WANAMAKER & BROWN.

EVENING BULLETIN. Monday, October 18, 1869.

THE VOTE FOR GOVERNOR. The table of election returns which we print 20-day is much fuller than any yet published. It has been prepared with great care from the official returns received at the BULLETIN office. The majority for Governor Geary apzen of Tarsus, learned tent-making. pears to be 4,819, and the full, official majority will not vary much from these figures. We work will be enlarged, and that it will be better paid. When a woman's work is as well done as a man's, it should receive the same pay, to deadly than the many stories of Mortan Williams and in corne countries. mearly up to Williams, and in some counties the last farthing. In many cases it is true that the last farthing. In many cases it is true that the polls a heavier vote. It will be found that it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. An engraver, who had it is not as well done. ceary's falling off is chiefly in Allegheny county, the full official vote of which has not

vet been returned. THE CONTESTED ELECTION CASES. The decision of the judges upon the con-Lested election cases of course gives most satis- and exerting their utmost ability. But the good, strong, succinct and able argument, and Esction to Republicans, who are the gainers by young women looked upon it as a temporary one coming with authority, in favor of the acan act which restores their representatives to employment, they expected of destandable employment, they expected of destandable phia Library.

The science of the November number ended. But we think the general feeling supported. among respectable citizens of all political spinions is one of relief at the settlement of a leads one to ask whether our American cus- Morris, who meditates chemically and philos-Ledious quarrel, and of pleasure at the estab-Hishment of a precedent which may be used even when the couple are scantily supplied lovers of travel there is a neat bit of Oriental bereafter against the tricksters of all parties | with means, is a good one. Certainly, many | sketching, "From Jaffa to Jerusalem." I who try to prevent fair elections. The theory more marriages would be possible if the wife the way of fiction, Anthony Trollope's exquiwhich was advanced by the judges and upon would by a few hours of daily work at any site novel is continued, from nearabout the which they acted, was simply this: In the dilight trade contribute to the common fund. | conclusion of Part I., as just published visions where there were manifest

resources. .

seal wish of the majority of the voters, the take it under the conviction that idleness is Most Foul." The poetry of the number is A SUPERIOR GARMENT at a REASONABLE PRIOR. entire vote is to be thrown out, and disregarded wrong, and that for every one in this world honored in the instance of a beautiful litany by the Court. This is a very summary way of who does no work, some one else must do a by Prof. Hartshorne, "Waiting for Dawu" disposing of a vexed question; but, apart from double share. any legal authority for such a method-of

normal de rejected and some spundes ones relamantene so total an as ever; and the partial success of the efforts of much popular indignation that the project has most original artists will illustrate its career. as ever; and the partial success of the efforts of the perpetrators of the fraud would only induce them to renew their villainy more ingeniously upon the next occasion. If the knot cannot be untied it ought to be cut. Doubters many honest citizens are thus robbed of the semant hand the project has been a abandoned. Hence probably the prince's enforced retrenchment, beginning with the sale 3 of his harriers, which cost several thousand pounds sterling a year. The Duke of Edinburgh's personal artists will mustrate its career.

Elegant Residences, Stores, Livery Stable, 122 of clock, noon, at the Exchange, elegant residences, 1206 and 1210 Walnut; 226 North Sixth; 2313 cost several thousand pounds sterling a year. The Duke of Edinburgh's personal artists will mustrate its career. their votes, and it seems hard that this should expenses are also much complained of by the be done. But they are injured even more by | English people, and there has been much inthe frauds that have been committed, dignation at his asking Government to foot a and it is probable that the exer- little bill of three or four thousand pounds a the nicest discrimination would sterling, for "presents" made by his Royal For Public Sales this and next Week, fail to secure a true expression of their brining. The prices this morning THE ŒCUMENICAL COUNCIL. Dr. Manning on the Syllabus. Archbishop Manning, on October 3d, delivered a discourse on the Pope's Syllabus at the Pro-Cathedral in Kensington. He expressed his belief that if the Pope had confined himself in the Syllabus simply to faith and morality in the ordinary personal sense of the word because his Holiness had pointed out and condemned all those errors in political philosophy which lay at the root of morals the world had been in uproar. Dr. Manning then went what was the meaning of modern civiliza-on? The state of political society founded pon divorce, secular education, infinite di-pondivorce, secular education, infinite dition? The state of political society founded upon divorce, secular education, infinite diisions, and contradictions in matters of re ligion, and the absolute renunciation of the supreme authority of the Christian Church. supreme authority of the Christian Church. Could it, then, be matter of wonder, that when the Roman Pontiff published the Syllabus all those who were in love with modern civilization should have risen in uproar against civilization should have risen in uproar against it? Or could it be wondered that when the world, with great courtesy sometimes, with to reconcile himself to Liberalism, progress, I modern civilization, he should say, "No; preme authority. You tell me I ought to submit to the civil power, that I am the subject of the King of Italy, and from him I am to receive instructions as to the way I should exercise the civil power. I say I am liberated from all civil subjection; that my Lord made me the subject of no one on earth, king or otherwise; that in His right I am sovereign. I acknowledge no civil superior, I am the subject of no prince, and I claim more than this—I claim to be the supreme judge and director of the consciences of men. tor of the consciences of men—of the peasant that tills the field and the prince that sits on the throne—of the household that lives in the shade of privacy and the legislature that makes laws for kingdoms—I am the sole last Supreme Judge of what is right and wrong." and modern civilization, he should say, "No; I will not, and I cannot. Your progress means divorce; I maintain Christian marriage. Your progress means secular education; I maintain that education is intrinsically and necessarily Christian. You maintain that it is a good thing that men should think as they like, talk as they like, preach as they like, and propagate what errors they please. I say that it is sowing error broadcast over the world. You say I have no authority over the Christian world, that I am not the vicar of the Good Shepherd, that I am not the supreme interpreter of the Christian Faith. I am all these. You ask me to abdicate, to renounce my supreme authority. You tell me I ought to New York Stock Market. Markets by Telegraph. BY TELEGRAPH. ATER CABLE NEWS arbiters of the most precious of our rights, then the Republican minority will leave this assembly, and, as its dignity dictates, will remain absent from its deliberations. Then a period of Lord Derby at the Point of Death

absent from its deliberations. Then a period of asphyxia will commence for the news government, which appears to have absorbed at every pore all the errors which killed the former governments. The eternal laws of; progress will thus be accomplished more promptly, against which governments can do nothing, who, forgetting their origin and believing themselves irresponsible. lieving themselves irresponsible, deny every right, for if they do not meet a merited chas which the oppressed never appeal in vain—the tribunal of revolution." Railroad Difficulties at Oil City-Ab-Sconding Contractors.
[From the Titusville (Penna.) Herald, Oct. 15.]

MADRID, Oct. 18.—The retail druggists A few days ago Thomas and John McGuire. railroad contractors, who had the contract for grading the track for the extension of the Jamestown and Franklin Bailroad, between Franklin and Oil City; absconded, leaving between 175 and 200 laborers unpaid, and the claims of a number of other creditors, probably about ten or fifteen, unliquidated. On learning that the Messis, McGuire had made off, the laborers, who were settled along the river, seized and held the wheelbarrows, picks, shovels, &c., belonging to the men named. Yesterday railroad contractors, who had the contract for their sales of turnentine and other combus bles have lately been extraordinarily large. It is supposed that these articles are to be used for incendiarism in case of a revelt. prietor of an extensive cotton factory near Stockholm, Sweden, has just purchased 12, 500 acres of land in Dunklin and Stoddart the wheelbarrows, picks, shovels, &c., belonging to the men named. Yesterday afternoon, as Deputy Sheriff Riddle was securing the picks, shovels, &c., under writs carry on the cultivation and manufacture of cotton. The land selected is well adapted for cotton-raising. Dunklin county will export this season from 7,000 to 8,000 bales, and Stodof seizure, the laborers, to the number of about seventy-five, armed with stones and clubs, collected around him and forced him to dart county about 5,000 bales. The enterprise will give employment to 1,300 families, part of whom are on the way from Sweden, and the remainder will soon follow.

give up the property he had taken and to re-treat from the spot. The laborers were all more or less under the influence of bad whisky, and had not Mr. Riddle yielded to heir demand a scene of violence would ur Strike of Eric Railroad Employes. Ispecial Despatch to the Phila. Evening Bulletin.]
New York, Oct. 18.—It is reported on good authority that the strike on the Eric Railroad among the employes in the machine shops, which commenced at Port Jervis, has extended all along the line; the workmen at Dunkirk, Buffalo, and Susquehanna joining in the strike. This seriously disturbs the business of the road, as many engines are in the repair shops. We understand it is the intention of Sheriff Herpts to take the tools at all hazards to-day. If the laborers be as drunk to-day as they were yesterday a lively time may be expected. MARINE BULLETIN. PORT OF PHILADELPHIA-OCT. 18 See Marine Bulletin on Inside Pare.
