A Hartz Tragedy.

Travelers in the Hartz Mountains will all remember the romantic stories told by guides
and peasants about the many love-sick maidens
who have cast themselves in despair from the
top of the far-famed Rosstreppe, five hundred
and forty feet, to the bottom. The guides will
now have a true incident to relate, and a sad
one, too. On the morning of Sunday, the 30th

An occasional dose stimulates the stomach and
bowels into healthy action, restores the appetite,
and invigorates the system. Hence it is often advantageous where no serious derangement exists,
one who feels tolerably well, often finds that a dose
of these Pills makes him feel decidedly better, from
the control of the system. With such change those complaints

—Choir singers in this country who grumble at their salaries should read the London Musical Times. They will see there that a soprano is wanted at a London clurch for £9—say \$60—a year; Eton College wants for its choir, a solo alto with a powerful voice, familiar with Green's, Croft's and Purcell's anthems, to sing twice every day of the week, for £100 a year; and chorister boys are wanted at salaries ranging from £2 to £10 per annum, including schooling, but exclusive of board or lodging.
