What, then, are we in the preand thetorical effect by Prince Napoleon. Mon so; none other than Monsieur Louis Napoleon and research enert by Times Napoleon. Mon so, none other than Adolsed Hous Napoleon Adoleon House Parke bien, declares the Bonaparte, now Napoleon III., by the grace of astonished Joan, in Voltaire's scandalous poem. God and his own right hand, and Eugénie, "La Pucelle." Perhaps there was something of Empress, by right of his choice and her own a similar wonder mingled with the burst of supreme fascinations. uine admiration which went up first from tainly, I remember no single speech which, relent; you see that they are human, are kindly, during my time, created anything like the and desire sympathy; that there are some lines same sensation in Europe. For it took the of trouble and toil, and perhaps sorrow in their onter world wholly by surprise. It was not a faces, such as are to be found in yours, may be. case like that of the sensation lately created by the florid and fervid eloquence of the young say a pleasant word; your kindness goes forth; Spanish orator, Castellar. In this latter case you wonder to see how like yourself and your the public were surprised and delighted to find friends they are after all. You discover that

the orator. "No, nor are your antecedents closed her eyes again.

Then he panted out, "Yes, it is I—a friend.

I won't hurt you—I won't tell how I love you any more—only live. Don't give way. You

the orator. "No, nor are your antecedents ours. Our pride is that our fathers fell on the battle-field resisting the foreign invaders whom your fathers brought in for the subjugation of France!" The speech is studded with

thwarted, nor worried, nor made love to again; sudden replies equally fervid and telling. Inonly be brave and live; don't rob the world of deed, the whole material of the oration is rich, the only angel that is in it. Have mercy, and strong, and genuine. There seems to be in the live! I'll never ask more of you than that. Oh, how pale! I am frightened. Cursed fires, | certain want of freshness and natural power. I do not speak of Berryer—he had no such want. But Thiers—by far the ablest living debater to her, imploring her, and sighing over her, and speaks only from preparation—with all his saying the wildest, sweetest, drollest things, such wonderful science and skill as an artist in deonly those who love can say, in moments | bate, appears to be always somewhat artificial when hearts are bursting.

How now? Her cheek that was so white is sitely modulated tones, and his unrivalled pink—pinker—red—scarlet. She is blushing. | choice of words, hardly ever appears to me to rise to that height where the orator, lost in his tive fibre, force and passion of oratory than those of almost any Frenchman since the days However that may be, the effect wrought on the public mind was unmistakable. Plon-plon had startled Europe. He en-In reply to recent applications for his autograph, Mr. Reade sends word that this number a dullard and a sensualist; he came out of it the Galaxy contains a fac-simile of his iting, such as it is, and his sentiments into bargain. This being printed and on sale

The Emperor had gone to visit Algeria; the protect the publishers of the Galaxy in their Prince went to deliver an oration at the inauguration of a monument to Napoleon I., at guration of a monument to Napoleon I., at Ajaccio. The speech was, in brief, a powerful, passionate denunciation of Austria, and the principles which Austria represented before Scales to the new counterfeits, altered National Bank Notes, rates of discount in all the principal cities,

The artist happened to have a ferocious credible of the counterfeits and place of opening the said proposals. Each proposal will be accompanied by a certificate that a Bond had been filled in the Law Notes, rates of discount in all the principal cities, ught her a lesson of tardy wisdom whose style, being cultivated for the daily jour-nal in England, appears to be all sufficient for tory, one might fairly acknowledge the Prince's speech to have illustrated eloquently some solid and stern truths, which Europe would have done well even then to consider deeply. Subsequent events have justified and illuminated many of which there is an extended definition.

Zell's Popular Encyclopedia and Universal Dictionary. We receive pages of this favorite vehicle of knowledge down to the word Berry, of which there is an extended definition. periodical belles lettres in America, furnishes speech to have illustrated eloquently some solid Some few years ago, seven or eight perhaps, a what then seemed the most startling utterances Some few years ago, seven or eight perhaps, a certain sensation was created among artists, and literary men, and connoissed and journalists, and literary men, and connoissed and journalists, by one of Flandrin's best was a possible of the price Nacoleon pleaded against the Enclyopedia), which is a good likeness and gratitude."

Among the engravings we observe a portrait of the orator. Austria, for example, practically of the late M. Berryer, (occurring in No. 35 of mured, "and I am at a loss to express my gratitude." "Do not try," replied the artist, jy16-3tip Chief Commissioner of Highways gratitude."

Secure and critics, by one of Flandrin's best much the Price Nacoleon Pleaded against certain sensation was created among artists, of the orator. Austria, for example, practically eurs, and critics, by one of Flandrin's best much that Prince Napoleon pleaded against portraits. Undoubtedly, the portrait was an her. But as the speech of the Emperor's hirable likeness; no one who had ever seen cousin; of one who stood in near order of sucthe original could deny or question that; but cession to the throne; of one who had only just yet there was an air, a character, a certain been raised to an office in the State so high lepth of idealized expression about it which that in the absence of the sovereign it made eemed to present the subject in a new light, him seem the sovereign's proper representative, and threw one into a kind of doubt as to it was undoubtedly a piece of marvellous in-

Changes in Japan.
A correspondent of the Allgemeine Zeitung long Japan will again be plunged into a civil war disastrous as that which has just terminated. Prince Napoleon has, indeed, been taken into Many of the daimios, and Satsuma in particular, are deeply involved in debt, notwithstanding which they continually buy arms and ships large quantities. The real reason of the submission of the daimios was that the princes of the south, who led the rebellion against the Tycoon, and eventually conquered him, were unable to agree as to the division of frustrated by failure and fate. "A Casar out lie again. Let us, meanwhile, endeavor to set the spoil, and consequently made over the Tycoon's revenues to the Mikado. Most of these revenues proceed from confiscated property in the north of the island, where many of the daimios are secret adherents of the Tycoon; and the southern princes knew that if they divided this property among themselves they would not be able to defend it against their enemies. As it is, the Mikado is totally dependent on the southern daimios, who furnish hin with the funds necessary to carry on the

government, and any disputes among then are just as likely to produce a civil war as be Napoleon-Jerome, son of the rattle-pate But now there enter a gentleman and lady-King of Westphalia—Prince Napoleon, as he is one ordinarily called, the Plon-plon whom soldiers about forty—handsomely dressed; she elegant federation not unlike that which formerly prevailed in Germany to be created, with the Mizitimists denounce, the cousin of the Emperor You will forget the clothes, and will scan those kado, or spiritual sovereign, at its head. This maintenance of order, has at least one advanfied, gracious, queenly. They pass along the ranks, saying a pleasant of the two sovereigns, with powers and responwas a remarkable debate in the Senate, ranging indulging in a word of badinage, or a soft kiss, sibilities so vague that no European could understand which of them was really responsible for the due execution of treaties, and the conduct of officials, there will now be a single baustive oration delivered with splendid energy sence of an Emperor and an Empress? It is government with a tangible head. Europeans may now expect some reform in the system of currency, which has brought on them so many severe losses. Under the treaties of 1866 the silver coin (boo) was to be 134 grains in weight, nine-tenths of which were to consist of pure silver; but the quantity of silver in the coins You may have had some misgivings in your Paris, then from France, and finally from life, some bitterness as to these your hosts in actually in circulation has always been much larger and America, when that magnificent days before you knew them, and were invited less. The reason of this is that hitherto there actually in circulation has always been much democratic manifesto came to be read. Certo break bread at their table. Now you has been no government mint, the money having been coined under the direction of inc vidual daimios, who, of course, do not consider themselves bound by treaties. \_\_\_\_ —Here is what M. L. Limonin (a disagree-able Frenchman) writes to the Paris Reveil about Anna Dickinson: "This young lady is passably good-looking, and has considerable fluency in speaking; but, as a general thing, her arguments are illogical in the extreme, and hardly worth listening to. I grew decidedly fidgety after hearing her for lifteen minutes."
