the black lace, and garland trailed round the

chignon.

Now that Easter is over, the fashionables

resume their usual amusements, and dinner

resume their usual amusements, and dinner and evening dresses will be subjects of design. The most elegant dresses will be Chambery gauze and grenadine in broad stripes of white with light blue, spring green,

Then it came, that awful April morning-A crushing wave. Was it best? God knows. The shadows that came after fast Said No, and No, and No; yet we have passed The darkest places in our path at last: All things are best.

e. marail

Now, the Light Grows ever brighter, truer, on the way Our stumbling feet have found; right well we may, With heads uncovered, trembling stand to-day-After the night. HENRY PRESTON LINNELL. APRIL 14th, 1869.

\_\_\_\_ THE FASHIONS.

rose color, or violet. Narrow stripes are (From our New York Correspondent.) NEW YORK, April 12th, 1869.-Dresses are much trimmed, and nearly all forms of Satin ruches, puffs of silk, and satin fancy rosettes and tabs, with rivers of contrasting fabric, are seen most frequently. English thread and Chantilly lace trim the richest dresses, and are not spared even on street suits Standing flounces and quillings and machinehemmed ruffles are the newest form of handmade ornament. Olive and shell puffs, marquise ruches, and satin herring-bone may be aded to the list.

but in its place a number of sash puffs and purnure, and the large puff is no longer indispensable to fashion. Then dresses are very low, in Watteau outline, filled to a proper spirit or energy. His favorite companions much puffed behind, but in the form of a height with narrow flounces of the white height with narrow flounces oped tunic, not the added panier.
Walking-dresses are made with double and triple skirts; the wrapping is either a shoulder-cape, a short basque, or over-dress, with der-cape, a short basque, or over-dress, with round the skirt and waist are lined with tarround the royal throne of Naples." tunic open in front and sloping away at the letan to preserve their fullness, and faced The apron front is worn, but the tunic with blue silk. The sleeves are composed of is newest. Basques are very short, the lapel at the back sometimes forming a heading for the sash. Mantles and jackets are almost in hem with fancy rosettes of crepe, blue satin ariably belted, and sashes are short and broad. Decidedly the most styllsh mode of making suits is with a tunic puffed behind and looped at the side by straps which pass rom the under-dress. The newest mode of rimming skirts is with large puffs, which take on the crown. A puffed band of blue satia caught with pearls is placed between apicet he place of flounces. A dress of pigeon lored gros-grain has a ten-ruche florence has flounce on the edge of the skirt, with very narrow estin binding. Above this is a bias off the silk, eight inches wide, surroundthe dress. A moderate panier behind is

flounce on the edge of the skirt, with very ow satin binding. Above this is a bias of the silk, eight inches wide, surround-be dress. A moderate panier behind is ly-a contraction of the flounces and A handsome belt of silk and satin with rosettes and short square lapels aply a contraction of the flounces and white satin ribbon tied into an enormous star folds, with rosettes and short square lapels behind, gives the effect of a basque at the back, while the front overbangs the belt like a short-fringed jacket; it is fastened with large crochet buttons in rosettes, and puffs of satin pass over the shoulder, forming the outline of a square cape looped in the middle behind with a large rosette and fringed satin leaves. The puff and flounces on the skirt are looped at intervals by satin straps; the sleeves are covered with satin puffs to the elbow. This is an extremely dressy toilette, but will be imited and surrounded in the middle behind with a large rosette and fringed satin leaves. The capture forms a standing ruffle above it. This lower skirt is caught into large bouffants with long-looped stain bows. Below the flounce in front appears the slip of pink glace, over which the dress is made. Long sleeves, open to the clow, edged with deep lace; chignon of long the stain of silk and satin bows. Below the did and an enormous star is givently as the spanny. A spanny and content of white satin, two on the stockholders of this company, on MON Managers, and nelection for President and six Managers, will take place at the Office, a. M.

Philadelphia, April 6, 1869.

A SPECIAL MEETING OF THE STOCKHOLD of the Wolf Creek Diamond Coal Company will be held on WEDNESDAY, April 21, at 12 M, at their office 205 Walnut street, to take into consideration the financial condition of the Company will be held on WEDNESDAY, April 21, at 12 M, at their office 205 Walnut stree of brown silk, the side widths gathered into the front; a Watteau fold falling from below the shoulder-blades, instead of the neck, as usual; the skirt is looped in a large puff at the back, surrounded by two quillings of brown silk, and caught by four bows of brown silk Day suitable for indoor or carriage costumes, remain, and region of the such colored and the superior of the superior of the such colored and the superior of the superior of the such colored and the superior of the superior of the such and sught. The superior of the ribbon two inches wide, with long loops and short ends. A square bertha is outlined on the boddice with silk quillings; the sleeve is original—a straight coat-sleeve, with flat box-plait from shoulder to the wrist; narrow brown quilling round each side the box-plait to the elbow. The box plait is held in its place by a few stitches underneath, and emall ribbon brown bows all the length. The boddice is closed by ribbon bows. A standthon of fancy yellow straw, with scarf of straw net and vellow rose and bronze foliage bronze and pearl leaves. Fawn-colored

gros grain poplin, which has the finish of that silk. The skirt is plain and gored closely in front and on the hips. The over-dress is a for stone-colored leno, with broad satin stripes of same color. This is made in a large tunic, which is as long as the skirt behind, and is cut in points like a basque skirt in front. The back is caught in irregular puffs, very full indeed, and so are the fronts: the sides are plain, like sash ends, from the hips, and edged with a brocaded fringed ribbon of those colors. This is to correspond with a flounce of alternate folds of black and crimson silk, and edged with a puff of thin material, and standing crimson ruche which is placed on the front edge of the poplin skirt. The tunic is finished with a flounce and sufficient of the forehead there is a large bow of double loops of lace, in the centre of swith sent entered the centre of swith suits and suits stripes bow of double loops of lace, in the centre of swith sent entered the centre of swith a streaming over the centre of seven Dollars had frifty Cente per shure for the lact sit waitegated tropic grasses streaming over the chignon, or a bird of paradise falling behind.

The broad lace bow gives the raised effect so prized in fashionable bonnets. A poul fan-chon of novel design, instead of having the raised centre of flowers and laces frilled on give the chignon, and a deep flower finge either of mizonette, myrtle, forget-flowers above the chignon, and a deep flower finge either of mizonette, myrtle, forget-flowers above the chignon, and a deep flower finge either of mizonette, myrtle, forget-flowers above the chignon of the suck in the centre of flowers above the chignon of having the raised effect so mouth, which will be paid to the situckholders or their least representatives, on and after THURSDAY.

The broad lace bow gives the raised effect so prized in fashionable bonnets. A poul fan-chon of novel design, instead of having the raised effect so may be seed the suck in the centre of flowers and a deep flower flowers and

the poplin skirt. The tunic is finished with a flounce and puff crossed with crimson ribbons and headed with saw teeth of black and crimson. A pointed short cape edged with a deep flounce and colored silk folds, which also form a wide collar, completes the costume. The hat which suits this costume is white crinoline, with black lace scarf and garland of crimson fuschias.

A plain walking-suit is of marine blue flowers placed each side over the ears, from the pass across the chignon in graduated lengths, meeting with echignon in graduated lengths, meeting with echign on in graduated lengths, meeting with echign on in graduated lengths, meeting with echign on in graduated lengths, meeting with ends caught at the opposite side. A rich bonnet for a matronly lady is made of small oakleaves composed of the green throats of hummirg-birds, arranged in double row on the pouf fanchon, with rows of black lace and sufficiently form 25 cents of the proof fanchon, with rows of black lace scaff and garland of crimson fuschias.

A plain walking-suit is of marine blue garland of crimson fuschias.

A plain walking-suit is of marine blue lace barbe over them.

The newest head-dress is a tiny round cap serge, with deep flounce headed by bias band entirely of flowers placed on one side of the head like a Grande Duchesse cap; a medalserge, with deep flounce headed by bias band and standing ruffle. Over dress with tunic and standing ruffle. Over dress with tunic skirt bouflant meeting above a small round apron edged with bias fold ruffled each side; tunic trimmed with a slightly gathered flounce which is continued over the shoulders, almost forming a pointed cape. Pouf hat of black silk with crimson rose, and clusters of smaller ones on the back and front; broad black stirt with crimson rose, and clusters of smaller ones on the back and front; broad black strings to tie under the hair; stone colored gloves with black volants.

Black silk walking-suits are made very standard standing ruffle. Over dress with tunic head dress and standing ruffle. Over dress with tunic flowers placed on one side of the head dress, and shoulders, almost the head dress. No. 300 MEETER LEHIGH COAL.

No. 303 CHEEK LEHIGH COAL.

No. 303 CHE gloves with black volants.

Black silk walking suits are made very fringe. The Italian hats of black straw, leg-

quently require a week's labor of six women roses.

HOUSEHOLD RECIPES. BY BARON BRIBSE. Boulegne also wishes to pay tribute to my little kitchem. It sends me a recipe for dressing a good whiting, which although known is little used because three fish come ready cleaned. But as the 'lights' out be readil purchased of the dealers, I give the following

melts and livers of whiting and blanch them behind held by flat bows striped with French in boiling water; drain them, then hash them and mix with bread crumbs, onlon and of rainbow striped silk and black lace, interthat none may escape, and put it on the stove.

When it is broiled on both sides set it up on a dish on the bottom of which butter stirred with finely chopped young onlons has been

The whiting is entirely presentable in this aspect, and renders a thoroughly good account of itself.—Petit Journal.

King Bomba and His Wife. "Madame Bombina, that is to say, the exsuitable for the street, but more stylish effects are produced for indoor—dresses of solid stripes, of not less than two inches, and sometimes broad as the palm of your hand. It is times broad as the palm of your hand. It is times broad as the palm of your hand. It is to be remarked that these are striking and admirable in effect only when seen in light eolers or thin fabrics. The newest goods for evening dress are the China crepes in white, rose color, pale buff, and tender green, and deep azure. These are especially adapted to the different styles of dress now in fashion. An elegant dress of this material, which is in Count Frascone. I was told. Her appear-

The Alabama Treaty. Empire

Empire

It is understood that a territorial government will be organized for the British Northwest Territory.

The second weekly reception of Mrs. Grant took place at the Executive Mansion, yesterday, and bated two hours. From Canada. OTTAWA, April 13.-It is said that the policy o

the Government in regard to the Northwest Tor-ritory will be to organize a territorial govern-ment, with its seat at Red River, giving it for the Deputy Sheriff Moran, of New York, who pleaded guilty to having permitted King, the bond robber, to escape from custody, has been sentenced to five years in the State prison.

In the territory showed to come into the Collon as a province. It is expected that \$200,000 or \$360.000 will be voted this session towards the completion of the road from Fort Williams to Red River. THE Eleventh session of the National Academy of Science began in Washington yesterday. Professors Agassiz, Alexander, Baird, Rogers, and other distinguished men of science, were present. Lords under the creating life peerages. From Washington.

Washington, April 13.—Superintendent Rice, of the Treasury Department, discharged fifteen more laborers and watchmen to-day and appointed others.

The resignation of Solicitor Gordon, of the Chief Cierk, temporarily appointed to the place. Captain S. D. Trenchard bas received preparatory orders to command the Innesster. Commander B. B. Taylor is ordered to command the U. S. storeship Idaho in the Asiatic squadron. He Working Men's Association of the District Columbia serenaded Senator Sprage, in ashington, last night. Mr. Sprague spoke in knowledgment of the compilment, and intitiated that he should devote himself during the summer to a plan for the regeneration of the country through its founces.
