IODIZED SYRL P OF HORSE-RADISH.

PRIPARED BY GRIMAULI & CO. PARIS. 3

This syrup contains Iodius combined with the jude of water crees. Perse-radish, and ecury-grass, in which iodine and sulphur exist naturally, and for this reason is an excellent substitute for cod liver oil, which is generally supposed to one its efficacy to the presence of iodius. The lodized Syrup of Horse-radish invariably produces most satisfactory results administered to children suffering from lymphatism, rachitism, congection of the glands of the neck, or the various eruptions on the face so frequent during infancy. It is also the best remedy-for the first stage of consumption. Being at once tonits and depurative, it excites the appetite, promotes digestion, and restores to the tissues their natural firmness and vivor.

OPAL DENTALLINA.—A SUPERIOR ARTICLE FOR cleaning the Tech, destroying animalcula, which infest them, giving tone to the gums, and leaving a feeling of fragrance and perfect cleanlineas in the mouth. It may be used daily, and will be found to strengthen weak and bleecing gums, while the aroma and detersiveness will be common to the very one. Being composed with the assistance of the Dentiat, Physicians and Microscopist, it is confidently offered as a reliable substitute for the uncertain washes formerly in vogue. Eminent Dentiats, acquainted with the constituents of the Dentallina, advocate its use; it contains nothing to prevent its unrestrained employment. Made only by JAMES T. SHINN, Apothecary. For sale by Druggists generally Fred. Browne.
