The Corners Outraged...The Guillotine at Work...Capt. McPelter Decapitated and a Nigger Made Assessor in his Place. POST OFFIS, CONFEDERIT X ROADS (Wich is POST OFFIS, CONFEDERIT X ROADS (Wich is in the State of Kentucky), April 9, 1869.—Ef the Dimocrisy uv the North arn't satisfied by this time that the ultimate intenshen uv the Ablishnists is to subjoogate em and redoose em to the level uv the Nigger, the voice uv one risin from the dead woodn't avall nothin. Yesterday the last outrage wich a chivalrous people hez been compelled to bear was perpetrated onto a citizen of the Corners. A Nigger is now an offisholder at the Corners! I shell state the case calmiv: simly:
The posishen uv assessor uv internal revenoo

from the Pacific coast. The posishen uv assessor uv internal revence for the deestrick uv wich the Corners is the center hez bin held sense A. Johnson hez bin president by Capt. Hugh McPelter, late uv Morgan's cavalry, C. S. A. That he hez filled the posishen to the satisfaction of the citizens uv the Corners no one denies. He is a distiller, in fact he and Eider Pennibacker rum the two distilleries in the town, and they hev did a thrivin birnis. McPelter was assessor and Pennibacker endlester, and events. brought them to this port.

enabled to continuous to sell it at five cents per drink, while everywhere else the regier price is ten and fifteen. There wuz other advantages in havin the assessorship and collectorship in their hands. By simply hintin to em that it wuz my dooty ex a fedral offis-holder to investigate their modes uv doin the government biznis, I hev not only bin the happy recipient uv scores uv two to the purposes.

Mr. Edmunds then moved to take up the resolution offered by him yesterday, providing for an adjournment to-day at 5 o'clock, and signified his intention to offer an affierdment fixing next Monday as the day of adjournment. only bin the happy recipient uv scores uv two gallon jugs, but I hev bin enabled, at divers and sundry times, to prokoor loans uv em uv various amounts, the lowest bein \$1.75, and the highest reachin \$20.

This happy condishun uv affairs is bustid. Gabrel Babçock, a nigger—that is, a half nigger, formerly the property of Deckin Pogram, and who looks enuff like the Deckin's oldest son lebtel to be his half brother. Wuz last week Jehiel to be his half brother, wuz last week appinted and confirmed assessor in the place of Capt McPelter, and imejity be entered onto the discharge uv his dooties. There are many feechers pekoolyerly aggravatin in the appointment. To begin with, this Babcock wuz notorlously obnox was to the Corners doorin the late conclusionation. of accumulated business, which could only be yns to the Corners doorin the late onpleasantnis.
At the beginnin thereof he run away from Deckin Pogram and entered the Federal servis. He waz pertikerly activ and cussid. His knowledge uv pertikerly activ and cussid him vooseful to the Fedral officers ez guide and econt, and at least one Fedral victry is chargeable direct to the information he brot. Then his wife wuz knowd to hevelid five Fedral sollers who had accord from Mr. Ramsey argued that it would be impossible in a few days to examine properly the large number of nominations still pending, and which hands of Capt. McPelter at Fort Pillow kin it be wondered at that he wuz left for dead?

Annersonville. When he shall refer to the hands of Capt. McPelter at Fort Pillow kin it be wondered at that he wuz left for dead? or kin it be wondered at that the people uv the Corners wuz surprized when he appeared among em at the close uv the war with one leg off and one arm stiff? Not much. Captin McPelter wuzn't in the habit uv half doin his work, and the appearance uv this niggar who had passed through his hands ruther astonished the Captin. Doorin his absence he hed learned to read and write, and he wuz made a teacher in the Freedmen's skool wich wuz establisht in this place, and now he is assessor, with Pollock on his bond. Ez a matter uv course we despair uv the republic. Wat freedom kin there be for us with a nigger in official posishen, to tyrannize over us? Wat man uv culcher, uv educashen, uv refinement, kin afford to live in a community where a disgustin mulatto is made not only our ekal but our sooperfor? London, April 17.—The debate in the House of Commons on the Irish Church bill was resumed last evening. M. Disraeli moved to omit the following clause from the bill: "On and after the first day of January, 1871, said Union created by act of Parliament between the churches of England and Ireland shall be dissolved, and said Church of Ireland, hereinafter referred to as said church, shall cease to be established by isw." Mr.
Disraeli supported his proposition in a speech Disraell supported his proposition in a speech of considerable length, contending that the above clause destroyed the supremacy of the Crown and placed the Church at a disadvantage.

Messrs. Collier and Roundell Palmer spoke in opposition to the amendment.
Mr. Gladstone spoke against the amendment, opposition to the amendment.

Mr. Gladstone spoke against the amendment, traversing the statements made by Disraeli. He thought, no twithstanding the clause, that the supremacy of the Crown would continue to exist, but in an altered form. If the amendment were successful it would absolutely destroy the bill. The union of the churches would continue, bit that union must not be enforced by Parliamentary bonds.

Disraeli admitted that his intention was to aim a mortal blow at the bill, but if the motion was accepted the government could still continue their disendowment. At length the House divided for 221 against 344.
