got to the creek and fastened our skates on, and after taking a good horn from Joe Turner's flask started off in good style, Bill Berry taking the lead. As I was tellin' ye, it was a dogged cold day, and so we had to skate fast to keep our blood up. There was little air-holes in the ice, and every There was not be an indicate and in the power of the powe them. My skates got loose and I tried to fasten 'em. Just as I had finished buckling the straps I saw something shooting along the ice like lightning. It was Bill Berry's head He had been going it like greased electricity. and before he knew it he was into one o them air-holes. The force was so great as to cut his head off against the sharp corners of the ice.

"It's all day with Bill Berry." said I. "And all night, too," said Joe Turner. Just as he had got these words out of his mouth, and I looked at Bill's head, which had been going it on the ice, all at once it dropped into another hole. We ran to it, and I heard Bill Berry say: "Quick, boys! quick! pull me ou!!" I looked into the hole, and there, as I am a

sinner, was Bill Berry's body, which had shooted along under the ice, and met the head felt a little numb at first, but after skating

attempting to blow his nose he threw his head into the fire-place. The coroner was called 1869. that night, and the verdict of the jury was, "That Bill Berry came to his death by skatng too fast."

petitions were presented to Queen Victoria at her levec yesterday, praying for annesty to the Fenian prisoners. MANGRUP, March 6.—The subject of the govern-ment monopoly in the production of salt and tobacco in the Spanish colonies has been re-ferred to a select committee of the Constituent Cortes. BERLIN, March 6th.—Mr. Bancroft, the Ameri-con Minister, gave a grand dinner day before yes-terday in honor of the inauguration of Presi-dent Grant\_Count Bismarck was present, and made a pleasant speech; saying that no dispute had ever arisen between the United States and Cortes. Beach Grant\_Count Bismarck of the States and Cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and cortes and the friendly relations of the states and the states and the friendly relations of the states and the friendly relations of the states and the states and the friendly relations of the states and the friendly relations of the states and the states and the states and the friendly relations of the states and the friendly relations of the states and the friendly relations of the states and the states and the friendly relations of the states and the friendly relations of the states and the states and

ad ever arisen between the United States and many, and the friendly relations of the two countries were now especially guaranteed. The Cuba Bebellion. HAVANA, March 6.—A proclamation dated Nas-sau, N. P., signed by Jose d'Armas, Gen. Duice's Compissioner to the insurgents, has recently appeared. The document is full of bitter invec-tives against the Spanish Government, and against Duice personally, placing that gentieman in an unenytable position: accusing him of the most unenviable position; accusing him of the most contemptible actions. Rodrigues Corres, the companion of Commissioner d'Armas, publishes a card to-day in the *Diario*, wherein he expresses he belief that this proclamation is a forgery, saythe bellef that this proclaimation is a longery, say-ing that if it were genuine, the statements of d'Armas are failes and his conduct infamous. The clergymen have offered the government one-sixth of their incomes to defray the expenses

one sixin of their first the insurgents. Dulce is re-cruiting another battalion of volunteers for ac-tive service. A large quantity of powder has been found secreted in the house of a Mrs. Terry, n this city. A late Cleninegos paper says there is plenty of blockade-running into the interior at that port. Information from Puerto Principe, states that the insurgent General Quesada is ill with the small-port.

From Washington. EFOID WEISHINgton. [Special Despatch to the Phila. Evening Bulletin.] WASHINGTON, March 6.—The proceedings in the Senate to-day were uninteresting, except when Mr. Patterson, of N. H., offered a bill repealing so much of the act of 1789, relating to the Treas-any Department as might property March enry Department, as might prevent Mr. Siewärt'irom holding the office of Secretary! Mr. Sherman said it was important that such action should be had, and hoped there would be Mr. Sumner replied that he should oppose any Mr. Summer repued that he should oppose any action until the matter was passed upon by some committee, and as there was no committee the bill went to table. The White House was again closed to visitors to-day. The old doorkeepers were all discharged, and those who have been on duty at the Army Headquarters were installed in their places. A few Senators called on Messes. Stowart, Wash-burne and Creswell, of the new Cabinet, and ad interviews. The status of Mr. Stewart, under the act of

1789, was discussed to a considerable extent about the Capitol, to-day. The law was examined by Mr. Jenckes and some other lawyers, and they seemed to think it might be so construed as to allow Mr. Siewart to hold the office. -----

[Special Despatch to the Philada. Evening Bulletin, 1 WASHINGTON, March 6.—The Senate has passed resolution that Indian treatics shall hereafter e considered in open session. Mr. Sherman and others, during the afternoon, were in conference with Mr. Sumner, endeavoring to induce him to withdraw his objection to action on the President's recommendation abo Stewart's disabilities, but without effect. ation about Mr

(Brecial Despatch to the Philada. Evening Bulletin.) NEW YORK, March 6.—In a brief interview of your reporter with Mr. Seward, this afterneon, he declined to express his opinions on public matters, saying, I assure you I have no opinions to give, nor indeed do I think that, under the circumstances it would be either right or proper to give, nor indeed do I think that, and the circumstances, it would be either right or proper to do so. If you say anything in your paper, be pleased to say that Mr. Seward expressed a very favorable opinion of Grant's Cabinet. Jacob and Moses Depew received pardons from

 MARINE MISCELLANY.
 Schr Wm Millier, of and for Camden, NJ. from Mill-ville, with bricks. sunk at 10 PM. on Saturday, off Reedy leand. She was at anchor during a heavy blow, and the weather being intensiv cold, all the water coming upon deck immediately froze, and the weight of the accumu-inted lea caused the vessel to go down. The crew con-sieting of Capt Walcutts, his son 18 years of age, and three could be ready morning, when they were the o'clock on Sunday morning, when they were the for and brought to this city by the steaming Col B L Brown. Capt Simpkins. The captain has a hand and a foot somewhat frozen; the colored men have their hands and feet badly frozen; the boy is uninjured. FOR SALE -AN INVOICE OF HAMBURG RAGS linea and cotton. PETER WRIGHT & SONS, ILS Walnut street mvl

OPAL DENTALLINA.-A SUPERIOR ARTICLE FOR cleaning the Teeth, destroying animalcula, which in-feet them, giving tone to the gums, and leaving a feeling of fragrance and perfect cleanliness in the mouth. It may be used daily, and will be found to strengthen weak and bleeeing gums, while the aroma and deterniveness will recommend it to every one. Being composed with the assistance of the Dantist, Physiclans and Microscopist, it is confidently offered as a reliable substitute for the un-certain washes formerly in vogue. Eminent Dentists, acquainted with the constituents of the Dentalian, advocate its use: it contains nothing to prevent its unrestrained employment. Made ould by JAMES T.
