believe that the lake received no contribution "Interviewed."

There has been so much talk about the mysterious "wild man" out there in the West for ome time, that I finally felt that it was my uty to go out and "interview" him. There as something peculiarly and touchingly reduty to go out and "interview" him. There was something peculiarly and touchingly romantic about the creature and his strange according to one of them, the ground had been invented to explain this phenomenon.

According to one of them, the ground had been invented to explain this phenomenon. mantic about the creature and his strange actions, according to the newspaper reports. He was represented as being hairy, long-armed, and of great strength and stature; ugly and cumbrous; avoiding men, but appearing suitable dealy and unexpectedly to women and childenly and unexpectedly to women and childenly and unexpectedly to hot appearing suitable dealy and the spot where the lake is now to be sea, and the spot where the lake is lesting any creature, except sheep or other prey; fond of eating and drinking, and not gently undulating plain." lesting any creature, except sheep or other prey; fond of eating and drinking, and not prey; fond of eating and drinking, and not particular about the quality, quantity or character of the Severages and edibles; living in the woods-like a wild beast; seeming oppressed and melancholy, but never angry; mouning, and some times howing, but never untering are stored and melancholy, but never angry; mouning, and some times howing, but never untering are stored and melancholy, but never angry; mouning, and some times howing, but never untering are stored and melancholy, but never angry; mouning, and some times howing, but never untering are stored and melancholy, but never angry; mouning, and sometimes howing, but never untering are stored and melancholy, but never angry; mouning, and sometimes howing, but never the story of his first must be a sad one—a story of suffering, disappointment, exile—a story of man's inhibit many in some shape or other—and I longed to persuade the secret from him.

"Since you say you are a member of the pressure of the pressure of the pressure of the story of his particular of the pressure of the pressure of the story of his particular of the various phases of Carthaginian, though the various phases of Carthaginian, and and first of the story of suffering, disappointment, exile—a story of man's inhibit to man in some shape or other—and I longed to persuade the secret from him.

"Since you say you are a member of the pressure of the last and the cortical pressure of the pressure of the pressure of the pressure of the last and the cortical pressure of the last a the upon, almost. I am the son of Cain."

"Which!"

"Which!"

"Which!"

"Which!"

"I was present when the flood was anathing notes, but keeping a wary eye on him the while. He smiled a melancholy smile, ard destination of teach of his club, and went on taking notes, but keeping a wary eye on him the while. He smiled a melancholy smile, ard destination of casar. I marched upon Mecas with Mahomet. I was at the assassination of Casar. I marched upon Mecas with Mahomet. I was in the Crusades, and stood with Godfrey when he planted the banner of the cross upon the battlements of Jerusalem. I—"

"One noment, please—lave you given."

"One refugees from all Italian revolutionary attempts CATHARINE M. SHIPLEY WILL RE-"Silence! I was in the Pinta's shrouds sought in Corsica their first pied à terre in the land of exile.
"This state of things, however, was not of Tision. I saw Charles I. beheaded. I was in London when the Gunpowder Plot was discovered. I was present at the trial of Warren Hastings. I was on American soil when Lex-Hastings. I was on American soil when Lexington was fought—when the Declaration was promulgated—when Cornwallis surrendered—when Washington died. I entered Paris with Napoleon after Elba. I was present when you mounted your guns and manned your fleets for our sistent son, and its mountainous island were broken. In Russia itself, and your war of 1812—when the South fired upon sumpter—when Richmond fell—when the nalists, and politicians are vain of their smat-President's life was taken. In all the ages, I tering of French, while a few miles inland any have helped to celebrate the triumphs of genius, the achievements of arms, the havoc of storm, ire, pestilence and famine."

Letting of French, while a rew inher mantatary man you meet, if asked to choose between the two nations, only answers, 'So' Corso' (I am a Corsican'), not dreaming that political alley pestuence and famine."

Your career has been a stirring one. Might giance should ever interfere with inalienable I ask how you came to locate in these dull Kansas woods, when you have been so accus-omed to excitement during what I may term tomed to excitement during what I may term such a protracted period, not to put too fine a protracted period, not to put too fine a point upon it?"

"disten. Once I was the honored servitor "disten. Once I was the honored servitor heaved a sigh and passed his hairy hand across his eyes), "but in these degenerate days I am become the slave of quack doctors and newspapers. I am driven from pillar to post and hurried up and down, sometimes with stencil-plate and paste brush to defile the fences with each slatic legends, and sometimes in grotesque and extravagant character for the behest of some driving journal. I attended to that Ocean Bankrobbery some weeks ago, when I was harded to that Ocean Bankrobbery some weeks ago, when I was harded by the most direct way to the completion of the Pacific Railroad; immediate completion of the Pacific Railroad; immediate to the completion of the Pacific Railroad; immediate the completion of the proportion, and the proportion of the pacific Railro such a protracted period, not to put too fine a habitual political apathy, there arose one cirly rested from finishing up the pow-wow about the completion of the Pacific Railroad; immediately I was spirited off to do an atrocious found out that the most direct way to the murder for the New York papers; next to attend the wedding of a patriarchal millionare; next to raise a hurrah about the great boat macy, in the police, in every place of trust that my old bones were to have a rest, I am bundled off to this howling wilderness to strip, and jibber, and be ugly and hairy, and pull down fences, and waylay sheep, and scare women and children, and waltz around with a club and play. Wild Man' generally and hairy and pull and play. Wild Man' generally and hair and play wild man' generally and hair and have a rest, I am sure of speedy promotion. France was as much a milch cow to the needy islander as England was to the famished Scotchman under the First James; and the Empress needs only knock at every third door in Ajaccio to the prepared to receive her pupils on Ury can be reached by Sixth Street cars and dummies via Frankford. OFFICE OF CHIEF ENGINEER, NOTICE TO CONTRACTORS.

SEALED PROPOSALS, to be indorsed Proposals for Transhise "" "Proposals for Trenching," will be received till noon of FRIDAY, September 24, at the Office of the Commissioners of Fairmount Park, No. 224 South Fifth street, for digging about 10.000 lineal feet of Trenches, suitable for laying drain, tile on land near the interfor laying drain tile, on land near the inter-section of Ridge avenue and Thirty-third doned, and lay dormant until about 1854; apon the 30th of November of which year the contract between the Egyptian government and the "Compagnie Universelle du Canal Maritime de Suez" was signed. Its duration is ninety-nine years from the day of the opening of the canal for traffic. The Egyptian government is to receive fifteen per cent. of the net profits, and holds a large proportion of the company's bonds. Egypt conceded to the company's bonds. Egypt conceded to the company all the lands which might be irrigated by the fresh-water-canal, and in 1868 bought back its own concession for a sum equal to ten millions of dollars.

On the 1st of January, 1860, there were at work eighty-five hundred men. These men are obliged by the Egyptian government to work on the canal, but are paid by the company at the rate of two francs per day. The engines for dredging are sixty in number. Each cost, two hundred thousand dollars in gold. The expenses anought to one million of the contract of the contract of the engines for dredging are sixty in number. Each cost, two hundred thousand dollars in gold. The expenses anought to one million of the contract of the cont street.
Proposals to state the price per one hudred (100) lineal feet, based on an average depth of four (4) feet.
Plans and specifications can be seen at the Office of the Chief Eugineer, Fairmount (near JOHN C. CRESSON,

are obliged by the Egyptian government to work on the canal, but are paid by the company at the rate of two francs per day. The engines for dredging are sixty in number. Each cost two hundred thousand dollars in gold. The expenses amount to one million of lolars in gold per month BOARD OF TRADE.

Suit has been brought in the United States
Circuit Court at New Orleans, against Gen.
Steadman, ex-Internal Revenue Collector, to recover upwards of \$600,000 alleged to be due by him as tay collector to the Covernment.

MANCHESTER, N. H., Sept. 20.—Charles Wentworth, aged 14, and Fremont Rowe, aged 13, were drowned yesterday, by the upsetting of a boat while they were fishing in a clay point. been held to bail in \$20,000 at New Orleans, for his appearance in November next.

The Independance Belge of Brussels thinks it improbable that Prim would claim the good offices of England and France, to prevent the 1,813 00 116,563 73 The Independance Belge of Brussels thinks it improbable that Prim would claim the good offices of England and France, to prevent the recognition of the Cuban insurgents as belligerents by the United States. If he should make such a demand, he certainly would receive a negative answer, but should the answer of either country be favorable, the intervention of a third party would be sure to lessen the chances of success for Spain. The Washington, administration will follow in a policy based on the public opinion of the country, with prudence and consideration. Should that course lead to the recognition of the Cubans, no suggestion from Europe could have any effect.

The following is a statement exhibiting the items embraced in the coin or specie account of the National banks of the United States at the commencement of business on the morning of September 8: Gold coin, \$5,480,572 57; gold bars, \$43,919 36.
