the Comm The second of the proof of the control of the proof of the control of the proof of the control of the proof o punishment, and give to the court and to the jury the duty and right to consider and apply all midgating circumstances so as to prevent any undue rigor. Capital punishment is inflicted in this State for but one offence—of murder in the first degree. No man can be convicted of that degree of homicide without the sanction of the court and the unanimous approval of the jury. Two judges must sit on this trial. Challenges of jurors are liberally bestowed by low. The slightest doubt as to the degree of

that verdict. In civil cases motions for a new trial are to be received with candion, because it leads vory much to perjury to admit new evidence after many note be hunted out, and because it leads vory much to perjury to admit new evidence after many note be hunted out, and because it leads vory much to perjury to admit new evidence after many note because it leads vory much to perjury to admit new evidence after many note because it leads vory much to perjury to admit new evidence after the party who has feet the worted tase had an adverted representation and the total tase had not the horizontal tase had not to be forgeted that the early of the character of the total tase had not to be forgeted that the early of the character of the total tase had not to be forgeted that the act is to a vitin extent a deception. It seems a support that the early of the character of the character of the total tase had not to be forgeted that the act of the law, and as if it were intention to be forgeted that the act of the law, and as if it were intention to be forgeted that the act is to a vitin extent a deception. It seems a support that the prisoner having those secaped death of the tast that the prisoner having those secaped death of the tast that the prisoner having those secaped death of the law, and as if it were intention to be forgeted that the act of the law, and as if it were intention to be forgeted that the act of the law, and as if it were intention to the forget of particular to the church in the tast of the law, and as if it were intention to the prisoner having those secaped death of the law, and as if it was a decident of the law, and as if it was a decident of the law, and as i The not to be long-time in this east at 98.

The notion to be long-time in this east at 98.

The notion to be long-time in this east at 98.

The notion of the first and a second received a punishamon in fill were to be the final as if it were to be the final as if were to be the final as if it were to be the final as if were to trethren appointed to assist them, are hereby requested to take such measures as will secure a strict conformity to the regulations prescribed For these, and other reasons that might be as-For these, and other reasons that might be assigned, the bill is returned to the body in which it originated without my sanction.

JOHN W. GEART.

Matters in Cuba.

HAVANA, April 16.—In consequence of the appearance in New York of a document issued and signed by Morales Lemus, imposing a contribution on Cuban refugees for the support of the revolutionary cause, General Dulce has issued a proclamation ordering the scizure of all of the church the right to vote the female as well as the male membership of the church the right to vote.

4. That in view of the great importance of the appearance in New York of a document issued and signed by Morales Lemus, imposing a contribution on Cuban refugees for the support of the revolutionary cause, General Dulce has issued a proclamation ordering the scizure of all too on Outon retraces for the support of the revolutionary cause, General Ducke has a part of the revolutionary cause, General Ducke has a great concerned, such a captured as precision of precision of the parties. Having the authoritative upon the question of clearly project that they have compiled with the legal requirements in the transfer of the proposed plan will so far secure the sanction of their property to other parties. Having of the parties of the parties of the property to other parties. Having of the parties of the property to other parties. Having of the parties of the par
