BUSINESS NOTICES.

SIUS BROS. No. 1006 C EVENING BULLETIN.

THE DIGNITY OF LABOR. will ever assume any position of antagonism to Cabinet, but ne is one of the purest, most the true interests of human labor. Labor is high-minded, most sincerely honest, most ird means of expression. the common heritage of humanity, and in reproachable politicians in America. Judge | The Age this morning expresses its opinion America, especially, it is a heritage universally distributed among the people. The class of steel, when he assails George S. Boutwell, and men in this country who live without labor is the only effect will be the destruction of his Cuba, the rebel Pratt, Iberian unity, Fox's so infinitesimally small, that it is difficult to ex-press its minute relation to the great mass. tary Boutwell, because he knows that he can-Boutwell; but it fails to discuss one very imfor all classes and kinds of American as the rebel plot to seize the reconstructed of the Democratic city nominations. It is of society. Therefore it is not to Government of Mississippi. This is the head and front of his offending, and for this Judge well and Geary and the rest; but it is very dewho really comprehends the meaning and idea Dent puts himself before the country in an at- sirable that we should know precisely how of human labor will be ennobled and not de- titude which only reflects shame on himself, much enthusiasm it has for "Johnny" Ahern graded by it. He will see in it, not the type while it does not touch the hem of Secretary and Mr. Stewart, and whether it considers the of slavery, but the type of a true manhood. It Boutwell's garments. will broaden his views of his relations to his fellow-men, and, as he rises higher into the com-prehension of the true dignity of labor, the members of the National Labor Convention. Ahern editorial in the Age and a squib or two petty distinctions of class and circumstance | Suppose the Government of the United States | on Stewart. about which he frets and complains, and desired to have certain work in its Navy Yards sgainst which he arrays himself in bitter hos- | completed instantly, and, because of the scartility in the days of his ignorance, fade away city of workmen, should contract to pay me- will be given in this city during the coming

National Labor Convention, as expressed in very men demand now that the government There is a sensible man in the National Labor Convention, as expressed in very men demand now that the government. There is a sensible man in the rational address: "Of all classes of men, shall repudiate its promise to pay in gold the Labor Convention, who reads his BULLETIN

This is the quintessence of narrow selfishness, and we are sorry, for the sake of the dignative of human labor, to hear such a doctrine proclaimed by any responsible body of men in America. In the name of all true, honest human labor, we protest against all such misse there we have been and women who breathes the free air of this free than in the latter. The rich men, and the same rights, and thus shake off this prejution in the first mentioned instance would be no greater than in the latter. The rich men, and the same rights of a money and women who breathes the free air of this free than in the latter. The rich men, and the same rights are whether he is a "rat" or a mouse. We Land has an equal right to a "healthy human meaning in the country. It is a strange thing to hear men clamoring for an equality which is the country. It is a strange thing to hear men clamoring for an equality which is hear men clamoring for an equality which is the country. It is a strange thing to hear men clamoring for an equality which is the country. It is a strange thing to hear men clamoring for an equality which is the country. It is a strange thing to hear men clamoring for an equality which is the country. It is a strange thing to hear men clamoring for an equality which is the country is the country. It is a strange thing to hear men clamoring for an equality which is the country is the cou themselves. It is a strange conly to apply to themselves. It is a strange the government is as much bound by every he means that nobody but a type-setter is one thing to hear such men constituting themselves principle of honor and justice to falfil its pro- I have worked all my life, from the time I can an aristocracy, which is to grind all other mises to the former as to the latter. The classes of men under its heel. This is, we say, National Labor Convention makes this misclasses of men inder its heel. This is, we say, the very quintessence of human selfishness, and the men who can utter or applaud such sentiments have not yet felt in their bosons the first throb of human labor's real and true dignity. They show no advance toward the bids tended of the men who can utter in their bosons the first throb of human labor's real and true dignity. They show no advance toward the bids tended of the men tended of the tended to tended to the tended to the tended to high standard of Nature's noblemen, until equal interest in them. they exhibit some better sense than this of the great truth that not they alone, but all the great masses around them, are partakers both in the burdens and honors of human labor, and have, with them, the same inalienable "right to a healthy human existence in the

The simple platform to which those who are managing these labor conventions and other labor movements seem to be striving to bring the mechanics of America is this: First; that the men who work at mechanical trades are to only "laborers" in this country: and. The simple platform to which those who are the men who work at mechanical traugs are be only "laborers" in this country; and, record, that all employers are tyrants and all the employed are oppressed victims. We do The employed are oppressed victims we do the trauge of the president understands his duties well enough the believe of the limits of the l tendency of the views avowed on this important subject. It is too grave in its bearings upon the whole social question of America, to be dealt with otherwise that in all sober frankness and seriousness and truth. But this seems to be the extraordinary platform to which the "labor movement" of this country to coming, if it has not already been reached. That both these propositions are radically unsound and extremely mischievous, scarcely ad_ mits of logical dispute. In a country like this, where labor is distributed throughout all classes and conditions of society, it is simply folly to merogate to any one class or condition a priority of claim for class. legislation or class-privilege. This claim is now openly uged. We are now told that election with deepest regret. there is one class in this nation whose rights We have had from the Philharmonic Society and privileges are higher and holier and better | no report, as yet, of its plan of campaign forthan all the rest. This assumption was once the coming season, or indeed any intimation held, practically, by the Southern planters, but | that it intends to make an attempt to continue it was never quite so plainly confessed. It in active existence. We sincerely hope, howwas an assumption against which the whole | ever, that its n embers will cling to the organispirit of American liberty rose up at last in zation, and determine to accomplish something armed resistance, and which was forever | worthy of such an association of musicians. | crushed by American freemen on the battle- The entertainments of last year, although not field. This nation can never live under class-legislation, and yet the National Labor Con-vention, now in session in this city, demands this very thing, which the nation has already in the future. The discouragements and disap-this very thing, which the nation has already in the future. The discouragements and disap-the isolousies and faint-heartedness discussion of the property furnished. The property furnished to the propert field. This nation can never live under class- as successful pectiniarily as they should have

ourselves, and we honor and uphold, all who kinds which are always attendant upon the inbelieve truly in the dignity and responsibility | auguration of such enterprises. But now that of human labor. But it is the duty of every the public have become, in some degree, interhonest laborer in America, whether his place is | ested in the Philharmonic, and have recognized in the work-shop, the foundry, the farm, the the merits of the concerts given under its school-house, the court, the sick-room, the auspices, it will require comparatively little counting-house, the pulpit, the study, the mine, the laboratory, or the public service, to assert in the community, and to make it completely always, as cardinal truths, that there can be no nomilar? We house to hear that the afflear always, as cardinal truths, that there can be no popular. We hope to hear that the officers

his or her honest living, whether by hand or | General Grant riding behind, Dexter with a head, whether by employing others or being employed, is, in the best, and only irrelisense, an American laborer. POLITICAL DENTISTRY.

We have always insisted that a man is not bound to marry all of his, wife's relations; in occupation affords General Grants supreme other words, that nobody should be considered [enjoyment.' Into what keeping has the Reresponsible for the faults or follies of his wife's public fallen 17 family. It is President Grant's misfortune, not his fault, that he is saddled with some very bad relations-in-law. Judge Lewis Dent, the President's brother-in-law, is ambitious to be and the second s who makes him so. He has accepted a nomi-nation from the absurdly mis-named "Con-servative Republican" party, which is simply a new name for the Rebel Demo-cracy. We feel like apologizing to we have a solution of the Presidential office. And we when Andrew Johnson did all these thisses **EVENING BULLETIN. Refined—Sales of 1.500 barrels—600 barrels each month—October, November and December, at 33 cents, and 1.000 barrels, Jaugust, at 33% cents. Hecelpts; G80 barrels. Shipped by A. Y. and P. R. B. 2,175 bar-rels Refined and 55 barrels Lubricating, and from D. W. [Correspondence of the Associated Press.]
 Nxw YORK, August 18.—Cotton firmer, sales of 1.2000 balos at 33% ask: . Flour Scill, and declined falle. Sales of 6,000 barrels fitte, Sale 7.40; Western, S5 9047 55; Southern, \$6 5504176. Wheat dull, and declined falle. Sales of 5,000 barrels (S. Corn firmer, and advanced \$6. Stock scarce... Sales of 43,000 busehels mixed Western, 25 stock scarce... Sales of 43,000 busehels mixed Western, 25 siles of 21,000 bushels No., 2 at \$1 53; White State, \$1 57; stock scarce... Sales of 43,000 busehels mixed Western, 25 siles of 24,000 Western, 25 siles of 2 at fow sales were months ers to sell, last four months Sales of 2,000 ba In the press 1 hed taken some part in substituing him, and in advocating sill the measures of the Logislature to support the State authority against the domination of the great corporation. It was a subject of jeering that the Bank of the Commonwealth was brought across the Alleghenies in a trunk behind the stage, to supplant the pranches of the United States Bank, but the result for its envoy was that when elected - President of the institu-tion by the Legislature on the resignation of Mr. Crit-tion by the Legislature on the resignation of Mr. Crit-tion by the Legislature on the resignation of Mr. Crit-tion by the degislature on the the state of the institu-tion by the degislature on the the state of the bank. This and his exposure in the Kentucky press of the the membry becheme of dissolving the Union, manifested by Mr. McDuffie in a publication before Mr. Calhoun had fully developed his nullification doctrine, gave birth to the Globa at Washington as the organ of the administration of Jackson. It derived its power from the sugarity, pathotism, popularity and vast influence of the great fact which made his power was, that he worked with thin. The result of the stands out in bold relied in history. The grand triumvirate of rators and they worked with the . Vest and South, shrank before him - their stronghold the function all states-men, of acetions North. West and South, shrank before him - their stronghold the function all his buttlements full down and allsuppeared-the pro-hibitory tartiff and all. try, have created thereby a worse monopoly than the old Uvited States Bank," and you justly compare the fatal policy adopted by the usurers to subject our Government, after the war of 1812, to their sway, to that adopted during the late war. Monied men always have a simple process with necessitores, States, or individuals to get possession of all their resources. It is boud and mortgage when the estate of an individual is to be transferred to an individual creditor. When a great body of creditors combine and grasp the credit and resources of a great na-tion, in addition to the obligation of bond and mortgage of all the assets of the National Trea-siry, banking powers are incorporated giving them sway over the whole financial system and credit of the Government. ng the late war.

and credit of the Government. By this process they get not only interest on the whole amount of bonds, far greater in amount than they loaned the Government, but

they get the power to tax the 'people by an in-definite amount of Joans and paper issues, and so increase the usury ad Moutan. The late

hibitory, turiff and all the poart tuxes given as a bonus to it establishments, under the pretense of aid to industry," were abolished, the public debt, in the two great wars with Eugland, was paid to two great wars with sugland, was paid to

'FINANCIAL ACIFIC RAILWAY GOLD LOAN.

Messrs, DABNEY, MORGAN & CO., 53 Exchange Place, and M. K. JESUP & CO., You have alluded to my connection with this | 12 Pine Street, New York, offer for sale the Bonds of the Kansas Pacific Railway. These Bonds pay seven per cent, in Gold; have thirty years to run; are Free from Government Taxation; are secured by a Land Grant of Three Million Acres of the Finest Lands in Kansas and Colorado. In addition to this special grant the Company also owns Three Millions of Acres in Kansas, which are being rapidly sold to develop the country and improve the road. They are a first mortgage upon the extension of the road from Sheridan, Kansas, to Denver, Colorado. The road in operation NOW EARNS MORE THAN ENOUGH NET IN-COME TO PAY THE INTEREST ON THE NEW LOAN. There is no better security in the market---this being in some respects better than Government Securities. PRIN-CIPAL AND INTEREST PAYABLE IN GOLD. Price 96, and accrued Interest, in-Currency. Pamphlets, Maps and Circulars furnished on application.

> We are authorized to sell the bonds in Philadelphia and offer them as a reliable investment to our friends.

The yacht Guineveve won. The first three yachts came in the follow-ing order. a danai a hier Time Veve.....

The Harvard and Oxford crews were out The Harvard and Oxford crews, were out again last eventry, The former in a boat built by Clasper, and the latter in the new Salter boat. Tho darkness prevented any es-timate of the work. LONDON, August 18.—The Times of to-day, has an article on the subject of affairs in Spain, suggested by the recent shooting by the Government forces of nine Carlist prisoners. The Times says this news is hardly more cheerful than that to which Bravo accustomed us. Many people of Spain are confident that the continuance of the present government the continuance of the present must lead Carlos to the throne. I must lead Carlos to the throne. If such is the end of rampant Carlism to re-gain power, we have no doubt that blood would be shed as wantonly and iniquitously to put Carlism down as it has contributed to build it up. MADRID, August 18.—The Government is taking extraordinary precautions to prevent the assembling of the Carlists at Lamancha. The Pirate Steamer Telegrapho Cap-

ine Finite Steamer Lever reprint Cap-figecial Despatch to the Phila: Evening Bulletin.] WASHINGTON, August 18.—The United States steamer Seminole sent to the West Indies to capture the Telegrapho, represented to be a pirate, committing depredations on American commerce, has been heard from by the Navy Department. Despatches received to-day report her at Key West, but expecting to leave for Aspinwall to relieve the Yantic. The Telegrapho had been captured, and was in the hands of the English authorities at Fortola.

Condition of Affairs in Virginia [Special Despatch to the Phila. Evening Bulletin,] Washington, Aug. 18.—Sevena Minethal, washington, Aug. 18.—Several Virginia radicals are here, and take a more hopeful view of the situation of affairs in their State than at any time since Walker's election. General Canby's course, in exacting the test oath from the members of the Legislature, will, it is believed, enable the radical Republicans to again keep the State out of the control of

Sentence of Surgeon Green. [Special Despatch to the Phila. Evening Bulletin] WASHINGTON, August 18.—The fact has washington, Augustio.—The fact has be come public that the recent naval court-mattal has found Surgeon Green guilty of the charges for which he was tried, and sentenced him to be suspended from duty, without pay, for two years. The sentence has not been approved, however, by Secretary Robeson.

Dullness on Wall Street. [Special Despatch to the Phila. Evening Bulletin.] New YORK, Aug. 18.—The general dulines in Wall street occasions comment. The English Forgery Case.

[Special Despatch to the Phila. Evening Bulletin.] NEW YOBK, August 18.—Sergeant Spittle, a London detective, states that the forgers re turned last week had simply defrauded the firm by which they had been employed. Collieries Suspended.

POTTSVILLE, Aug. 18.-A few large collierie have suspended on account of want of order have suspended on account of want of ord for a few days. There is no strike in thi gion as yet.

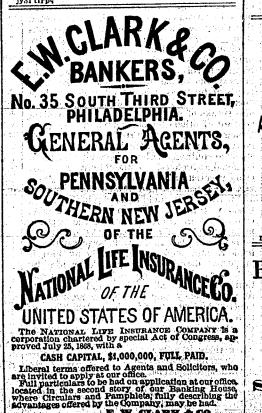

The New York Money Market [From the N. Y. Herald of to-day.] From the N. F. Mersia of to-day.] TURSDAY, Ang. 16.—Gold opened this morning at 133 advanced to 133%, and under, free speculative sales f off to 132%, which point if reached at one o'clock. Fr this it shortly after reacted to 133%, but again fell and closed in the room at 133%. Later in the afterno it rallied again, and advanced to 133% but autogenent weakened, and at the close of business was 133%. nd at the close of business was 1335. I t in the market is reflected in the dema for cash gold, the retes for carrying ranging from 25 to 6 per cart. The disburgements of coin interest to-day amounted to \$35,456. The operations of the Gold Ex-chance Bank were: Gross clearings, \$31,529,600; gold balances, \$2767,497; currency balances, \$3,729,653. The money market to-day is withcut change, and bor-rowers on call were readily supplied at six per cent. on Governments, and seren per cent. on stock collaterals. Shipments of currency to the West are. reported, but of mult amounts, and principally sectional bank notes: In the market for commercial paper the transactions are limited, and confined to the sale of prime short date ac-eptances, which pass at nine and ten per cent. The ox-treme range of rates is nine to twelve per cent. If Governments were weak to-day, in sympathy with the decline in gold and a very dull market. With but light inquiry, transactions were limited and prices fell off. At the close the market showed some improvement in toner, but was still feverish. Foreign exchange continues dull, their being but little demand for bills, and transactions to-day have mostly been one-eighth below the figures of yesterday. ying ranging from t to coin interest to ations of the Gold
