bous, the apparition of Jenny Lind fell like a ray of light in the chequered world of phe-" Toere is a high and holy band Whose insultation needs no guide, No successful of power and pride, To lead them to the promised land,

mys Voltaire. And such a being was the fair Swede, whose youthful history Coarlotte Birch Ffeiffer has so poetically described. Even when still a child of three, she seemed the latk of her parents' dusky house; as a girl f pine, she attracted the attention of all overs of music, and entered the Conservatorium of Stockholm as a pupil, where her charming voice, her fine ear, her marvelous musical memory, her industry, and her caplivating modesty, made her the favorite of her singing master—the most meritorious of musicians and composers—Berg. Sue appeared in various childish parts, written exressly for her and the public was enchanted with the silvery tones that streamed from the lips of the little fairy. Probably her continnous studies at so tender an age was the

cause of her sudden loss of voice, to the horror of her teacher.

"During four long years did Jenny Lind, with a stonishing perseverance, pursue her theoretical and technical musical studies in spite of her organ being almost extinct; and spite of her organ being almost extinct; and then the full sweet sounds came book almost as suddenly as they had vanished. Her faithful master greeted with delight the melting tones of that sweet voice of which his beloved pupil had been so long deprived, and again brought her forward in triumph before the attonished public. See an expeared as "Agathe," in Weber's "Freischütz." amid an unparalleled storm of applause and delight. But there burned wittin her soul the longing to learn more, to hear more; the wings of this great, aritistic soul fluttered impatiently; the finger ear more, to hear more; the wings of this great, aritistic soul fluttered impatiently; the finger ear of the stonished pool of the such as a subject of the stonished public. See as opeared as the stonished public see a subject of the full sweet voice of the subject great, artistic soul fluttered impatiently; the flower on its back, who absolutely bent impatiently bent d uble (I am not exaggrating) at the ap-Paris, in order to study with Manuel Garproach of Mr. D., and went dancing and cia, the accomplished brother of Malioran and Pauline Viardot, those wondrous double stars in the firmament of vocal art. Tag at d gallanied him to a sort of pew there is for an d gallanied him to a sort of pew there is for a to gall severance from her home, the fatigue of the journey, and a feeling of isolation affected the House, deep in a recess, and where Mr. Disorder organ of the young will to such an severance from her home, the fatigue of the ender organ of the young girl to such an extent that the celebrated maestro, after having tried the voice of his new pupil, Dean Stanley. What the Archbishop said and what the Dean said and what the expttered that well known verdict. Mon enfant, President said I know not, for I must hurry to vous n'avez plus de voix! Take outire my seat, far over their heads, or lose it. for three months; exercise your voice With caution et puis je serai charme de

Sous revoir! "A quiet, tearful year ensued—a year of hopeless study, of deepest sorrow and ardent One more stage in the progress towards longings for home. After the lapse of three completion of the Sucz Canal has to be remins Jenny Lind began to study, with in- corded. On Thursday, 18th instant, the cornice was almost obliterated. Garcia, day by day, shedding tears on her lato the Birter Lakes with perfect success, in home; but, amid all her dreams, she see ned always to hear that pitiless voice, saylog: mechanical difficulties of the undertaking FIRE PROOF SAFES, if any further proof had 'mon enfant, vous navez plus de voix!' (sys an English paper) has thus been sur-L ke the young palm tree, however, under mounted, and there can be no doubt that in They were subj the pressure of the heavy rock, which every a short time the canal will be open, at least and it affords us much pleasure to inform you one thought must have crushed it, so did this regal talent continue to shoot up ward to the blue sky, under the weight of home sickness. Il ro word of praise escaped Girci's lips; canal may remember that in August, he only commended the industry, persevel 1867. an official statement was range and the facile organ of his pale, quiet made of the condition and prospects of the Pupi', whose voice appeared to him irreme- works. #IEDICAL SWEET QUININE

The Legislature of North Carolina will probably adjourn on Monday next.

The Republicans have carried Denver, Colorado, and the Democrats Leavenworth, Kansas Ex-PRESIDENT JOHNSON arrived in Nashville yesterday, and received a popular ovation, sis to speak in the Capitol at that city to-day. Five persons were severely injured by a loco-motive explosion on the Grand Trunk Railroad, at Danville Junction, Me., yesterday. For the Renovation of the Hair, The Great Desideratum of the Ane. JOHN J. ROBBINS'S tobacco factory in Cincin-A dressing which THE LA BELLE STEEL WORKS, in Alleghony is at once agreeable healthy, and effectual for preserving the THE ice in the Mississippl at St. Paul, Minn., hair. Faded or gray is breaking up and the river rising. Two stone plers of the Milwaukee and St. Paul Bailroad bridge have been partially swept a way. hair is soon restored to its original color THE contractor who had charge of the ni roand the gloss and

freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING. nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co.. PRACTICAL AND ANALYTICAL CHEMISTS,
