Style, command for finite and inguisation of the with Spain improportion as her treatment colonists. The property of the colonists is just and merciful." Xorke," just published by Messrs. T. B. Peter-an opera entitled "Treasured Tokens," which an opera entitled "Treasured Tokens," which is to be produced both by the Galton Troupe son & Brothers, is one of the best and most ingenious productions of this prolific author, whose "East Lynne" gave her such prominence among the romance-writers of the day.

A story like "Roland Yorke" depends so much burpon the skill with which the key to its plot is concealed, that it is not fair to the reader to anticipate his pleasure by any sketch of the concealed, that it is not fair to the reader to fits nature. In the number of characters in the cast, stage requisitions as to scenery and paraphernalia, and simplicity of construction, tharacters or of the plot. The author has cercipate his pleasure by any sketch of the cipate his pleasure to the number of the cipate his pleasure to the cipate h no modern novel is considered complete, has parts of it privately, and particularly by those who are now studying their several roles in it. parts of it privately, and particularly by those who are now studying their several roles in it.

Mr. Fairlamb's company is composed entirely-of amateurs, in entrusting the rendering of so important a work to whom the composer has shown great confidence in their abilities; has shown great confidence in their abilities; and all others who desire proficiency in Art. one or two new features about him which are really refreshing, particularly the feature combining very shrewd powers of investigation and combination with a frequent failure of and naturally looks for the kindest reception as an accomplishment.

for them and appreciation of their efforts at the plication. sound judgment in bringing his conclusions to and naturally Jooks 160. The chorus will be as for them and appreciation of their efforts at the hands of the public. The chorus will be as large as the stage accommodations of the Amateur Drawing Room will permit, and the orchestra; inider Mr. Fairlamb's personal direction, composed of the first professional talent of the city. From what we know of Mr. Fairlamb's other compositions; from the general estimation in which we know thein to be held by competent judges, and from the high commendations of a previous and still more elaborate lyric work (not yet given to the public) by some of the ablest critics of Boston and New York, as well as of Philadelphia, we are led to confidently expect in "Treasured Tokens" a work which shall be an honor to American art.

Lute, 135 WALNUT Street; Philadelphia, and or opariot the following branches; viz.:

Qualitative, Quantitative, Quantitat the right point. This is a common feature in real police life, but quite unusual in the detective of fiction. Jonas Butterby, as a very truthful sketch of a good detective, not gifted with those supernatural powers with which the novelist usually invests him, is one of Mrs. Wood's best points in "Roland Yorke." The whole story is thoroughly readable, and will be recognized as one of Mrs. Wood's most successful efforts. [For the Philadelphia Evening Bulletin.] Two things serve seriously to retard art derelopment in this country, one a narrow-The Ledger's Washington correspondent telegraphs:

It is now definitely ascertained that Cuban matters were fully discussed by the Cabinet meeting on Friday. No conclusive action was taken, it being thought best to wait a few days. nindedness and jealousy among artists themselves; the other an unkindly distrust of native talent by the people at large. Happily, as respecis the arts of painting and sculpture, and matters were fully discussed by the Cabinet partty as to that of music, these feelings have meeting on Friday. No conclusive action was so far, the young artist may look for present and settle upon some action at the next regular MISS ARROTT AND MRS. WELLS, fielded to the force of demonstration, and, in taken, it being thought best to wait a few days so far, the young artist may look for present encouragement and eventual reward. We say "partly as to that of music," in that this statement applies only with any degree of force to the executive department of the art of music. As regards the mastering of the theory and science of music and the art of composition, which art may be defined to be either in the production of original music, the exemplification and settle upon some action at the next regular meeting.

MISS ARROTT AND MRS. WELLS, (Formerly of No. 1201 Popplar street).
