Among the universal complaint of the sluggishness of the book trade this season, we turn with especial satisfaction to the achieve-

receives only too seldom from the powerful-

and less able to bear; in politics again, his correspondence with Cobden about the abolition of war, disheartened people who thought that there was hardly a vacancy for the discussion of millening a vacancy for the discussion of millening a vacancy for the Saturday and Mr. Lawrence has a knack at a military man. Alice Irving is odious, but a military man. Alice Irving is ms, and evoked from the Saturday Review, only the other day, the snappish assertion that the diplomacy of the literary Minister was "a tissue of ambitious and concided blunders." Bunsen, however, was a ceited blunders. Bunsen, however, was a many who as a German, had time to blunder.

The catastrophe, in which decoded the winder of the Covard," poisons himself while being threatened by Mark, the husband of the woman he loved, is strong enough, but is to be deprecated in point of taste. The publishers have brought this tart branch the Covard, is paragraph, upon the hysteries of player almost interally direct and shortened the distance from the Lake to San Francisco more than two hundred miles. He publishes the was from the Latin of Antonio de Guevara, the "Mysteries of Mount Calvary."

To the infelicitously-named Sunday Library they have added a volume which we bray the mysteries of player almost interally direct and shortened the distance from the Lake to San Francisco more than two hundred miles. He publishes the account of his explorations, in a very interaction of the was from the Lake to San Francisco more than two hundred miles. He publishes the Deity. The first volume of this Library than two hundred miles. He review. man who, as a German, had time to blunder, and blunder out of it; unlike the oracle in queshelonging to the English edition. belonging to the English edition. tion, whose most terrible mistakes are perpetrated in being always irrefutable. Bunsen's life reconciled various paradoxes; he was a Edwin Hodder.

A Series of Letters from London, during of elegance. the years from 1856 to 1860. By George Mifflin Dallas. Edited by his daughter Julia. This is a story written "with a purpose," by Two vols, in one, 8vo.

Mr. Dallas's private letters, written princi- cates technical criticism, and relies rather on pally to American friends from London while | the truth she illustrates than on the form in representing the United States at the Court | which she is able to clothe it. We are sure of St. James, have been carefully edited and | that any one who takes the time to read i indexed by his daughter, and presented, in | will shut it with a kindly feeling for the writer one handsome octavo, by the publishers. who is evidently a mystic, of high notions These three hundred and forty-three letters, a about philanthropy and social science, and great many of which were to Mr. Marcy and even, in a transcendental way, a politician Mr. Cass, the successive Secretaries of State, It forms a faultlessly neat book of 323 pages. on the three hundred and thirty despatches | By Mrs. H. B. Stowe. The authoress of in the latter, and are naturally most the volume, by contrast with the greatly inintereresting when explanatory of matters ferior fairy tales contributed by another behind the screen of dipl macy. As con taining Mr. Dallas's opinions and sentiments Incidents of the U. S. Christian Commis behind the screen of dipl macy. As con | hand. on the often critical relations between our | sion, by Rev. Edward P. Smith, Field Secre country and England just before the war, and tary of the Commission.

The Officers of the Commission felt that on various little home matters regarded with our war was unparalleled not only in its mo natural fondness during a pretty long exile, tives and origin, and in its effect upon the be dropped at six feet distance with two balls they have many points of interest for his history of human liberty, but in the devel- in her forehead; Sir Samuel's boas, as thick as fellow-countrymen and especially his fellow opments of individual character which ex a man's thigh, lash about, "mowing" the citizens. That no rumor from the imminent hum of war reached the Ambassador in his distant station, was the strange effect of party distant station, was the strange effect of party soldiery so advanced in intelligence. A judicious condensation of the Memoir of Baron Bunsen, by his widow;

A judicious condensation of the Memoir of Baron Bunsen, by his widow;

A judicious condensation of the Memoir of Baron Bunsen, by his widow;

A judicious condensation of the Memoir of Bouthern life, a charm. Vexed questions he deprives of their sting by being unconscious of the "Yank" do not brandish their horrors over this atmosphere of content. "Ben Eccles" is, without any consciousness of the fact, a little story, confessedly a sermon, and designed to combat the influence of rationalism in undermining the foundations of Revelation. We story, confessedly a sermon, and designed to combat the influence of rationalism in undermining the foundations of Revelation. We story confessedly a sermon, and designed to combat the influence of rationalism in undermining the foundations of Revelation. We story confessedly a sermon, and Faith" is the title of a little story, confessedly a sermon, and designed to combat the influence of rationalism in underwining the foundations of Revelation. We story confessedly a sermon, and designed to combat the influence of rationalism in underwining the foundations of Revelation. We story confessedly a sermon, and designed to combat the influence of rationalism in underwining the foundations of Revelation. We story confessedly a sermon,

Baron Bunsen published last year was a desideratum; for the long, gushing, leisurely, affectionate compilation of the Baroness, in its original state, had surely a wearisome side to its good qualities; it belonged to that class of German statement-making which is capable of talking on forever without any consecuences of boring itself; it made one think of Matthew Arnold's image of the German in tellect "calmly and contentedly swimming about in oceans of platitude," and would have been read entire, we may safely say, by no Anglo-Saxon mortal. As for the Chevalier, he was perhaps the best diplomate among philosophers, and philosophers, and philosophers among philosophers, and philosophers. As ambassador in London, he was in a position, to take Max Moller strongly by Baron Bunsen published last year was a dein a position to take Max Muller strongly by read it—it can be read in an evening—will style, and by accounts of his "times," and the hand, and drop into his ear the hint—one | feel a little as if he had been reading Tennyof those fecundating hints which literature son's "Lotus-eaters" in a new form. "Breaking a Butterfly; or, Blanche Eller-

which has just resulted in the publication of "Chips from a German Workshop." Then, when cashiered as a statesman, and settled in scholarly leisure at Heidelberg, he could de vote his well-stored mind to that immense

AT A meeting of the Board of Directors of the

St. Louis yesterday from the Upper Mississippi. It is announced that a contract was concluded on Saturday for 100,000 bushels of No. 2 wheat at ports above Rock Island, at a price which will

y it down in Liverpool, its destination, at \$1 42 r bushel. It will be shipped by the way of New JUDGE BENEDICT, of New York, yesterday charged the Grand Jury in the United States Cir-cuit Court in reference to revenue frauds in that city, more particularly the drawback frauds, involving many Government officials in forged papers to the amount of \$700,000. It was, said judge, the duty of the Grand Jury to indict THE Protestant Episcopal Board of Missions opened their spring meeting in Trinity Church, Newark, N. J., yesterday morning. Rev. Dr. Haight, of New York, presided in the absence of the Bishop. The attendance was very small. The agency system was discussed by the Rev. Dr. Rudder, of Philadelphia, and others. In the evening, at Grace Church, Dr. Irving stated the

necessity of co-operation of churchmen for the Mayor Fox has issued a request for a general ringing of church and fire bells in recognition of this great national event, between the hours of 3 and 3½ o'clock this afternoon. PROMONTORY POINT, Utah, May 10.—The time for laying the last rail of the Union Pacific Railroad is 2 30 P. M. to-day. The Western Union Telegraph line has made arrangements to announce the spiking of the last rail by repeaters, and it will be sent to every station in the Union.

By the Atlantic Cable, LONDON, May 10.—A great mass-meeting was held at Cork on Saturday evening for the purpose of expressing the popular condemnation of the conduct of the Government in the matter of ayor O'Sullivan.
MADRID, May 10.—In the Cortes on Saturday, Senor Orenze asked what action had been taken by the Government towards acquiring Gibraltar. De Lorenzanca, Minister of State, replied that
