

CITY BULLETIN.

A "DREAMER" IN TROUBLE.—George King, a colored man, living at a corner of Broad street, was before Alderman Davis yesterday, upon the charge of obtaining money under false pretenses. The complainant was a negro woman who resides in the same neighborhood. She had lost some money and was told to go to King, who it was represented to her, could dream about lost articles and tell where to find them. To King she went, and he told her to go to a certain place. She did so, and returned with a bag full of money. King, however, had stolen the money from her. He was committed for trial.

A NEW DODOR OF ROBBERS.—A gentleman, while returning from church Sunday evening, was attacked in the neighborhood of Tenth and Shippen streets, by two men who struck him a violent blow in the face, and then threw a bar over his head. The robberies of the gentleman frightened away the assailants before they had time to commit the robbery. The gentleman, however, was completely impregnated with the odor of chloroform, and the bag thrown over his head is supposed to have been saturated with the drug.

COMMUNION MEDAL.—A handsome medal to commemorate the fiftieth anniversary of the O. O. F., has been struck off by direction of the Grand Lodge and Grand Encampment of Pennsylvania. On the face is an allegorical representation of the Order, and on the reverse is the inscription: "O. O. F. Grand National Celebration of the Fiftieth Anniversary, Philadelphia, April 20, 1869." The medal is very neatly gotten up, and will be a fitting and lasting memento of the approaching national festival.

ACCIDENT.—John Finley was engaged in loading sand into a cart on Belgrade street, near Richmond, yesterday afternoon. The embankment gave way and Finley was completely buried in the sand. Policeman Maxwell, of the Eighteenth district, observed the accident. He seized a shovel and succeeded in extricating the unfortunate man from his perilous position. Finley was injured internally and was conveyed to his home.

ANOTHER ARREST.—David Mitchell was arrested yesterday, by the Ninth District Police, upon the charge of having been concerned in the attack on the members of the Good Will Hose Company, lately injured by being struck with a stone. Mitchell is alleged to have been one of the parties who threw the stone. He was taken before Alderman Fancost and was held for a further hearing.

LARCENY OF LEAD PIPE.—Samuel Brown made his appearance before Alderman Fancost, on the charge of having stolen a piece of lead pipe sticking out of his coat pocket, and arrested him. It was then found that he had on his person about 35 pounds of pipe cut in small pieces, and which is supposed to have been stolen from some new building. Brown was sent to prison by Alderman Hood.

THE LATE SAVING FUND ROBBERY.—Chief Egan, of the Detective force, has received notice from the Treasury Department that interest on the bonds issued to all of the Assistant Treasurers of the United States throughout the country, to take all possible precaution to prevent the payment of the coupons on the bonds which were stolen from the Beneficial Savings Fund, at Twelfth and Chestnut streets.

FATAL ACCIDENT.—A number of boys were playing in the market house on Eleventh street above Carpenter street, yesterday afternoon. One of the youths, named Terrence Porter, aged about twelve years, ran from between the stalls into the street. A chaise was passing at the time and the boy was knocked down and trampled upon by the horses. He was so badly injured that he died soon after being conveyed to his home on Milion street, above Eleventh.

AN APRIL SNOW STORM.—During yesterday afternoon there was a brisk fall of snow in the Twentieth ward. The snow was very heavy and fell from the northeastern portion of the State during the night, so that there was a heavy storm in that section yesterday, and that the fields in many places are covered with snow about a foot in depth.

SUSPECTED BURGLAR CAPTURED.—A man who gave his name as Jas. O'Brien was captured last night by Policeman Colbourne, of the Fifth district, in the yard of a house on Sansom street, near Eighth. At the time of the arrest he was carrying a large quantity of goods. He was taken to the Central Station this afternoon.

NARROW ESCAPE FROM DROWNING.—William Porter, while going on board of a vessel at Spruce street, yesterday morning, about one o'clock, accidentally slipped into the river. He was rescued from drowning by Officers Westcott and Denard of the Harbor Police.

MISDEMEANOR.—John Sharkey and Henry Hamilton were arrested yesterday and taken before Alderman O'Neil, on the charge of misdeemeanor, in dumping fish upon a lot on Ann street, near the Twenty-fifth ward. They were held in \$500 bail to answer at court.

FELL THROUGH A HATCHWAY.—Mary Haines fell through the hatchway at the epic manufactory of Peter Thomson, No. 214 North Third street, yesterday afternoon, and was seriously injured. She was conveyed to her home.

BERALING PINS.—Charles Murphy walked into the yard of a house at Third and Moore street, yesterday afternoon, drove out three pigs and sold them. He was arrested, and after hearing before Alderman Lutz, was sent to prison.

FELL FROM A WINDOW.—Mary Buck, colored, fell from the third story window of her residence, No. 424 Chestnut street, last night, and was seriously injured.

MERCHANTS ARE COMPLAINING of the lateness of the Spring trade, and they look earnestly for the milder weather that must come soon to induce business and increase their sales. But if there is to be any increase of business, what is O'Kall to do? Already the people are thronging daily, and Wednesday is the most constant addition to their Spring Stock with a rapidity that even they have not experienced before; nevertheless they are prepared to meet whatever may come. Their stock is immense and is being constantly added to; their prices are the lowest and will be kept the lowest, so that they are ready to submit gracefully to any amount of increased business.

ANNIVERSARY CELEBRATION.—The members of the "Old Guard," a charitable organization composed of honorary members of the Hibernia Fire Co. No. 1, celebrated their thirty-third anniversary by a grand hop and banquet, on Monday evening, at the Washington Building, Third above Spruce. With the exception of Chief Engineer Downey, the reunion was participated in only by members. Everything passed off in the most agreeable manner, and the affair will long be remembered with great pleasure by all who took part in it.

SCHOOL ENTERTAINMENT.—A musical entertainment and recitations and drill will be given this evening, at Concert Hall, by the pupils of the Northeast Boys' Grammar School. The affair is for the benefit of a Young Men's Company, now forming in the school. The entertainment will, no doubt, be very interesting.

CITY NOTICES.

HOW MANY of the ills of life might be alleviated and modified, if not entirely removed, if only men were wise enough to apply the proper remedies. For instance, we cannot prevent men's dying, but by the simple contrivance of Life Insurance, we may protect our families from the want and poverty which is so often incident upon the death of husband and father. The Life Insurance Company of Philadelphia is a great antidote to many of the evils of death.
