Line road, near School street. He had in his possession a lot of saws, a breadaxe, four drawing
knives, a brace and bit and a steel punch. He

All officers of the police force are directed to prosecute all persons found violating the provisions of the ordinance.

they go out. Malicious persons have intimated that this is symbolic of the case with which people get in, and the difficulty with which they get out of the grasp of the great clothing men. Very well, gentlemen, just as you please about it.

Any one of the tens of thousands of regular customers of Oak Hall will testify that it is not only easy to get in, but impossible to stay out, in view of the low prices and excellent clothing found there; and that it is not only difficult to get out, but actually impossible ever to cease buying all their clothes there, after they have once made trial of the unpavalleled advantages of dealing with Wanamaker & Brown. dealing with Wanamaker & Brown.

Tickets issued for the Race Street Rink will be good for that evening, the price of adralesion remaining as before, 10 cents. OITY NOTICES.

Long Branch.—This delightful summer resort is already resonnding with the busy notes of preparation for the coming season of '69. Gaining daily in popular estimation, as well on account of its convenience to New York, its beautiful situation, its surfibathing, delightful surroundings, and excellent hotels, it outranks Cape May, or any watering place in the world. S. Laird, whose name as a hotelist is the synonym of good living and solid comfort, has contributed much to the far-famed popularity of this delightful resort. The elegant hospitalities of the Old Mansion House, where for years (we dare not say how many, because some people who never grow old are sensitive about their age) he has held undisputed sway as the landlord of the beach, were found inadequate to accommodate his increasing patronage, and lest season he captured the spacious hotel property known as the United States, and reconstructing it throughout, lifted it to the level of the Old Mansion in all its appointments. It was a complete success. This season, intent on new triumphs, Mr. Laird has bought out the interest of Mr. Cooper in the Metropolitan, another large hotel, and associating himself in its management with Lewis Leland, formerly of the Occidental, San Francisco, will make it second to no house at the Branch. The Mansion House, under the direct management of S. Laird & Bro., and the Metropolitan, under Laird & Leland, will branch.—Lafayette Courier.
