NEW YORK MONEY MARKET The Market Without Essential Change

> Gold Opened Strong and Advanced Decline Later in the Day Market Devoid of Exciting Influences [Special Despatch to the Philada. Evening Bulletin.] NEW YORK, June 2.—The money market is without essential change, being easy at 6 per cent. on Government bonds, and 7 per cent. on

miscellatious collaterals. Prime discounts range from 7 to /9 per cent. Gold topened strong at 1393 and advanced to 1393, but not-withstanding that the London price for bonds came lower by 2 per cent, the premium fell off to 1382. There are no especial considerations affecting the premium; but, little speculative feeling is shown. The believers in artise are gradually picking up a considerable amount of gold, although the market is devoid of any exciting influence. Cash gold is in good re Government bonds opened about steady at the closing quotations of last night, and con-tinued strong at these figures during the early tinued strong at these figures during the early part of the day, owing to the quotations of bonds in London at 80. At the noon call the market fell off ' to J in response to the decline in honds to 80!. The general inarket is dull, and shows little interest or importance. For-cign exchange is dull, as usual on a steamer day. Sixty days, 10!; sight, 110!. Stocks opened strong, being firm, but have since been dull and generally lower. since been dull and generally lower. The prevailing features of interest are the same as for the last few days. From Washington. WASHINGTON, June 2 .-- The following naval orders were issued to day: Commander Harmony has been ordered to the Navy Yard Harmony has been ordered to the Navy Yard at New York, as Inspector of Supplies. De-tached—Commander Hopkins, from duty as Inspector of Supplies, at the New York Navy Yard, and placed on waiting orders; Commanr Blake, from the command of the Swatara, and placed on waiting orders; Lieutenant-Commander 'Farquhar, Surgeon N. L. Bates waiting orders; Paymaster Robert W. Allen, from the Swatara, and ordered to settle his accounts; Lieutenant-Commander Schley, Schley, from the Naval Academy, and ordered to the store-ship Idaho. The Navy Department has received a de-spatch from Rear-Admiral Radford, com-

b) them, as well as on account of the tendency to have interest, so usual in summer, are inclined to enlarg their accounted aton. Governments opened with great buoyancy, in respons to a rise to 81 for bonds in London, and prices, at the noon board touched their highest since the sharp dealin in-adda. In the atternoon there was considerable treatiza-tion, while some measures was obtained by an error neous cable quotation giving the London price as 7% a one o clock. Latter in the day this was discovered to b an error for 80%. The activity in money, however, pre vented a reaction. unted a reaction. A telegrand from London to the *Lowrant de St. Peters*, *ares*, under date of May 14, confirms the offer of five libions sterling in gold much by the Bank of France to e England, which was, however, refused by Yan Dyck, the Assistant Treasurer in this cit d not retire from the duties of his office to-day. Seer ry Bontwell having requested that he would continu the position until the 15th inst. This would indica-iat Mr. Boutwell has not as yet schedule a measure 2. And some time ago. Southern scentrities were higher and stronger and North pathy with an improvement in Tennessees and North (arolinas, a report being in circulation that the July in-terest on the hither would be paid. The advance in gold as well as the higher quotations for five-twenties in London created a fuller supply of sconnercial and bond bills, under which bankers ster-terest the close a and time ago. rn scourities were higher and stronger, in symling hills reacted an cighth to a quarter here cut. While the sight quotation was nominally 100% at the close a good deal had been done at 100. Cable transfers were made at 100%. Gold was strong under the renewal of the bull specula-tion, and rose over one per cent. The success of the novement might have been more decided had the foreign onotation for five-twenties not deterrol ontside bover | From to-day's N. Y. World.]

manding the European squadgon, dated Tou-lon, France, May 11th, in which he states that -quotation for five-twentics not deterred outside buyers. IFrom to-day's N. X. World.] Junc 1:-Tho stock market is dult, excepting in Michigan Southern and Pittsburgh, which were manipu-lated by the cliques. Michigan Southern fluctuated be-tween 10% and 107% and Pittsburgh 10% and 104%. It is reported that Mr. Horace F. Clark will be made Presi-dent of the Consolidated Lake Shore and Michigan Southern Boads, and Mr. Legrand Lockwood, Treasurer. This report caused some to buy and others to sell, ac-coding 40 the different views they took of the result from the proposed officials. The Broadway brokers firm and their friends were free sellers of Michigan Southern, but the Vanderbill party were free huyers, which prevented the threatened break in the stock. At this crisis the market was on tho verge of a sharp decline, which might have resulted serionsly in the present fewerish condition of affairs. Prodent ope-rators generally are selling and realizing the large pro-its offred to them by the clique manipulators. Hanni-hat and St. Joseph preferred shares advanced from 129 to 131, owing to the company budding assets to the lamount of \$6.120.090, which will be used to redeem the hand bonds. \$1200,400; the cight per cent, loan, \$860,000,000, It is also reported that the com-pany, in addition to redeeming these londs, will declare 10 per cent, each and 20 per cent, scrip dividends. This 10 read is 215 miles in length, and its cightal scelars to 10 where the reading and reprised to the 10 by recent. cash and 20 per cent, scrip dividends. This 10 read is 215 miles in length, and its cightal scelars in §2. (0,000 common and \$5,000,000 preferred, and funded 10 by recent deroling and reminesces were strong. The following is a table of the extreme fluctuations of the market : he flagship Franklin arrived there on that
