PHILADELPHIA, September 24, 1369.

GEORGE EYSTER,

Assistant Treasurer United States.

POLITICAL. Political Affairs in Texas. The following letter has been received by the pression that HEADQUARTERS FIFTH MILITARY DIS-Marcellus more true joy in exile feels TRICT, STATE OF TENAS, Sept. 4, 1869;—To the President of the United States—Mx DEAL ENERAL :- After your summer recreation our confidence in that sincerity is withdrawn, the have determined to add to your fall labors a moment we anticipate any temptation that few words on the political situation in Texas. might prompt him to terminate that exile and You will remember that about the 4th of curtail with indecent haste the exuberance of that joy. All Andrew Johnson is and has been, March last there were present in Washington two delegations of Texans, both claiming to be representatives of the Republican party of Texas. One of these delagations, headed, by ieneral E. J. Davis, was appointed by the tion, headed by General A. J. Hamilton, was

he owes to Tennessee. What Tennessee is, and has been, alas, she owes to Andrew Johnson. If, feeling the weight of the obligation on his part, he chose to cancel it, the opportunity now presents itself, by withdrawing his name as a candidate for the Senate. Believin self-appointed.
Pursuing the policy which I had decided that no substantial benefit could result to Ten nessee by the election of Mr. Johnson to the upon in October, 1867, upon my arrival in Senate, we are opposed to his election to that Austin, of always endeavoring to produce harmony among all classes of Republicans, I de-clined to permit myself to be identified specifi-Disguise it, distort it, shape it as we may, the proposal to elect Mr. Johnson to the Senate, al-e cally with either faction, but frankly told their though he could not occupy a seat in that body. ders (E. J. Davis and A. J. Hamilton) that if elected, for two long years to come, is nar-I would recommend for office men of both factions, who, I was satisfied, would make good officers. The Federal appointments were officers. The Federal appointments were from the heart, and not from intelligent and safes, and a large assortment of kitchen articles. Safes, and a large assortment of kitchen articles and that only. It springs safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles and the safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large assortment of kitchen articles are safes, and a large are saf much to my gratification, as I still hoped to see suggestion, after all, than matured judgment, or rmony brought about.

The Radicals (E. J. Davis wing) charged, that the Conservative ism and injective are the only infallible application. cations to the intense radicalism which will CUBA!! CUBA!! Republicans (A. J. Hamilton wing) had entered

nto a coalition with the Democrats of the probably infect the Senate for the next six years.
But it is not the Radical Senate we would and in turn to be permitted by him, if elected, to exert their influence with the new State goseek to slielter from an infliction it doubtless vernment. I then offered to denounce this coalition to you on the production of satisfactoalition to you on the production of satisfactoalities and the production of satisfactoalities are not you can be also as the production of satisfactoalities are not you can be also as the production of satisfactoalities are not you can be also as the production of satisfactoalities are not you can be also as the production of the producti tory evidence that it existed. The evidence of our Legislature which could not be conwas not produced. I said nothing on the subhostility toward the entire North. The most rational argument presented why Mr. Johnto keep myself well informed on all questions to keep myself well informed on an quession of public interest, and especially those affecting the reconstruction of the State.

Colverton of the State only other man's statesmanship in the Senate, only other man's statesmanship in the great of the gre I traveled from New Orleans to Galveston suggests the vague hope that, being "the great champion of constitutional liberty," the force with Judge A. J. Bell, who is one of the leading men in the A. J. Hamilton faction. He ing men in the A. J. Hamilton faction. He is an ex-Confederate judge. In conversation about Texas politics, I wiged upon Judge Bell utterly demolish the Republican party and unite the mas es, of the that all Republicans should attend the conven-Northern States in some grand revolutionary movement which would hurl the dominant tion that had been called by the Radicals to meet at Galveston on the 10th of May, and party from its seemingly impregnable position there to harmonize, bring out their candidates, No delusion is greater and cement the party in the State. He emthan that which underlies this popular idea. If phatically opposed such action. The same he could not accomplish such a revolution urse of conduct was pursued by A. J. Hamwhen himself the Chief Executive of the nailton, Governor Pease, Colonel Haynes, and tion, he is scarcely more able to accomplish it all the leading men of that wing.

The convention met in Galveston on the The convention met in Galveston on the 10th of May, and, without transacting much sustained in it by the popular sentiment. throughout the Northern States. There is perhaps not another man in the entire Southern country who would be more powerless to nominated for Governor. Pease, Bell, Haynes, make converts at the North to any cause he Langley, and many other Conservative Repubmight advocate than Andrew Johnson. There

licans, were in Houston at this time, but took no part in the proceedings of the convention. s no man more cordially hated of all the South an Andrew Johnson by the Northern people. I am assured by parties in whom I place re-As a President, he was a more complete failure. iance that overtures were made at this conperhaps, than James Buchanan, and of all the Presidents who had preceded him no one ever vention by the Radicals and rejected by the retired from the White House amid such vol-E A ticket, with A. J. Hamilton for Governor levs of sibillations and other symptoms of and E. J. Davis for Lieutenant-Governor. popular disfavor. It was a self-sought hos-tility on his part for the martyrdom which was might have been nominated then and there. ind would have produced harmony in the Renecessary to the accumulation of political capipublican party, but for the persistent opposition of the A. J. Hamilton (Conservative) faction. tal for the future. Just as having failed in our conflict with the North under the delusion This convention might have been larger or that one man South was equal to four North, and having failed with one man in the mother one held, but for the same opposition. and to-day the only organized Republican party White House against overwhelming odds in the n Texas is that headed by E. J. Davis. The Conservative faction have opposed all to resort to tactics and field strategy that organized concert of action in the Republican promise better success. Heroism is very good -but victory pays better. It will not profit on is found in the fact that although the action is found in the fact that although the Democrats will not openly affiliate with the has so disastrously failed, nor will it profit the Conservative Republicans, many Democratic papers advocate the election of A. J. Hamilton and conflicts with an uncompulate and conflicts with an uncomputation. nal conflicts with an unscrupulous majority in for Governor. Some of them place his name at the head of their papers others do not aumission and acquiescence to the aggressions of nounce his name, but support him.

The Conservative Republicans who pretend especially when in Washington, to stand on ither. We simply advise against the mad folly of firing blank cartridge and bravado gun at long range in blind obedience to the inordi-

he reconstruction laws of Congress, neverthe-

ess come right to Texas, and in their district

A PHENOMENON IN THE ADIRONing Journal the following curious story, which he is the firsb to talk in the story, which "About the middle of August last past, I had ONE-PRICE CLOTHING HOUSE Adirondacks geologizing. We were a party of three—the State botanist, another, gentleman and myself. Out trip, prospectively, embraced the climbing of Whiteface (lonellest of those 604 summits) first, and afterward in succession the visiting of the Indian Pass, Adirondack Iron Works, Opalescent river and Lake Colden. MARKET STREET.

Avalanche Lake Cut in Two. .. Vernlanck Colvin writes to the Albany Ever

the good fortune to be among the peaks of the

On Friday, August 20, as we were descending

the Whiteface, we were caught in a terrible storm. The rain was like a thunder shower, but heavy and continuous; our experiences,

miserable as they were, have no place here

uffice it to say that the storm was such as had

not been seen for many years, even there amid

the mountains.
"The storm delayed us, and it was not until

Monday, the 23d, that we set out for the Pass.

We struck into the woods at Blinn's,' and

everywhere saw marks of the recent storm.]

"The thing seemed improbable, impossible

it? What did he mean?" That last furious

storm had done it. Mount Colden's summi

had slidden down into the lake!' The trap-

dyke was all cleaned out, an avalanche a

genuine, mighty avalanche, a mountain of trees, rock and earth, the mountain-top, had

bridging the lake, and, striking the shanty on the opposite side, had dashed it twenty feet up

twain, two lakes instead of one. One might

cross from shore to shore upon the debris.

Only one party had seen it, and none had as

Disencumbering ourselves of our packs and

vet explored it. This and more we learned i

the like, we pushed forward to examine the great phenomenon. A moment later and we

were picking our way up the debris, and, as we

scended, were struck with the singular aggre-

valanche. The most disagreeable and notice-

gation of materials which went to make up the

able was a black ooze or muck, seemingly half

step, for it was bottomless. This was probably.

e light mould or soil that soaked to a jelly by the storm, slid unctuously first and under all and caused the great slide. The shattered

trees covering the great avalanche had been dashed and so battered that scarce a

branch or strip of bark remained on them.

This probably was the origin of the tan-bark

smell, the odor of time acid and decomposing wood which we immediately noticed,

and which was very peculiar. The mass of

huge blocks of the hypersthene granite, and of

the trap rock from sunken dyke, scattered among or lost in the heaps of smaller frag-

ments. The avalanche sloped from the mouth

twenty or twenty-five degrees, and the torrent pouring down the cleft in the mountain had

feet, it is probably only a foot higher.
"Clambering up we stood at the entrance of

the trap dyke. Here the precipice was cleft apart, and the great stairway-like dyke ascended

e mountain betwixt, walls at times one, hur

dred feet high. We stood and gazed up with

tree tranks driven into clefts or resting on the

edge of the cliff above. It seemed scarcely

possible that up there the avalanche had rushed.

into the dyke, and in examining and exploring

eralogists will envy us our opportunity!

"Fatigue was forgotten, and in climbing up

"As the sun rose higher and higher we were
