EVENING BULLETIN. Thursday, September 9, 1869.

THE CONTESTED ELECTION. After weary months of laborious investiga tion, the case of The People vs. The Sham Democracy has been fully made up, and is now being presented to the constitutional jury, the these hereaved and stricken wives and chil-Court of Common Pleas: Mr. Mann yesterday dren are required to do something more than closed his summing up of the facts and figures | utter empty words of comfort. These poor of the case, and the exhibit which he presented creatures are without the necessaries of life, as the result of this protracted investigation and without opportunity to earn anything for fully confirms all that has been charged upon themselves. The accident which destroyed the the Democratic party, and loudly demands the two hundred miners, robbed six hunintervention of the Court to preserve the right dred living persons of their bread, of the ballot for our people. The election of and turned them helpless upon the world. last October was an outrage upon public decency and upon the individual rights of the exercise of Christian benevolence, this is one, cency and upon the individual rights of the voters of this city, deliberately planned by the voters of this city. Democratic managers, and boldly carried out amid scenes of disturbance, violence and bloodshed. So glaring was this fact that it was difficult to understand how any gentleman, valuing his personal reputation and self-respect, Mr. Mann, in closing his part of the case, the smaller offerings of the many who have little,

could accept a public office reached only through such gross and palpable fraud. presents briefly, but very powerfully, the true duty of the Court in the premises. It is no cause. Philadelphia, as the great city of the flight of rhetoric for Mr. Mann to assert that if State, ought to take the lead in this good work, such an election as that of last October is to and set an example which we believe will be stand, it is not worth while to hold elections in future, and certainly not ever to contest an election again. Citizens will not give time and money and labor to prosecute these frauds if that is to be the end of it. There seems to be and malignity of political partisanship, that an absolute necessity for such an intervention | Democratic newspapers pour upon President of the law as will put an effectual stop to Grant, over the dead body of his well-loved

the practices which are rapidly bringing the whole American system of free elections into disrepute. The frauds which were perpetrated by the Democracy last fall were more glaring in their impudence and magnitude friend, General Rawlins, volleys of abuse, in Also, Canvas, Hollands, Yarns, Holking, White Goods, the Which falsehood is mingled with bitter hatred. It is represented that the President lingered hour after hour in his pleasant summer retreat, while Rawlins lay at the point of death, and glaring in their impudence and magnitude | while Rawlins lay at one point than any that had been previously attempted, | while telegrams poured in upon him beseech | DR. F. R. THOMAS, THE LATE OPErator at the Colton Dental Association, is now the but they were only the repetition in Philadel- ing him to come quickly to Washington to atphia of the rascality which deluged Luzerne tend his dying comrade. This story is false from county with coffee-stained naturalization pa- beginning to end. When the President first

The law points of this election case are yet improving rapidly, and that there was no need to be argued. The right and the duty of the President's presence. When the very Court to throw out the returns of the divisions where the election was fraudulently conducted by the election officers will be argued by the Hon Judge Strong and the opinions of that into as rapidly as it was possible for him to into the freshert's presented the true state of the case was received, President Grant immediately began his journey and sped to Wash-shelf strong and short, heart and sape of the case was possible for him to shelf size by the election officers will be argued by the mediately began in spounds and specific that hon. Judge Strong, and the opinions of that non as rapidly as it was possible for him to cality.

Shelving, li distinguished jurist cannot fail to have great do. That this journey was one of anguish, we weight with the Court. What those opinions know, for Grant loved Rawlins tenderly and HENRY PHILLIPPI, are, precisely, we do not yet know, but it is to well, and he expressed over and over again as be presumed that they accord with the theory indicated in Mr. Mann's closing remarks. If Rawlins did, lying there upon his death-bed, the Court shall determine to sustain the purity to clasp the President's hand for the last time. f the ballot-box by refusing to admit the di- It is enough for us to know that such a man visions in which those glaring frauds were com- as Gen. Recial Despatch to the Phila. Evening Balletin.]

New York, September 9.—The Delaware,
Lackawanna and Western Railroad people
state that up to nine o'clock this morning 100
bodies of the victims of the mining accident
had been recovered and delivered to their
friends at the top of the shaft.

The Scranton Company here refuse to sell
any anthracite coal at any price to customers
at present, and will establish no price whatever until work is resumed in the mining
region. The speculators who purchased large
lots at the auction sale on the 1st inst. are retailing the same at very large profits. The Avondale Disaste lots at the auction, sale on the 1st inst. are retailing the same at very large profits.

The President of the Stock Exchange read the following telegram from Avondale, this morning, directed to the Board from the Superintendent of the Railroud at that point:

Your communication stating that your Board had generously appropriated \$5,000 to relieve the sufferings of the widows and children of the victims of the late calamity is redren of the victims of the late calamity is re-ceived, and has been read to the miners, who received the intelligence with thanks and ap-preciating gratitude. We have succeeded in recovering up to this time 103 bodies, but Rawlins—were present. General Sherman, to-gether with the army officers of all grades in Washington, officers of the navy, the Diplo-matic Corps, Justices of the Supreme Court of the District of Columbia, Chiefs of Bureaus,

Later From Avondale. WILKESBARRE, Sept. 9.—The work of bringing the bodies out of the Avondale, mine is progressing slowly. The number taken out yesterday was greatly exaggerated. Seventy-one hodies had been taken out at nine o'clock last evening and they care yesterday was greatly exaggerated. last evening, and they are now being brought up at the rate of five or six an hour. It will take twenty-four hours to get them all. It has been discovered that the dinner pails of the men were untouched, and in the condition as when taken into the mine, which fact shows that the men must have not their tearthefact. of the fire in the shaft.

An engine and car were sent from the mine to Plymouth this morning, to bring physicians to attend to the men who are engaged in bringing up the bodies. Cases of partial sufficient on this city, who attended Gen. Rawlins in his last moments, delivered with deep feeling a short address, in which he spoke of the Christian character of the deceased and of his strong faith in the Redeemer as an example to the living.

The ceremonies at the War David of the content of the deceased with many fawlins, in May last, at the decing marked to General Sherman that the requien was so beautiful he would like, if he should die, to have it sung over him. The incident was so recent that General Sherman clearly remembered it, and therefore invited the Club to repeat the requien on this occasion. A saltic of three volleys of musketry and a salvo of artillery concluded the burial ceremonies.

Vice-Admiral Powter is the deceased and of his the living.

The ceremonies at the War David of the deceased with many fawlins, in May last, at the decent at the decing out of the fire in the shaft.

An engine and car were sent from the mine to Plymouth this morning, to bring physicians to attend to the men who are engaged in bringing up the bodies. Cases of partial suffocation and exhaustion frequently occur.

Président Sloan, of the Lehigh, Lackawanna and Western Railroad, has written a letter from New York expressive of deep sympathy for the unfortunate families of the deceased with miners. He orders are not the fire in the shaft.

The ceremonies at the War David Market to repart the requien on this to repeat the requience of the deceased and a salve of artillery concluded the burial ceremonies.

Vice-Admiral Powter is union for the deceased and the fire in the shaft.

The ceremonies at the War David Market of the deceased and the conclusion of the deceased of the dece the living.

The ceremonies at the War Department closed with prayer by the Bev. Dr. Hamilton of the Baltimore Methodist Conference.

The friends of the deceased then slowly passed from the building. Mrs. Rawlins, pale and sinking with grief, was supported by Gen.

Eli Parker and her father, being the first to leave the room. This touching feature of the solemu incidents of the morning intensified, if proper respect to the memory of the dead, all work be suspended and the shops closed on the day of the funeral; also, that trains be run free to and from the prominent points, in order to enable relatives and friends and citizens generally to attend the funeral ceremonies. No definite arrangements for the

night, to join his family at New York. He wi be accompanied by his Private Secretary, Ger eral Porter, and Attorney-General Hear. Ti ast named will continue his journey to leave the restrict with him those of last riends whom he let the the series of the series to he series that the last received in the street has been solons and rentes and of a panic on the flow of t TREASURY DEPARTMENT, Sept. 9, 1869, a mark of respect to the memory of the Hor W. P. Fessenden, formerly Secretary of the Treasury, and late Senator of the Unite States, who died at Portland, Me., on Sept. 3 being from 6 to 7. The saddest casualty reported was the death of Granville M. Clark, treasurer of the Adriatic Mills and the Lancaster Quilt Company. He resided near the Coliseum, and hearing that a boy was buried in the ruins of that building, started to partment throughout the country will be render aid, when a tremendous gust tore up render aid, when a tremendous gust tore up the plank sidewalk, which struck him day on which the obsequies of the decease W. A. RICHARDSON, The Sabine Story Again Denied. black nobop attached to the bridle-bit. Then followed the mourners in carriages, the vehicles, 300 or more in number, two abreast, extending from the Executive Mansion to the Capitol, a distance of a mile.

In these carriages were the President, members of the Cabinet, relatives of deceased, but the standard of the walls partly demolished.

Dr. Todd's Central Church badly damaged by a portion of the steamle falling through the onspiracy occurring.

Department mails since the report of the al-leged troubles on that ship have contained The Excitement in Eric Special Despatch to the Philadelphia Evening Bulletin NEW YORK, Sept. 9.—There is unusual ex NEW YORK, Sept. 9.—There is unusual excitement in the Erie board this afternoon, in consequence of anladvance in the price of Erie from 35 to 33. The cause of the higher prices is said to be fleggine of the decided determination of the Eriemanagers to register the issue of the stock as required by the regular Stock Exchange.

LATER.—The stock has been registered at the office of the Farmers' Loan and Trust Company in this city. Erie is called in the Department to the Congressional Cemetery, was thronged with persons from an early hour this morning. Many of the houses along the route were draped with mourning, flags were at half-mast, and business was entirely suspended. The street cars were stopped from running, and hence there was no obstruction whether the preservice. Company, in this city. Erie is called in the regular Stock Exchange. The present price is 38.

NEW YORK, Sept. 9.—At the first regula whatever to the procession.

The procession was throughout conducted with excellent order under military authority. It had been the intention to place the remains of General Rawlins in the receiving vault of the cemetery, but yesterday it was determined to deposit them temporarily in a private vault, which was tendered for the purpose.

The funeral was the largest and most imposing that has taken place here since President

WEDNESDAY, Sept. 8.—The feature of interest to-day was furnished from the Gold Room, where there was a sudden decline in the price of gold to 1342. The "break" yesterday startfed the smaller "bulls" who had gone in at higher figures, but the larger operators were confident that the clique were only "rigging" the market for another sharp advance. As the day wore on, however, it became evident that there had been treachery in the camp of the "bulls." One of the most preminent operators in the combination was discovered not only to be ont of his gold but "short "for several millions more. His conferes were in high dudgeon, but cound not retrieve the disaster. He was out of their company and on the other side of the market, taking with him those of his friends whom he let into the secret of his defection. The consternation of the "bulls" was great, and, under a pressure of sales, the price broke from 136 to the figure above SCRANTON, September 9.—A careful estimate of the number of persons in the Avondale mine has been made, and it is not thought that there was over one hundred and fifty at the outside, instead of two hundred, as first

more foul air be encountered.
11.20 P. M.-A party just up reports two nore bodies found.

12. Midnight.—Thirteen more bodies found. 12.45 A. M.—Another lot of bodies, not yet counted, have been found. The air is still so had as to prevent more than a few minutes' stay in the mine.
1.30 A. M.—Eighty-two bodies are now up and eight more have been found. stinulating purchases of Diffs. And manager is born an settled.

The money market was active early in the day, borrowers showing a disposition to make their engagements in good time, and the prevailing rate on call was seven per cent., gold. "Commissions" might have been had, did not the fear of the usury laws deter lenders. Stocks of the search design of the wally partly demolished. The steep tenders of the search did not the fear of the saury laws deter lenders. Stocks were again "turned "for an eighth per cent. After the treasury disbursement, two millions reaching the street to seven, currency, but late borrowers who came out after banking hours had to pay gold interest. Paper was unsalable, except at extreme rates, the nominal quotation of discounts being nine to twelve per cent.

The government purchased two millions of five twenties to-day, giving 117 89, ex-coupon, the lowest price at which they were offered. The offerings reached a Assistant Treasury size of the late General Rawlins, Secretary of War, the Sub-Treasury will be losed to morrow and that the purchase of \$1.000,000 bonds, for the existing time, and the purchase of \$1.000,000 bonds, for the initial and a half millions.

The foreign divining fund, advertised for that day, will be postponed of Friday, the day following.

The large offerings at the Sub-Treasury also contributed to weaken the market, especially as the decline in gold was not followed by any decided improvement in the foreign quotations.

In these carriages were the President, members of the cabinet, relatives of deceased, for the army and all ethers who had been present at the War Department ceremonies, officers of the army and all ethers who had been present at the War Department of the Hartford and Erie machine-shop partly blown off. Old Colony machine-shop, and many private citizens in officers of Washington, Alexandria, and Georgetown, and many private citizens in the order of the programme heretofore published. A large-sized omnibus contained the most feeble of the inmarkes of the Soldiers' Home, while their companions walked in the most of the city, were more or less damaged. On the Common, and in all parts of the city, strong trees were twisted, split, or torn up by the roots. The old elm survived the gale with the loss of a few branches.
