COAL.

wholly inappreciable. Sulphur has been want of a more descriptive term, "foxiness"—looked upon as a specific against mildew, and has been inherited in a modified degree by its

even as a preventive of its attacks. We have descendants, and is unpleasantly perceptible in tried it for three years, but cannot see the Concord wine. We know, however, that

three and a half tons to the acre.

Grape culture will not suffer when its profits

George Husmann, and we believe that the Middling quality wines, are fairly compared with those of any ordinary farm crops; and such a comparison is, it seems to us, the only way of getting a correct estimate. We can safely reckon that seven hundral and the comparison is to us, the only way of getting a correct estimate. We can safely reckon that seven hundral and the comparison is to use the comparison is t dred Concord vines will produce, on an acre of ground, thirty-five hundred pounds each year.

These, if sold for five cents per pound, will give a better return than any field of corn, with ess than half the annual outlay for labor and | Catawba wine, but its bouquet is so peculiar | feeble and uncertain beginnings, wine-making | public taste, and American wines ranked as | goal with so much energy and hope that we their merits deserve. sand to the succeed best six feet above the surface, but we must say that in both methods failure is the rule. We regret this process would be of immense value. In proof we may mention that we knew a small two-bud cutting to be grafted on a vigor-ous stock in June, and to make from each bud a strong cane ten or twelve feet long the same season. In the case to which we refer the causes were layered the next-spring, and the result was that in fifteen months from the time the tiny sciency says in the propagated his two buds in the usual way, by heat, he would have had two small vines instead of forty large ones. We cannot help thinking that, at some time the problem of grafting will be solved; and, if it problem of grafting will be solved; and, if it problem of grafting will be solved; and, if it problem of grafting will be solved; and, if it problem of grafting will be solved; and, if it problem of grafting will be solved; and, if it problem of grafting will be solved; and, if it is produced the produced wine of the quantity which, are not worked feet on a vigor in the juice up to the quantity which, the quantity which, the quantity which, are not worked the end of the quantity which, then the quantity which, when fermented, will produce the percentage all chot for cutain articles of merchant in the produced wine of the highest quality, but not yet in quantity sufficient to become an article of trade.

There is of course much difference of opinion as trong cane ten or twelve feet long to which such that in fifteen months from the time the tiny scient to decide the produced wine of the highest quality, but not yet in quantity sufficient to become an article of trade.

There is of course much difference of opinion as the produced east of the Rocky Mountains, and also gone to the case to which we refer the causes were layered the next-spring, and the result was a finite to doubt the trade and before certain articles of merchant in the time with the feath of the giar in the juice up to the quantity which, then feathe problem of grafting will be solved; and; if it the Catawba grape has seen its best days. We that anything else is added, but unpleasant who has become an active business man of that should be, then nurserymen will mad it prontable to raise seedling stocks from flative seed

TELEGRAPHIC SUMMARY. From our late editions of Yesterday which he was to be tried had been unreservedly admitted by Mr. Cheney. This Mr. Cheney emphatically denies, and his denial is sustained by his wife and Mrs. A. Louise Shel-CEN. MEADE is at Cape May. London, Aug. 6—At an early hour this morning, during the sessions of the Houses of Parliament, great excitement was occasioned by a loud explosion, in the building. Search den, who heard Mr. Cheney say, in a loud voice, "Bishop, I admit nothing" Tile Turco-Egyptian difficulties are bein THE Empress Eugenie will spend three was instituted, and a tin case, which had contained powder, was picked up on the terrace near by. Not much damage was done, and no arrests were made. The affair is involved in mystery. SENTER's majority in Tennessee, it is stated, nay reach 50,000.

The crops in Georgia are suffering from heavy and continued rains.

M. PAUL DE CASSAGNAC has fought a duel with Gustave Flowrens. The latter was seriously wounded.

Policeman John Keiri, of Baltimore, while arresting in that city a rebellious fellow named John Sprink, mortally wounded him.

President Grant, accompanied by Secretary Fish and Admiral Porter, visited West Point yesterday.

The direction of this city, beginning at an outdoor Radical meeting, to celebrate the fit implication for this city, beginning at an outdoor Radical meeting, to celebrate the triumph of the Radical candidate in this Congressional district. The meeting was a large one, and all composed of colored persons, except a few white leaders. During the whole of yesterday rimors were in circulation that the Carlist bands in Spain have Rish and Admiral Portor, visited West Foint yesterday.

Rish at Mobile, Ala.

The duties on the importation of rum into Madagascar have been reduced from 33 to 10 per cept. and ratorem.

A NEW lighthouse will soon be erected at Goat Island, Narraganisett Bay, where Fort Wolcott now stands:

NEARLY all the Carlist bands in Spain has dissolved and disappeared. The Carlists are discouraged, and the movement is considered as having died out.

INTERNAL Revenue Supervisor Harrison, of New Jersey, has been sent to West Virginia to investigate revenue matters in that State.

IT Is stated that in Prim county, Arizona, 52 whites have been killed, 18 wounded and two made captive by the Indians, since January last.

F. W. Lincoln's nautical store in Boston was robbed of Thirds of New Store, at Reed's Ferry, N. H., was robbed of \$1,200 the same night.

Two young men, George B. and James Addison, have admirated it he shooting of the Cresswell of the Reddeal from the ordered arms, well brothers, near Edgefield, S. C. They allow the content of the Cresswell of the miscoling of the Reddeal in passing of an out-flow and the meeting of the Reddeal candidate (O.I. Mann) in efficy Several clitzens called on the Mayor and some of the Radical leaders, and the income matters in that state.

It is stated that in Prim county, Arizona, 52 whites have been killed, 18 wounded and two made captive by the Indians, since January last.

**Out of the Reddeal Leaders and advised them that the Penbayikania Coal Company in resuming the work at their mines in the anthracite region, and that by the end of this week the entire out, the new would be no meeting, the approach of the State will be again actively at work.

The Molled on Thouse of the free consisting at an out-flow cell of the Reddeal Candidate (O.I. Mann) in efficy servers to the finding and the deaders and advised them that the first propose a plan of the propose a plan of the contenting and out-flow country and some of the Reddeal Candidate (O.I. Mann) in efficy servers and a plan of th of the leaders, until about 10 o'clock, when a jocose dispute between two citizens, on a subject entirely foreign to politics or the meeting, attracted some attention, and in passing up to see what it was about, a white man is said to have accidentally trod on the foot of a colored man. Just as the altercation about this was the signal for a general firing. The whole crowd dispersed immediately, but the firing was continued a few moments as the crowd scattered, and in ten minutes a dead quiet reigned, broken only by the tread of the white patrols.

On toreign coal. We learn from the Philadell plain American that "in the Schuylkill'region all parties seem to be thoroughly aware of the mischief that has been done, and of the danger threatening, and they are working with zeal and effect to rush their coal to marking up lost ground."

It is estimated that before the end of August the increase in the supply will equal at least six hundred thousand tons over the supply of last year for the same period. All the collier is are now at work in the different coal regions, except two companies in the Scranton dison, have admitted the shooting of the Cresswell brothers, near Edgefield, S. C. They al-J. Epstein Newbury, of Poughkeepsie, was found dead, under his horse, at Hopewell Junction, yesterday. It is supposed that the On Wednesday half a million of ten-forty patrols.

A detachment of United States troops were bonds were exchanged for five-twenties, stationed at the guard-house, at the request of the Mayor, in anticipation of trouble. They stationed at the game the Mayor, in anticipation of trouble. The Mayor, in anticipation of trouble. The Mayor in anticipation of trouble. The was the natural result of the excitement. There were not over one hundred white men as lookers on at the meeting as lookers on at the meeting the local from the Kanawha mines. dollar gold pieces. Several thousand dol-lars worth of the money was found in their. The casualties were small considering the lars' worth of the money was found in their possession.

A SAVING man who deposited \$3,300 in United States bonds in the ash-pit of his bacon-house, writes to the Treasury Department

The casuatties were small considering the number of shots and the close quarters. Many shots must have been fired in the air. Three negroes were killed outright; four police officers were wounded, and five negroes and three white men were wounded.

The casuatties were small considering the number of shots and the close quarters. Many shots must have been fired in the air. Three negroes were killed outright; four police officers were wounded, and five negroes and three white men were wounded.

ST. MARY'S, GA.—Brig Engus, Willdy—150,000 feet pitch pine lumber E A Souder & Co. [Special Despatch to the Phila. Evening Bulletin.] NEW YORK, Aug. 6.-J. H. Pratt, formerly a Major in the rebel army, was before Commis and experts of the Department having made out the full amount, \$3,200 in good notes were sent to him.

The seizure by the American Government of the gunboats building for Spain, at different points in the United States, is eliciting the following comments from London newspapers:

Major in the rebel army, was before Commissioner. Osborne this morning, charged with having, on the 4th of October, 1863, while continued with several rebels under a guard of United States troops at Jefferson, Texas, forced the guard, with 30 others, and murdered G.W. Smith, Lewis Grant, and Richard Steward, members of the guard. Four of the parties implicated with him are now in custody in Texas. points in the United States, is eneming the 101lowing comments from London newspapers:
The Morning Star (Radical organ) says the
American Government, having exhibited vigor
in favor of Spain by enforcing the Neutrality
laws, has now proceeded equally vigorously
against Spain, and for the same cause: The Alabama Election. MONTGOMERY, Ala., Aug. 6.—The returns predictions, the Cuban insurgents seem to be able to hold their ground.

The whispers of the cession of Cuba are still meagre, but enough is known to reuclash that Buckley and Hays (Radicals) have been elected in the second and The whispers of the cession of Cuba to the United States are now louder than ever. The Americans have desired to come into possession of that island for the mast twenty years and now the obstale of the certain that there are the cals) have been elected in the second and fourth districts by colored majorities. Dix and sherron (Democrats) are elected in the fifth and sixth district, by white majorities. The returns from the first district are too into come into possession of that island for the past twenty years, and now, the obstacle of slavery having been removed, if a fair purchase can be effected, all parties may be satisfied with the impression is that Buck is elected. The third district is very close, and one hundred votes either way will probably decide the arrangements, which will give another the third district is very close, and one hundred votes either way will probably decide the result with certainty, but the impression is that Buck is elected.

Sun Rises, 5 04 | Sun Sets, 7 07 | High Water, 1 41 | ABRIVED VESTERDAY. The Buffalo Races. BUFFALO, Aug. 6.—The horses for the great The News concludes an article as follows: trofs to come off next week are arriving here daily from the West and Canada. Old turf make it difficult for Europeans to keep hold of their unwilling colonists in America, and reflecting that Cuba is now in insurrection, Spain that Cuba is now in insurrection. cations promise the most interesting trots ever held anywhere. The city is full of strangers. Among the arrivals yesterday were W. R. Johnson, from Kentucky, and the noted pacer Dan Voorhies. per gives the following:

"An Englishwoman whose evil fate led her to marry a French journalist. Is now plaintiff in a case before the courts. She is one of the daughters of Mr. Perkins, a member of the defendant is one M. Aurelien Scholl, at one time contributor to Figuro. The marriage took place eighteen months or two years ago under peculiar circumstances. Miss Irene Perkins was staying at Nice for the benefit of her health. The landlady of the pension where she lived was acquainted with M. Scholl, and having ascertained that her pensionnaire belonged to a wealthy English family, forthwith sent him word that if he came down she would in roduce him to an English heiress, and that if he succeeded in marrying her he need not trouble himself about writing for Figuro any more. M. Aurelian Scholl took the hint, made his terms with the landlady, and without going into painful details, it will be sufficient to say that a protracted courtship led to a marriage.

"Miss Perkins's father, as a prudent man, settled his daughter's portion (£2,000 a year) on herself, and tied it up so fast that only one-laff of her incorporate account the present mode of transportation. Parties are also preparing to erect smelting the rail to the remaining to receive the tenter of these ores.

The receipts at the Land Office in Denver for July were \$339,798.

A Santa Fe despatch says a party of miners were attacked by Indians near Sulphur Spring and their wagons and supplies fell into their hands. A party of miners on an inspecting four to San Juan country by the Utah Indians, but were positively prohibited from locating claims. Large numbers of cattle and sheep lands of the present man, settled his daughter's portion (£2,000 a year) on herself, and tied it up so fast that only one-laff of herimorate account. An Adulterous Couple Punished.

Notice has been pusted at Llayds in reference to the missing steamer United Kingdom; calling upon the underwriters to settle their liabilities of insurance, no doubt being now entertained else must have foundered with all on board. The United Kingdom was one of the line of packets trading between New York and Glasgow. She loft New York April 19, and was never seen afterward. carried in, and new parties are made to the suit. These parties are the Bishop and presenters.

Accompanying this bill is a correspondence between Bishop Whitehouse and Mr. Cheney, Bishop Whitehouse, in his letter to Mr. Cheney, Bishop Whitehouse, in his letter to Mr. Cheney,

on herself, and tied it up so fast that only one-half of her income could be touched by her husband, the remaining half being exclusively under her own control. This arrangement, though acquiesced in by M. Scholl at the time it was concluded, he sought to upset after the honeymoon. Whether he had debts to pay, or what not, matters little; but it happened that his wife resolutely refused to allow him to touch her half of the £2,000 a year. Thereupon M. Schollentered on a course of ill-treatment, and verbal insult, which cannot be transcribed into decent language. The court hold. scribed into decent language. The court, holding that Madame Scholl had made out a primate facic case of cruelty, granted her leave to adduce proof of her allegations, and appointed a delegate to conduct the inquiry. No complete report of the case is published, owing to the foolish acquiescence of the press with M. Scholl's request to hush the matter up." the race, under protest; in three straight heats, the race, under protest; in three straight heats. Time—2.52, 2.58; and 2.51; Two dead heats were made in 2.51 and 2.54. Lady Wilker's time on Monday should have been given as 2.55, not 2.35. The Trial of Bev. Mr. Chency.
CHICAGO, August 6.—Among the document presented to the amended bill filed by ReDr. Chency's counsel; is a bill intended Dr. Cheney's counsel; is a bill intended to meet the exigency presented by the answer to the original bill which was carried in the proceedings of the ecclesiastical body on the morning of the 22d of July, the original bill having closed with the adjournment of the first day's procedure. By the supplemental bill the combining and confederating clause is carried in and pay parties are made to the carried in, and new parties are made to the suit. These parties are the Bishop and pre-
