NBETTLED CLAIMS,

Grimaldi, and from the Lives of the Philosophers, by Diogenes Laertes, gives an able and attractive portrait of the great cynic philosopher, whom a little examination shows shore, and she was left the sole adult occuphilosopher, whom a little examination shows to have been less black and vulgar than he is usually painted.—The second essay is on the Turco-Greek question, from the proctocols and diplomatic correspondence; it concludes with a very clear analysis of the motives and undercurrents that were at work in the late Paris Conference.—Two pleasant pieces of belles-lettres, on Béranger and on Celtic shows the shall show the shallest letters and she was left the sole adult occupant of the island, save the light-keeper at its lower end, some fifteen miles off. Looking out at day-light on the beach in front of her door, she saw the shattered boat of the Conductor, cast up by the waves.

All day long Abigail Becker had fed her fire, and sought to induce the sailors by signals—for even her strong voice could not reach them—to throw themselves into the surf, and specific them—to throw themselves into the surf, and sole to country.

The Medical and Surgical Reporter for April, commended to the public by such on April, commended to the public by such of the Conductor, cast up by the waves.

All day long Abigail Becker had fed her fire, and sought to induce the sailors by signals—for even her strong voice could not reach them—to throw themselves into the surf, and sole the sole adult occupant to country.

The Medical and Surgical Reporter for April, commended to the public by such on April, commended to the public by such of the Conductor, cast up by the waves.

All day long Abigail Becker had fed her fire, and sought to induce the sailors by signals—for even her strong voice could not reach them—to throw themselves into the surf, and the Drug distant the Drug d belles-lettres, on Béranger and on Celtic | them-to throw themselves into the surf, and belles-lettres, on Beranger and on Cettle trut to Providence and her for succor. In anticipation of this, she had her kettle boil- Notes, critical, explanatory and practical, Réranger's songs are sometimes quoted in the nnhappy translations by the author of The made for restoring warmth and life to the Exiles of Idria, and their grace thus lost to half-frozen survivors. But either they did the English reader; the biographical portion of the essay, being simple and soon comprised, is satisfactory. The paper on "Celtic Music" gives less prominence than we like to the songs of the Welsh and French Celts; the the songs of the Welsh and French Celts; the with death. Just at nightfall there was writer seems to be unconscious of the exhaustive researches into the latter subject by across the thick air, as if for one instant the haustive researches into the latter subject by the Marquis de la Villemarqué.—Articles of a generalizing, and for a quarterly, almost gossipy nature, are those on the Ruling Classes of England and on Grant and his Cabinet.—A bit of very welcome study on the antiquities of America—antiquities that the matter of the matter o ought to be more significant to us than those sailors to throw themselves into the waves, and strive to reach her. Captain Hackett un-**Ruccessive Conquests and Races of Ancient Rexisoo."—The pronounced New-York ishness which we often find in Dr. Sears's Light be in twenty pages professedly devoted.

**Review is hardly to be seen this quarter, unless it be in twenty pages professedly devoted pansed for one moment in silent commendato Columbia College, but into which are tion of his soul to God, and, throwing lugged, "apropos of boots," the journalist's himself into the waves, struck out for the experiences with the heads of most of the belieges in the State, with animadversions on her reach when the undertow swept him such of them as are Catholics for not always back. By a mighty exertion she caught hold desiring to expose their educational methods. of him, bore him in her strong arms out of The number winds up with some very intel- | the water, and, laying him down by her fire, ligent Notes and Criticisms, and on the whole, we think, well maintains the acceptable place we think, well maintains the acceptable place watched the rescue, now followed, and the

The last article in the Atlantic for May, as Hackett caught hold of him, but the undertow we can get no clue to its authorship, we find swept them both away, locked in each other's particularly stimulating; for the time has arms. The brave woman plunged after gone by when the editor of a magazine gave gone by when the editor of a magazine gave distinction to his sensation-article by setting the author's name, alone, amid the ranks of followed in succession, and were all rescued unacknowledged contributions, - he now in the same way. unacknowledged contributions, — ne now in the same way.

"St. James's Square. Falling in Love. This early love, also, is fruitful of miseries through its inexperience. Under ordinary circumstances, two young people of opposite sexes and the same age are sure to fall "March 9, 1869." From our Late Editions of Yesterday love with each other if they are left much together. It is the most natural method of imparting a new interest to the ordinary busi-

By the Atlantic Cable,
BRUSSELS, April 20.—The trouble among the
miners at Mons, who have been on a strike for ness of taking walks to church and back, of spending the evening, and so forth. It is so very quiet and simple a revolution that they are ready to resume work peacefully and at the ready are ready to ready and at the ready are ready to ready at the ready are ready to re ness of taking walks to church and back, or spending the evening, and so forth. It is so very quiet and simple a revolution that the young people are only awakened to its presence by some little incident that flashes the truth upon their frightened eyes. Then there extractly an assertion of the prices heretofore paid.

LISBON, April 20.—The regular mail steamer has arrived from Rio Janeiro. The war news is truth upon their frightened eyes. Then there has arrived from Rio Janeiro. The war news is J. HINCKLEY CLARE of the prices are ready to resume work peacefully and as a small advance on the prices heretofore paid.

LISBON, April 20.—The regular mail steamer has arrived from Rio Janeiro. The war news is J. HINCKLEY CLARE of the prices heretofore paid.

J. HINCKLEY CLARE of the prices h followed by mutual protestations, vows of constancy, and tearful adjurations to secrecy. made several very successful raids into the territory held by the allies. Week after week this blissfully disquieting

falls only to the lot of few.—Odds and Ends of Alpine Life.

Week after week this blissfully disquieting life goes on, and then Edward, turning despairing eyes toward her, bids her farewell, and goes off in quest of fame and fortune. BALTIMORE, April 20.—In the U. S. Supreme Which of them shall first find out the profound mistake and blunder that lay at the root of all this fleeting joy? Which of them shall first find out the profound mistake some morning to find a new object installed in the chamber of the affections, which hitherto has only had an insufficient and temporary lodger? Perhaps Edward discovers that a very few weeks' absence has made a wonderful difference in his view of things; and now, being able more impartially to scan the unhappy Clara's disposition and temporary finds that the word the present and temporary of the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary finds that these would now the present and the court room is to scan the unhappy Clara's disposition and temporary long that the present and the court room is to scan the unhappy Clara's disposition and the court room is to scan the unhappy Clara's disposition and the court room is to scan the unhappy Clara's disposition and the court of the constitution and the court room is to scan the unhappy Clara's disposition and the court of the constant that the present was the court of the constant that the profession of the consta Nomination Withdrawn (Special Despatch to the Phila, Evening Bulletin.)

to scan the unhappy Clara's disposition and temper, finds that these would never assort with his own. Or it is Clara, who sees in Edward's willfulness and fits of sudden liking Washington, April 20.—The name of General A. L. Russell, of Pennsylvania, nominated for and disliking an unhappy omen for the fu-ture; and discovers that her heart does not cling to him with that perfect abandonment Minister to Ecuador. was withdrawn to-day from ment. Her letters become more subdued. From Boston. He remonstrates. She gives the faintest possible indication of the truth. He rises up in

Boston, April 20.—Dennis Sullivan was arrested last night for the alleged ravishing of a little girl in a by-street in South Boston, and has been ommitted without bail.

From Washington.

ing, finally turns to business, marries, ten years after, a happy little woman, and settles ing, finally turns to business, marries, ten years after, a happy little woman, and settles down to the living a comfortable and peaceful life.

Now the tracks appear of the case is this Now the tragic aspect of the case is this—
that, however desirable for both parties may
be the breaking of this unwise compact, the

Bureau, which has been under consideration by

Bureau, which has been under consideration by

Bureau, which has been under consideration by

8 Merchants' Bureau, which has been under consideration by the Commissioner and his assistants, went into sharp sundering leaves a dreadful and ragged wound in at least one of the hearts concerned.

Washington, April 20.—About one hundred Washington, April 20.—About one hundred Philadelphia. Washington, April 20.—About one hundred clerks, so far, have been discharged from the terward, that the inconsistency about which he has so bitterly complained was a perfect Godsend to him; but no amount of reason will remove the scar of the wound. The shattering of one's trust in this particular woman is like the collapse of the universe.

Washington, April 20.—About one hundred clerks, so far, have been discharged from the Third Auditor's—Office, and forty-two new appointments made, two of whom are colored men. One is Robert R. Douglass, son of Frederick Douglass, and the other James E. O. Hare, who was clerk in the North Carolina Constitutional Convention.

The rush of visitors at the appointment office the Treasury was intolerable to day, so that win remove the sear trust in this particular woman is like the collapse of the universe. There is no more faith, no more love, no more hope possible. Rain and chaose encompass things, and the world is a cheat. Then the beautiful idyllic charm of those early days—the sweet memories that hang around them like a faint fragrance—the old visions and aspirations, and tender confidences, is it not entirely desolating that these should be buried forever in the shadowy past? These days will never be forgotten. In the evenings of the years to come he will sit and brood over them, and call up faces and scenes out of the secure of sweet brier, will be fraught with a vague sandness to him, for these will be for ever associated with that by-gone dream. By-and-by he will reach a clearer conception of the whole affair, and come to see that Clara's conduct was not so much the result of her own sinful willfulness, or weakness, or inconstancy, but the result of certain circumstances which were absolutely concroler. This tyramy of circumstances will forever hang around him as an impenetrable mystery—a hateful, miserable thing; and when some tragic story of love's misery is told him in a thague or in a book, the sense of indigence of the particular was not so more tragic story of love's misery is told him in a thague or in a book, the sense of indigence and the same of the proportion of the whole of the were absolutely concroler.

The short Carolina Constitution at expenditude to station and granted the appointment of the appointment clerk was compelled to station and submit to one the spointment clerk was compelled to station and submit and appointment clerk was compelled to station and submit and the appointment clerk was compelled to station and submit and scale and submit and the absolute of the properties of the properties of the properties of the Naval Academy. Chief Engineer Juliana Constitution of the whole affair, and come to see that Clara's conduct was not so much the result of certain circumstances which were absolutely

when those present availed themselves of the opportunity of obtaining an interview with the Chief Magistrate. Among those who had personal interviews were Senators Cattell, Hamilin, Cole, Drake, Morton, Thayer, Schurz, Cragin, Wilson, Fenton, Nye and Boreman. Mr. Robert Lincoln also paid his respects.

The Cabinet met at noon, with all the members present except Secretary Borle.

Denths at Madison, Indiana.

Madison, April 20.—The body of Mr. Austin, of Kentucky, was found in a hollow below the pike, this morning. He had fallen over the embankment, and miserably perished, it is supposed about three weeks since. He was evidently intoxicated at the time.

Total and paid.

John L. Hodge, David Lewis, Bealamin Etting, Thos. I. Lewis, A. R. McHenry, A some tragic story of love's misery is told him in a theatre or in a book, the sense of indignation and pity will make his heart swell with sympathy and his eyes fill with the bitter tears of long ago. Amateur and Professional Climbers.

toxicated at the time.

McClure Branham, formerly superintendent of the Madison division of the Indiana Railroad, At Aeggischhorn I had the pleasure of meeting a very ardent climber, who enter tains peculiar notions regarding guides. He Fire in Canada. deems them, and rightly so, very expensive, and he also feels pleasure in trying his own powers. I would admonish him that he may go too far in this direction, and prohabily his own a very expensive, and proloss is partially covered by insurance. eems them, and rightly so, very expensive, bably his own experience has by this time or orestalled the admonition. Still there is

Obituary. forestalled the admonition. Still there is much in his feeling which challenges sympathy; for if skill, courage, and strength are things to be cultivated in the Alps, they are, within certain limits, best exercised and developed in the absence of guides. And if the real climbers are ever to be differentiated from the orowd, it is only to be done by disfrom the crowd, it is only to be done by dispensing with an abundant supply at 7 per pensing with professional assistance. But cont. on all classes of collatoral. The banks lend liberally, and are daily strong thealing their position.

training would be justified in undertaking anything of this kind, and it is an error to suppose that the necessary knowledge can be obtained in one or two summers in the Alps. Climbing is an art, and those who wish to cultivate it on their own account, ought to give themselves sufficient previous practice in the company of first-rate guides. This would not shut out expeditions of minor dangers now and then without guides. But whatever be the amount of preparation, real climbers must still remain select men. Here, as in every other sphere of human action, whether intellectual or physical, as indeed among the guides themselves, real eminence. 1829.—CHARTER PERPETUAL There have been many sales to realize, the rece short advance principally coming from the banks and holders in the interior. In State bonds, new North Carolinas are weak, and heavily pressed at 53, owing to rumors that the State has loaned its credit to the amount of four millions to the Wil-

Lord Berby in America.

A correspondent baving asked in Notes and Rutherford Railroad. The track of the Central Pacific Railroad will reach Monument Point te-day. The Union Pacific is laying from two to three miles of track every day.

A cullyber on the Vermont Central Railroad, at Hartford, Vt., was carried away by a fresher, and attain ran into it yesterday, injuring several of the passengers.

The Illinois Serie Active is Applied to the inquiry in the last number of Notes and Queries by the following letter:

Lord Berby in America.

A correspondent baving asked in Notes and Rutherford Railroad. Temessee 6's firm at 68% for old and 67 for new, on rumors that the July interest will be certainly paid.

The stock market shows less speculative interest than during the last three or four days, and is dull and low. The chief feature is Pacific Mailing in which is bear movement was inaugurated.

The Illinois Series Active Active in the passengers.

The Illinois Series Active Active in the passengers.

The Illinois Series Active in America.

A correspondent baving asked in Notes and Queries of March 6 whether Lord Derby was not the only English Premier who had ever visited America, and given a very paid.

Derby replied to the inquiry in the last number of Notes and Queries by the following letter:

13, owing to rumors that the State has loaned its credit to the amount of forche mington, Charlotte and Rutherford Railroad. Temessee 6's firm at 68% for old and 67 for new, on rumors that the July interest will be certainly paid.

The stock market shows less speculative interest than during the last three or four days, and is dull and low. The chief feature is Pacific Mailing in which is bear movement was inaugurated. The Petroleum Market,
New York, April 20.—The market for crude is
quiet. Sales at 17½. Refined is dull at 33.
