Claxton, Remsen & Haffelfinger have been the nglish Verse by Henry D. Wireman. Mr. the scene of confusion that ensued. Wireman, to his own great credit, has passed a etired and studious youth almost completely, modest and winning preface, he tries to draw a distinction which we do not quite understand between "admiring poetry" and "realizing its beauties;" this interesting preface, the substitute of the substitute of

The condition of his diction at present, perpetually confused with the German turns of

"Think and Act." A lady who has familiarized herself with the whole range of female occupations, and with many trades now monopolized by men yet suited to female fingers, Miss Virginia Penny, devotes a considerable volume of near four hundred pages to the question of woman's amelioration. The book is full of clear insight, practical investigation, and admirable moralizing. Women should read it to obtain a better understanding of the position of their sex before the nineteenth century, while male readers may be a females. The book, however, covers broader ground than the mere labor-problem, and delyes among the bases of feminine character, with occasional lapses into homily.

The gravest accusation that has been made fact, it has been determined to hold a series of meetings in this and other wards, to answer the testimon of David Hyrum, and before the statement of David Hyrum, and before the meetings in this and other wards, to answer the testimon of David Hyrum, and before the statement of David Hyrum, and the statement of David Hyrum, and the statement of David Hyrum, and before the succusation that has been determined to hold a series of meetings in this and other wards, to answer the testimon of David Hyrum, and before the sparing with the statement of David Hyrum, and the s

into the Salem persecutions if there had been a sanity!"] to bring before the minds of the pilgrim fathers the image of Richard executing Hastings for witchcraft. There is occasional delicacy and freshness in her comments on the Shakspearian was made public; I once made women.

"Protestant Gems of the Prayer-Book." By Rev. J. Pleasanton Du Hamel, Diocese of Richard executing Hastings for in the Conversations.]

I need not tell you of the obloquy and opprobrium that were cast upon my name when our separation was made public; I once made a list from the journals of the day of the different worthies, ancient and modern, to whom I was compared: I remember a few: Nero copy of Richard III. on board the Mayflower,

"Protestant Gems of the Prayer-Book." By Rev. J. Pleasanton Du Hamel, Diocese of Delaware. This collection of "Gems" of truth selected from the Episcopal Book of Common Prayer, and set in a frame-work of original and selected comments, harps much on the Protestantism of the Episcopal Church, and its intrinsic opposition to the Roman hierarchy; it contains real refreshment for those who mistrust the artificial and ritualistic tendencies of certain branches of the Church.

"A Handbook of Map-drawing." By Peter Kean and John Mickleborough. E. H. Butler & Co.

A Series of maps, adapted to Mitchell's excellent school collection, are represented on pages facing their outline diagrams, reduced to the simplest bounding line. The diagrams fix the private land restricts of the day of the day. And sherp; the devil was raging about as they are the

maps, and the little book needs only to be seen to be recognized as an efficient aid in an art of great utility and importance.

THE STOWE-BYRON STORY.

"I nere are, said his foruship, so many indefinable, and nameless, and not-to-be named causes of dislike, aversion, and disgust in the matrimonial state, that it is always impossible for the public,or the best friends of the parties, mouths shut. And I say in plain fact, that the Testimony of Lord Byron and Friends.

The following brief account of Lord Byron's marriage and the subsequent separation of Lord and Lady Byron is from J. W. Lake's woman nor the man is guilty of any offence with the subsequent separation of Lord and Lady Byron is from J. W. Lake's woman nor the man is guilty of any offence with the audience showed how deeply they were wrought upon by this recital. And I say in plant lady, that the blood of Joseph and Hyrun is upon the souls blood of Joseph and Hyrun is upon the souls of Marks and Emma Smith, and there it will remain until burned out by the fires of hell?

As long as neither party commits gross injustice towards the other; as long as neither the woman nor the man is guilty of any offence wrought upon by this recital. He continued

marriage and the subsequent separation of Lord and Lady Byron is from J. W. Lake's "Life of Lord Byron," published soon after Byron's death, and reprinted in this country in Byron's death, and reprinted in this country in Byron's death, and reprinted in this country in Byron's works, in 1834:

Alleged market in the country of Byron's works, in 1834:

Alleged market in the country of Durban, and also bella, only daughter of Sir Ralph Milbank (since Noel), Bart. To this lady be had made a proposal twelve months before, but was rejected; well would it have been for their mutual happiness had that rejection been repeated. After their marriage, Lord and Lady Byron took a house in London; gave splend, and in short, launched into every sort of extravas gance. That could not last long; the portion which his lordship received with Miss Milbank (ten thousand pounds) soon melted away; and, at length, an execution was actually fevided on the furniture of his rest, and and a length, an execution was actually fevided on the furniture of his rest, and some arrangement had been made with the creditors. From that visit she never returned, and a separation ensued, for which various reasons have been assigned; the real cause or causes, however, of that regretized acuse or causes, however, of the rest and the community, and the under Bright in the decision of the through the analysis of the making the occasion one of the word with the continued his in bilit

various reasons have been assigned; the real cause or causes, however, of that regretted event are, up to this moment, involved in myself from its consequences."

Causes for the breach.

Captain Parry relates the following:

tery, though, as might be expected, a wonderful sensation was excited at the time, and every

England, Parry? My story, I suppose, like

The sensation ensited, for which was not hypocrite enough to guard myself from its consequences."

cause or causes, however, of that regretted cause or causes, however, in the church before the final gathering, and the church before the final gathering, and the church before the final gathering, and the church before the final gathering. The cause of the church before the final gathering and the church before the final gathering. The cause of the church before the final gathering and the church before the final gathering. The cause of the church before the final gathering and the church before the final gathering. The cause of the church before the final gathering and the church before the final gathering. The cause of the church before the final gathering and the church before the final gathering. The cause of the church before the final gathering and the church before the final gathering. The cause of the church before the final gathering and the cause of the church before the final gathering and the church before the final gathering an

tery, though, as might be expected, a wonderful sensation was excited at the time, and every description of contradictory rumor was in active circulation.

By Hon's marking Life.

By Hon's marking Life.

By Hon's marking conversations.

The following are Lord Byron's own words as given in his "Conversations."

I have been accused of saying on getting out off the carriage (on the wedding day) that I mentioned that it was general here that this is the public breach. "No, Parry," was the reply for the public breach. "No, Parry," was the reply. "Lady Byron had a liberal mind, partied Lady Byron out of spite, and because she refused me twice. Though I was for a moment vexed at her prudery, or whatever it may be called, if I had made so uneavaller, not

zero.
A curious thing happened to me shortly after the honeymoon which was very awkward at the time, and has since amused me very much. It so happened that three married women were on a wedding visit to my wife (and all in

the same room at the same time), whom I had known to be all birds of the same nest. Fancy ABOUT BYRON'S MARRYING FOR MONEY—REA-SONS WHY HE SOLD NEWSTEAD ABBEY. a distinction which we do not quite understand between "admiring poetry" and "realizing its beauties;" this interesting preface, the outburst of an enthusiast who quotes with fresh zest, as if it had never been quoted before, Coleridge's phrase about Poetry being this own exceeding great reward," shows the critic at once what a fresh, unspoiled soul he has to do with, and stays the knife that is ready to descend on many an unlucky word.

All I have ever received or am likely to receive under state two) was compelled to part twice paid back too) was at twice paid back too) was compelled to part the interesting preface, the first pref

has to do with, and stays the knife that is ready to descend on many an unlucky word, many a halting foot, many a German idiom brought over bodily into the English. Mr. Wire-brought over bodily into the English. Mr. Wire-man's selections are capitally made, and in-iman's selections are capitally made, and in-iman's ready and was determined to aid £10,000 more to it, which I did. I always better the American resident to send the send to aid £10,000 more to it, which I did. I always better the American resident to send the send to aid £10,000 more to it, which I did. I always better the American resident to send the send to aid £10,000 more to it, which I did. I always better the send to send the send to aid £10,000 more to it, which I did. I always better the send to send the send the send to send the send to send the send to send the send to send the send the send to send the send man's selections are capitally made, and introduce the American reader to some of the sweetest, and least familiar, of the Allmain lyrists; but it would be unjust to say that he is often felicitous in presenting an English version that suggests the music of the original. The condition of his diction at present, nerally confused with the German turns of the Conversations. I Lapeer county, Michigan, again denying that ession which evidently fill his head. I heard afterwards that Mrs. Charlment had such was a doctrine of the Church; and that expression which evidently his head is in fact an intellectual curiosity. But his industry in gathering these wild flowers so far out of the beaten path, his enjoyment of others in watching me in London, and had replaced the path of the latter prove his own work, his freshness and confidence, ported having traced me into a house in Port-are qualities that will give a genuine though land place. There was one act unworthy of Joseph and Hyrum to be most inveterate liars

are qualities that will give a genuine though half-amused pleasure to any charitable person who looks over the anthology. We would bid Mr. Wireman persevere with all courage; perhaps, by keeping his attention on the English classics contemporaneously with the pursuit of his foreign studies, he will some day be enabled to favor us with another set of translations undisfigured by expressions like "Open'st thy breast it;" "gaze in the wine-glass I at night;" "become I should have never," and so on.

"Think and Act." A lady who has familiar-ized herself with the whole range of female ocities.

Indiante—I allude to the breaking open my writing-desk. A book was found in it that did not do much credit to my taste in literature, and some letters from a married woman with whom I had been intimate before my marriage. The use that was made of the latter was unjustifiable, whatever may be thought of the breach of confidence that led to their discovery. Lady Byron sent them to the husband of the lady, who had the good sense to take no notice of their contents.

lapses into homily.

"Studies in Shakespeare." By Mary Preston. She fancies, among other things, that the Puritans would have been saved from falling into ask questions which he caemed she will be said in the said have thought," he adds. "if I had known that they were sent to provide proofs of my instance."

In seemed proof enough, but Joseph P. Was powerfully wrought up, as well as the audience, if not impertinent; but what should I have thought," he adds. "if I had known that they were sent to provide proofs of my instance."

In seemed proof enough, but Joseph P. Was powerfully wrought up, as well as the audience, if not impertinent; but what should I have thought, he adds. "if I had known that they were sent to provide proofs of my instance." and Joseph in as to their denials. I only know these facts. But everybody knows the HOW BYRON WAS ABUSED.

facing their outline diagrams, reduced to the simplest bounding line. The diagrams fix the principal points of the figure to be copied, in hyron's views of Marriage.

The following are given by Captain Parry to Carthage and murdered. And the blame as the opinions of Lord Byron on the marriage and murdered sets upon that woman, their mother, Emma sets upon that woman, their mother, Emma smith. This was hard, but I want these men sensible old principle to the protraction of relation:

Smith. This was hard, but I want these men maps, and the little book needs only to be "There are," said his lordship, "so many into know that if they came here to raise their
